APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Clatsop, Columbia and Tillamook Counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Age: At least eighteen (18) years old
Education: High School Diploma or GED certification
Physical: None
Testing: None
Other: None

Note: See number 6 in Section X

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. a. Each training agent will select apprentices according to its published company policy and/or Collective Bargaining Agreement.
b. The committee will track the number of apprentices employed by each training agent. When a training agent selects its fourth apprentice, the committee will inform the Apprenticeship and Training Division (ATD). At the same time, the committee will inform the training agent that it must submit a description of its employee and apprentice selection practices to the Oregon State Apprenticeship and Training Council (OSATC) before the next cut-off date for Council submittals. The training agent may register additional apprentices prior to the cut-off date, but not subsequently without having submitted its selection procedures (including initial employment procedures) to OSATC.

- c. Any training agent that employs four or more apprentices and does not submit a selection procedure for approval (according to the time limits stated above) will not be allowed to indenture additional apprentices until its selection procedure has been approved by Council.
- d. At the first committee meeting of each calendar year, the committee will record in its minutes the names of training agents who have had five or more apprentices in the previous year.
- e. When the Apprenticeship and Training Division conducts an Affirmative Action Compliance Review, the Division will contact each training agent with five or more apprentices and request the training agent to provide information relating to its employment practices. Examples of the information the Division may require include the following:
 - Documentation regarding the recruitment and selection of apprentices
 - Copies of apprenticeship openings that were posted or bid lists
 - Company policies related to the selection of employees and apprentices
 - Relevant sections from collective bargaining agreements

Any training agent who fails to provide the Division with the information requested or does not follow its Council-approved selection procedures will be cited to appear by the committee in order to discuss the requirements and obligations placed on the committee and training agents by State and Federal apprenticeship regulations.

A training agent who is unable to assure the committee of its ability and commitment to comply with the program's selection requirements will face disciplinary action by the committee, up to and including loss of training agent status.
- f. To clearly communicate its ongoing expectations regarding the selection of apprentices, the committee will include a copy of this document in its Policy and Procedures Handbook.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.
5. As the sponsor of this industrial apprenticeship program, the committee will take all appropriate actions available to ensure that recruitment, selection, employment, and training of apprentices during apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex. The committee will take the following pro-active steps when

five (5) or more apprentices are registered in a standard:

- a. An employer applying as a new training agent that anticipates registering five (5) or more apprentices will, prior to acceptance as a training agent, submit an Affirmative Action Plan for approval by the committee and the Council.
- b. When a current registered training agent registers its fifth apprentice, the committee will notify said training agent to submit an affirmative action plan for review and approval by the committee and the Council.
- c. A registered training agent with an Affirmative Action Plan, prior to the first committee meeting in each calendar year, will submit a report to the committee that summarizes:
 - i. Confirmation of completed affirmative action activities listed in the company's affirmative action plan;
 - ii. Results of the completed affirmative action activities;
 - iii. Documentation the committee can use to assess whether the training agent's recruitment and selection practice fulfills its responsibility to the committee and Council; and
 - iv. The race and gender of each apprentice applicant that applied in the last year.
- d. A registered training agent that fails to complete its Affirmative Action activities to meet good faith performance may be summoned to appear before the committee to explain why it should be permitted to retain its training agent status.
- e. The committee adopts the following practices in order to identify barriers in the industry to women and minorities:
 - i. Track the specific reasons why individual minority and female apprentices did not complete the program. This information will be available to any training agent wishing the information and will automatically be sent to any training agents with minority and/or women apprentices. Individual counseling will be available by the committee or staff members upon request.
 - ii. The committee will prepare an annual mailing to local employer associations that outlines the benefits of its apprenticeship program.
 - iii. The committee will prepare an annual mailing to its registered training agents to remind them of the obligation to make community-based organizations aware of employment and apprenticeship opportunities.
 - iv. The committee will fulfill requests for information from persons interested in its apprenticeship program to include contact information for the training agents affiliated with its program.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
 - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program

- b. The equal employment opportunity plan has not been followed; or
 - c. The sponsor's equal employment opportunity plan does not comply with the requirements of the Oregon Equal Employment Opportunity in Apprenticeship Plan.
3. Any such complaint must be filed with the Director of the Apprenticeship and Training Division (Secretary of the OSATC) in writing within 180 days of the alleged illegal discrimination or specified failure to follow the equal opportunity requirements.
 4. The written complaint must include the name, address and telephone number of the person allegedly discriminated against, the sponsor involved and a description of the circumstances of the complaint.
 5. For complaints dealing with program operations see section X of this document.

IV. TERM of APPRENTICESHIP:

1. The term of apprenticeship will not be less than 2,000 hours of work experience in the apprenticeable occupation identified in this Standard. (See ORS 660.126 (d))
2. The term of apprenticeship must be stated in hours unless otherwise required by a collective bargaining agreement, civil service or other governing regulation. (See ORS 660.126)
3. The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. (See ORS 660.137 (4))
4. When the apprentice is granted advanced standing, the employer must pay the apprentice at the appropriate wage per the wage progression schedule specified in these standards. (See ORS 660.142)

NOTE: In licensed occupations the apprentice must complete the minimum hours of documented legal experience.

The term of apprenticeship shall be 8,000 hours of employment.

V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. (The registration agency recommends that this not exceed twenty percent (20%) (See ORS 660.126 (1g))
3. During the initial probationary period either party to the agreement may terminate the apprenticeship agreement upon written notice to the Apprenticeship and Training Division of the Oregon Bureau of Labor and Industries. (See ORS 660.126 (1g) & ORS 660.060 (6))

4. An appeal process is available to apprentices who have completed the initial probationary period. (See ORS 660.060 (6) & (7) and section X of this standard)

1. There shall be a maximum numeric ratio of apprentices to journey-level workers consistent with proper supervision, training, safety and continuity of employment. (See ORS 660.126 (1f))
2. The ratio shall be specifically and clearly stated as to its application to the job site, workforce, department, shift, plant or combination therein. (See ORS 660.126 (1f))
3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The ratio of apprentices to journey-level worker shall not be more than one (1) apprentice to the first one (1) journey-level worker on the jobsite . Additional apprentices are authorized at a ratio of one (1) apprentice for each additional one (1) journey-level worker(s). (See ORS 660.126 (f)) ratio to become 1:1, 1:2 on October 1, 2010

VII. APPRENTICE WAGES and WAGE PROGRESSION:

2. Wage progressions shall be indicated in hourly or monthly periods (the registration agency recommends the use of hour periods) set by the Sponsor. (See ORS 660.126 (h))
3. The entry wage will not be less than the federal or state minimum wage rate, whichever is higher. (See ORS 660.142 (4))
4. The wage listed in this standard at all periods establishes a minimum and a higher wage may be required by other applicable federal law, state law, respective regulations, or by a collective bargaining agreement. (See ORS 660.126 (1h), ORS 660.137 (6), ORS 660.142 & OAR 839-011-140 (2f))
5. The sponsor must re-determine the average journey-level wage at least annually and submit the new average journey wage to the Director of the Apprenticeship and Training Division with a statement explaining how such determination was made and the effective date of the new average journey wage. (See ORS 660.137 (6))

6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **November 1, 2008** is \$ **20.50** per **hour** .

For apprentices registered before January 1, 2009, the wage progression shall be:

Period	Number of required hours	% of the journey level rate
1	0-1,000	68
2	1,001-2,000	68
