APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Polk and Linn Counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Age:	Must be 18 years of age
Education:	Must be a high school graduate or have obtained the equivalent GED certificate. Must have completed one year of high school algebra, integrated math 2, or equivalent post-high school algebra course(s) with a grade of C or better, or submit equivalent math placement test scores.
Physical:	None
Testing:	None

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2.
 - a. The Mid-Willamette Industrial TATC will take appropriate action to ensure that the selection methods employed by its training agents meet the requirements of the Oregon State Apprenticeship and Training Council (OSATC).
 - b. A registered training agent, in good standing with the committee, shall select apprentices from that cadre of its bona fide employees who have been accumulated at least 750 paid work hours in the preceding six months.
 - c. An employee selected for registration as an apprentice must meet these standards minimum qualifications.
 - d. Training agents will be responsible for maintaining records and documentation, which affect an applicant or apprentice as it relates to recruitment, selection and all other

apprentice program participation for a period of five years from the date of the Committee's last action. Documentation must include:

- Apprenticeship opportunity postings
 - A list of names of employees who applied for each opening including their race/ethnicity and gender.
 - The name(s) of the company officials and employees involved in the selection process
 - A brief summary of the job-related selection factors and tools (interview, supervisory recommendation, seniority, etc.) including the basis for evaluation, selection and rejection of each applicant.
 - Copies of apprenticeship openings that were posted or bid lists
 - Company policies related to the selection of employees and apprentices
 - Relevant sections from collective bargaining agreements
 - Documentation of affirmative action plan activities and results.
- e. Any training agent, registered under these standards, regardless of the number of apprentices within its workforce, shall be responsible to the Committee. Upon request from the Committee or the Apprenticeship and Training Division, a training agent will submit, as if it were a separate sponsor, to a review of all its records relative to all its apprenticeship operations.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.
5.
 - a. Prior to acceptance into the apprentice program, a new training agent who requests registration of five or more apprentices will submit an affirmative action plan to this committee and the Bureau of Labor and Industries for approval by OSATC.
 - b. Registered training agents who have five or more apprentices are required to provide confirmation and detailed results of completed affirmative action activities listed in the company's affirmative action plan. Any Training Agent, assigned five or more apprentices, shall be cited by this Committee if the training agent fails to actively engage in positive outreach activities.
 - c. Training agents who have had five or more apprentices in the previous year shall, upon Apprenticeship and Training Division request, submit, as if it were a separate sponsor, to review of all its records relative to all its apprenticeship operations.
 - d. When a training agent selects its fourth apprentice, the committee will inform the Oregon

State Apprenticeship and Training Council. At the same time, the committee will inform the training agent that it must submit a description of its employee and apprentice selection practices, an Affirmative Action Work Plan and Goals and Timetables to the Oregon State Apprenticeship and Training Council for approval before the next cut-off date for Council submittals. The training agent may register additional apprentices prior to that cut-off date, but not subsequently until its selection procedures receive OSATC approval.

- e. On an annual basis, the committee, and representatives from participating training agents, will participate in at least one community college and one community based organization job fair to promote apprenticeship opportunities. The committee will provide a list of companies registered with the program so that prospective apprentices may seek employment with facilities to position themselves for selection as apprentices.
- f. The committee will prepare an annual mailing to each training agent as a reminder they are to make community based organizations aware of employment and apprenticeship opportunities within their specific companies.

C. DISCRIMINATION COMPLAINTS:

The term of apprenticeship shall be 6,000 hours of employment.

V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. (The registration agency recommends that this not exceed twenty percent (20%) (See ORS 660.126 (1g))

(See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The ratio of apprentices to journey-level worker shall not be more than one (1) apprentice

to the first one (1) journey-level worker on the same shift and in the same plant .

Additional apprentices are authorized at a ratio of one (1) apprentice for each additional one (1) journey-level worker(s). (See ORS 660.126 (f))

VII. APPRENTICE WAGES and WAGE PROGRESSION:

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))

3. The entry wage will not be less than the federal or state minimum wage rate, whichever is higher. (See ORS 660.142 (4))
4. The wage listed in this standard at all periods establishes a minimum and a higher wage may be required by other applicable federal law, state law, respective regulations, or by a collective bargaining agreement. (See ORS 660.126 (1h), ORS 660.137 (6), ORS 660.142 & OAR 839-011-140 (2f))
5. The sponsor must re-determine the average journey-level wage at least annually and submit the new average journey wage to the Director of the Apprenticeship and Training Division with a statement explaining how such determination was made and the effective date of the new average journey wage. (See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **January 1, 2009** is \$ **17.50** per **hour** .

Period	Number of required hours	% of the journey level rate
1	0 – 1,000	55

A minimum of 144 hours of related training shall be required during each year the apprentice is registered in the program. (See ORS 660.126 (e))

The following is a summary of related instruction including required class hours in each element of instruction. A committee may establish and submit clear objectives and outcomes in lieu of hours for each class subject. (See ORS 660.157)

Related training must cover the following subjects and must be completed with a grade of 'C' or better for graded classes or 'Pass' for non-graded classes. (see OAR 918-282-0170 to -0365)
