## APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

*Sections of the standard inside of a  border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.*

### I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be  Clatsop County in the State of Oregon.

### II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

- Age: Must be 18 years old
- Education:
  - High school graduate or equivalent GED Certificate of Equivalency
  - Must have completed
    - one full year of high school algebra or equivalent high school course(s) with a 'C' grade (if transcript does not list algebra, applicant must provide documentation of equivalency); or

Note: See numbers 6 & 7 in Section X

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

**THE SPONSOR HEREBY ADOPTS:**

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a ranked pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

- d. Training Agents must notify the sponsor of any employment offer made to an applicant referred to them from the ranked pool. The notice must be provided by phone, fax or email within the business day the offer was made.

EXCEPTIONS:

2. EXPERIENCED APPRENTICE

An experienced apprentice who gained his/her experience in a registered limited energy electrician apprenticeship program within the preceding two (2) years and has completed 1,000 OJT hours of experience shall be permitted to enter this program and resume his/her training where he/she left off, instead of entry as a beginning apprentice, provided the applicant meets the current minimum qualifications. The applicant must not have been cancelled for cause prior to application or currently be under any disciplinary action by his/her respective committee. Returning apprentices will be placed at the bottom of the out-of-work apprentice list

3. NEW TRAINING AGENT

If an employer has not participated in the training of a limited energy electrical apprentice under ORS Chapter 660 for at least two years prior to seeking entry or reentry into the apprenticeship program, the employer may select his/her initial apprentices from bona fide employees who have been on the employer's payroll for at least three months, and not less than 300 hours of employment, prior to the employer's application for an apprentice and who meet the minimum qualifications for entry into the program. Once the initial selection of apprentices has been made, the employer is thereafter restricted to selecting applicants in the out-of-work pool and the ranked pool in conformance with the committee's approved selection procedure.

5. PRE-APPRENTICESHIP

The committee will approve direct entry into the ranked pool for graduates successfully

completing within the past 2 years jointly approved OSATC and committee pre-apprenticeship programs, providing that applicants meet the current minimum qualifications. Such priority is granted without regard to race, color, religion, national origin, or sex. Qualifying individuals will be placed at the top of the ranked pool. In the case of multiple referrals on the same date, ranking of the applicants will be done alphabetically by last name.

#### 10. SMALL EMPLOYER

- a. Provided that the use of this exception will not result in an adverse impact on apprenticeship opportunities based on an individual's protected class status, a family member, as defined below, who meets the minimum requirements for entry into the apprenticeship program, may be directly indentured by the committee and placed with a family business as defined herein, subject to the consent of the applicant, so long as the addition of the apprentice would result in no more than three individuals being employed by the training agent in the occupation (Employed as applied in this exception is understood to mean all individuals working in the occupation). Training agents using this exception may not employ more than one apprentice at any time.
- b. "Family business" means a business owned in whole or in part by a parent or grandparent of the applicant and has been in business under the same owners for at least one year.
- c. "Family member" means the son, daughter, grandchild, or spouse of the family business owner and does not include minor children placed in the care of foster care parents certified by the Department of Human Services.

#### 12. VETERAN'S ENTRY

Veterans who have completed 178 days of active service within the past 24 months may apply to the program at any time if they meet the minimum qualifications of the program and if they are:

- a. Members of the Regular services who have been discharged from active duty service with a DD214 issued within the past 24 months indicating an Honorable Discharge
- b. Members of the Selected Reserve or Individual Ready Reserve with a DD214 issued within the past 24 months
- c. Members of the Oregon National Guard with a DD214 issued within the past 24 months.

Individuals qualifying under this exception will be scored and placed at the top of the Ranked Pool.

#### Notes:

The sponsor will review the use of exceptions versus the registrations from the ranked pool for each general JATC meeting. If registration by exceptions during the year to date exceeds 49% of the total registrations, the sponsor will not utilize exceptions until the next quarterly review, at which time the sponsor will again be eligible to utilize exceptions providing the use of exceptions for the year to date is below 49% for total registrations.

Exception #3 will not be included in computations and will not be restricted during periods wherein the sponsor is not eligible to utilize exceptions.

Exception #10 will be included in computations but will not be restricted during periods wherein the sponsor is not eligible to utilize exceptions.

Utilization of the exceptions listed above requires the applicant and sponsor or its

representative to be present at the committee meeting that the indenture is recorded.

3: PREPARE STUDENTS FOR ENTRY INTO APPRENTICESHIP

Cooperate with local schools and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.

4: INTERNAL COMMUNICATION

#### V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. (The registration agency recommends that this not exceed twenty percent (20%) (See ORS 660.126 (1g))

3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The ratio of apprentices to journey-level worker shall not be more than one (1) apprentice to the first one (1) journey-level worker on the job. Additional apprentices are authorized at a ratio of one (1) apprentice for each additional one (1) journey-level worker(s). (See ORS 660.126 (f))

#### VII. APPRENTICE WAGES and WAGE PROGRESSION:

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))

3. The entry wage will not be less than the federal or state minimum wage rate, whichever is higher. (See ORS 660.142 (4))
4. The wage listed in this standard at all periods establishes a minimum and a higher wage may be required by other applicable federal law, state law, respective regulations, or by a collective bargaining agreement. (See ORS 660.126 (1h), ORS 660.137 (6), ORS 660.142 & OAR 839-011-140 (2f))
5. The sponsor must re-determine the average journey-level wage at least annually and submit the new average journey wage to the Director of the Apprenticeship and Training Division with a statement explaining how such determination was made and the effective date of the new average journey wage. (See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **July 1, 2008** is \$ **25.15** per **hour**.

Period	Number of required hours	% of the journey level rate
1st	1,000	50
2nd	1,000	60
3rd	1,000	70
4th	1,000	80

**VIII. WORK PROCESSES:**

NOTE: The committee realizes that the completion of 4,000 hours of on-the-job training is the ideal, but recognizes that most apprentices will not be able to fulfill the total amount of hours specified in every work process as set forth in this standard. When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice's knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process. The evaluation and summary of the additional instruction will be noted in the apprentice's file.

#### IX. RELATED/SUPPLEMENTAL INSTRUCTION:

1. The apprentice must attend related/supplemental instruction for at least 144 hours per year unless otherwise stated in this standard. Time spent in related/supplemental instruction will not be considered as hours of work, and the apprentice is not required to be paid for time so spent. (See ORS 660.126 (1e))
2. The Committee must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Oregon OSHA regulations and applicable federal and/or state regulations. (See ORS 660.137)
3. In case of failure on the part of any apprentice to fulfill the related instruction obligation, the sponsor has the authority to withhold the apprentice's periodic wage advancement; or with a reasonable opportunity to remedy deficiencies, suspend, or cancel the Apprenticeship Agreement. (See ORS 660.157 (4))
