CONTINUING PROFESSIONAL EDUCATION

Basic Requirements

801-040-0010(1) Biennial CPE requirement. Each biennial renewal period, certified public accountants and public accountants shall report satisfactory evidence of having completed 80 hours of continuing professional education (CPE) unless such requirement is waived by the Board under ORS 673.165 and OAR 801-040-0150. The 80-hour CPE requirement shall be completed as follows:

(a) At least 24 of the required 80 CPE hours shall be completed in each year of the renewal period. Hours carried forward from the previous reporting period (carry-forward hours) may not be used to meet the minimum annual requirement.

(b) CPE hours must be completed during the two-year period immediately preceding the renewal date, except for carry-forward hours described in subsection (c) of this rule.

(c) A maximum of 20 CPE hours in technical subjects may be carried forward from one reporting period to the next and may be used in partial fulfillment of the 80 hour requirement.

(2) Ethics requirement. Active licensees are required to successfully complete and report at least four hours of CPE in professional conduct and ethics (ethics requirement) every four years. All licensees holding even numbered permits shall complete and report the ethics requirement beginning with the reporting period in 2004, and every fourth year thereafter. All licensees holding odd-numbered permits shall complete and report the ethics requirement beginning with the reporting period in 2005, and every fourth year thereafter. Licensees may report the four hour Ethics CPE requirement in either of the two renewal periods that fall within each four year period.

(a) Hours earned in professional conduct and ethics are included in the 80 hour requirement for each renewal period.

(b) If a licensee's principal place of business is located in another jurisdiction and the other jurisdiction has established a professional conduct and ethics CPE requirement, the licensee may meet the ethics requirement by demonstrating compliance with the other jurisdiction's professional conduct and ethics CPE requirement. The number of CPE hours and the ethics course that meet the CPE requirement of such other jurisdiction will be accepted in Oregon, except that the ethics requirement of the other jurisdiction must provide for an ethics program to be reported at least once every four years. The licensee shall report such classes as provided in these rules.

(c) If a licensee has a principal place of business in another jurisdiction that does not have a professional conduct and ethics CPE requirement, the licensee must complete the ethics requirement from a sponsor registered with the Board.

(a) If such jurisdiction has no CPE requirement the licensee shall complete and report the CPE requirements under these rules. The requirement to complete four hours of CPE in ethics and professional conduct may also be satisfied by meeting the ethics requirement of the other jurisdiction, and if none, by completing ethics programs offered by a sponsor registered with the Board.
