## APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

*Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.*

### I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Clackamas, Clatsop, Columbia, Hood River, Multnomah, Yamhill, Wasco, and Washington counties in the State of Oregon.

### II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

### III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

#### **THE SPONSOR HEREBY ADOPTS:**

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

#### A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. The committee will select apprentices according to the following alternative procedure:
  - a. Application Notice and Schedule
    - 1) The committee will establish a reasonable period of at least 2 weeks for accepting applications for admission to the apprenticeship program.
    - 2) Public notice of at least 30 days will be given in advance of the earliest date for application. The notice will establish the date, time, and place applications will be accepted, list the minimum qualifications for the program, and provide a general

- description and duties of the occupation. It will also include the application review and ranking schedule.
- 3) Application information will be disseminated according to the committee's affirmative action plan.
- b. Application Process
- 1) Applications will be provided to all interested individuals at times and location(s) identified in the opening announcement.
  - 2) Prior to receiving an application, each applicant will sign an Applicant Log that will identify all applications with a log number corresponding to the application number. All applications will be tracked to final disposition.
  - 3) All applications and required supporting documentation must be returned to the location(s) identified in the opening announcement by the specified deadline; all information submitted will be date stamped when received.
  - 4) Each applicant is responsible for keeping the committee informed of his/her current mailing address and telephone number. Applicants who fail to do so will be ineligible for consideration.
- c. Verification of Minimum Qualifications
- 1) All applications and supporting documentation will be reviewed for minimum qualifications.
- d. Non-qualified Applicants
- 1) Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.
- e. Ranked Pool of Eligibles
- 1) Individuals will be placed in the Ranked Pool of Eligibles subsequent to:
    - a) Completing a trade orientation provided by the committee
    - b) Scoring by the committee based on the attached point system
    - c) Participating in a scored interview with the committee
  - 2) The application and interview scores will be combined to determine placement in the ranked pool, based on their score. Individuals will remain in the pool for a period of two years.
  - 3) Individuals who do not complete the interview and orientation will not be added to the ranked pool and will be notified in writing in conformance with the committee's initial employment policy.
  - 4) Individuals may be removed from the ranked pool prior to their two-year expiration date in conformance with the committee's initial employment policy:
    - a) Based on their request
    - b) Following their failure to respond to two initial dispatches
    - c) Following their failure to keep the committee informed of their current address and telephone number
  - 5) An individual who has been removed from the ranked pool may request reinstatement by submitting a written appeal to the committee in accordance with the approved Initial Employment Policy.
- f. Ready for Employment List
- 1) In January of each year the committee will work with its assigned apprenticeship representative to review registration information for the previous five years and determine the average number of annual apprentice indentures. The Ready for Employment List for the year will be adjusted if needed to equal 20% of the annual

indenture average.

- 2) Individuals will be placed on the Ready for Employment List in order of their rank in the Ranked Pool of Eligibles and issued an employer selection form.
- 3) An employer may select any individual from the Ready for Employment List by signing the employer selection form.
- 4) The employer's next new apprentice must come from the top of the Ready for Employment List. The employer may then alternate between selecting any individual from the Ready for Employment List and the top individual in the List.
- 5) When the Ready for Employment List falls to half of the 20% annual indenture average the committee may replenish the list by moving the next group of applicants from the top of the Ranked Pool of Eligibles to the Ready for Employment List.
- 6) Applicants will be asked to designate in which of four zones<sup>1</sup> in the program's geographical area they are willing to work. If a job assignment is not within the zones designated by the top applicant on the Ready for Employment List, the committee may go to the next applicant on the list and so on. Applicants who refuse assignments according to their designated zones will retain their position on the list.
- 7) If all applicants on the Ready for Employment List refuse an assignment according to their designated zones, the committee will dispatch the top ranked applicant from the Ranked Pool of Eligibles who is willing to accept the assignment.

The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

6: ESTABLISH AND USE PRE-APPRENTICESHIP PROGRAMS

Encourage the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or to prepare candidates for apprenticeship. Make appropriate provision in the affirmative action plan to assure those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)

The term of apprenticeship shall be 6,000 hours of employment.

#### V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. (The registration agency recommends that this not exceed twenty percent (20%) (See ORS 660.126 (1g))
3. During the initial probationary period either party to the agreement may terminate the apprenticeship agreement upon written notice to the Apprenticeship and Training Division of the Oregon Bureau of Labor and Industries. (See ORS 660.126 (1g) & ORS 660.060 (6))

(See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **May 1, 2009** is \$ **24.50** per **hour** .

Period	Minimum OJT hours required to enter period	CPR Card required to enter period	Successfully completed classes required to enter period	% of journey rate
--------	--	-----------------------------------	---	-------------------
