## APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

*Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.*

### I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Marion, Polk, Linn, Benton and Lincoln counties in the State of Oregon.

### II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b). Documentation must be provided for all minimum qualifications:

Age:	Minimum Age for Applicants - 18 years
Education:	High school graduate or GED certificate. One year of high school algebra, integrated math 2, or equivalent post-high school algebra course(s) with a grade of 'C' or better or submit equivalent math placement test scores.

See Section X items 6 & 7

**III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):**

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

**THE SPONSOR HEREBY ADOPTS:**

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

**A. SELECTION PROCEDURES:**

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

  - b. Prior to distributing notices, the proposed public notice shall be provided to the assigned Apprenticeship Representative for approval.
  - c. Public notices shall be disseminated semi-annually, usually in February and August, in accordance with the sponsor's Affirmative Action Plan.
  - d. Public notice of at least 30 days will be given in advance of the earliest date for application.

These items will be included on the public notice:

- title of job
  - minimum qualifications
  - general duties of the occupation
  - application process
  - address where applications are available

- b. Prior to receiving an application, each applicant's name will be entered in the "Applicant Log" which will identify all applications by a log number that corresponds to the application number. The log will be used to track the history of the individual applicant; noting the date the application was provided, the manner by which it was provided, the ethnicity and gender of the applicant (if available), the date the application was returned to the program sponsor, the selection tools employed and their outcome, application rating score) and the final disposition (rejected for MQ's, in pool of eligibles, indentured)

The applicants are informed how to increase their score in the ranked pool of eligibles during the two-year placement by submitting additional documents.
- b. Ranked applicants remain in the ranked pool of eligibles for two years from the date first

placed on the list. Individuals may be removed from the pool at an earlier date by:

- their written request;
- following their failure to keep the committee informed of a current address and phone number;
- If a ranked applicant refuses offered employment three (3) separate times or fails to respond to a initial dispatch referral one (1) time, the applicant will be placed on the inactive list and sent a letter informing them that unless they respond to the committee within 30 days, they will be removed from the ranked pool;

Any ranked applicant who is removed from the ranked pool will be notified by mail in conformance with the initial placement policy of the reason for removing their name from the ranked pool and their appeal rights.

The pool of eligibles is up-dated the first business day of each month (if there are applicants to incorporate). The eligible applicants from the existing list will be slotted into the new list without the necessity of reapplying. However, if an applicant on the list submits additional documentation, the individual will be re-ranked with the new score along with the new applicants.

6. Placement process:

- a. Applicants shall be placed in employment in a descending order based upon their rank order. The highest ranking applicant shall be the first applicant placed and will be referred to multiple training agents as described in the initial employment policy.
- b. The training agent will be sent an employment packet consisting of an apprentice referral form and apprentice application form. When the training agent agrees to hire the applicant the training agent sends official notice to the apprenticeship administration office. Upon receipt of notification the Apprenticeship Office calls a committee meeting within one workday of the receipt of notification in the office and indentures the apprentice at that time.
- d. The minutes of the meeting and the registration form is sent to ATD for processing.
- e. Training agents do not employ the applicant as an apprentice until the applicant is indentured and has received their initial license in conformance with the initial licensing agreement with the bureau.
- f. Out of work apprentices will be re-employed, as far as practical, prior to new apprentices being registered into the program.

## EXCEPTIONS

### 2. EXPERIENCED APPRENTICE

Apprentices who have gained at least 1,000 hours OJT and at least 72 hours of related training within the past five years in a limited energy or restricted energy apprenticeship program registered with the OSATC shall be permitted to return to the program, as far as practical. They will be allowed to resume their training where they left off, instead of reentry as a beginning apprentice, regardless of their place on the ranked list, providing the apprentice meets the current minimum qualification, and has not been terminated for cause. These apprentices shall be provided direct placement when a training agent agrees to sponsor them in the apprenticeship program.

### 3. NEW TRAINING AGENT

If an employer has not participated in the training of an apprentice under ORS chapter 660 for at least two years prior to seeking entry or reentry into the apprenticeship program, the employer may select from those bona fide employees who have been on the employer's payroll for a least 480 hours prior to the employer's application for an

apprentice and who meet minimum qualifications for entry into the program may be brought into the program. Once the initial selection of apprentices has been made, the employer is thereafter restricted to selection from applicants in the ranked pool of established eligibles.

**B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:**

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

5.

**1: DISSEMINATE INFORMATION**

Dissemination of information concerning the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship application, and the equal opportunity policy of the sponsor. For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

**2: PARTICIPATE IN ANNUAL WORKSHOPS**

Participate in annual workshops to familiarize educators, career counselors, employment service representatives, and other appropriate personnel with apprenticeship in general as well as current opportunities.

**3: PREPARE STUDENTS FOR ENTRY INTO APPRENTICESHIP**

Cooperate with local schools and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.

**4: INTERNAL COMMUNICATION**

Communicate the equal opportunity policy in a manner to foster understanding, acceptance and support among the committee's members, training agents, and apprentices and to encourage those people to take the action necessary to meet the

committee's affirmative action commitments.

5: OUTREACH

Engage in outreach programs for the positive recruitment and preparation of potential applicants for apprenticeship. The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

6: ESTABLISH AND USE PRE-APPRENTICESHIP PROGRAMS

Encourage the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or to prepare candidates for apprenticeship. Make appropriate provision in the affirmative action plan to assure those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
  - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program
  - b. The equal employment opportunity plan has not been followed; or
  - c. The sponsor's equal employment opportunity plan does not comply with the requirements of the Oregon Equal Employment Opportunity in Apprenticeship Plan.
3. Any such complaint must be filed with the Director of the Apprenticeship and Training Division (Secretary of the OSATC) in writing within 180 days of the alleged illegal discrimination or specified failure to follow the equal opportunity requirements.

4. When the apprentice is granted advanced standing, the employer must pay the apprentice at the appropriate wage per the wage progression schedule specified in these standards. (See ORS 660.142)

NOTE: In licensed occupations the apprentice must complete the minimum hours of documented legal experience.

The term of apprenticeship shall be 4,000 hours of employment.

#### V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. (The registration agency recommends that this not exceed twenty percent (20%) (See ORS 660.126 (1g))
3. During the initial probationary period either party to the agreement may terminate the apprenticeship agreement upon written notice to the Apprenticeship and Training Division of the Oregon Bureau of Labor and Industries. (See ORS 660.126 (1g) & ORS 660.060 (6))

3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The ratio of apprentices to journey-level worker shall not be more than one (1) apprentice

to the first one (1) journey-level worker on the job and in the shop . Additional apprentices are authorized at a ratio of one (1) apprentice for each additional one (1) journey-level worker(s). (See ORS 660.126 (f))

**VII. APPRENTICE WAGES and WAGE PROGRESSION:**

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))

3. The entry wage will not be less than the federal or state minimum wage rate, whichever is higher. (See ORS 660.142 (4))
4. The wage listed in this standard at all periods establishes a minimum and a higher wage may be required by other applicable federal law, state law, respective regulations, or by a collective bargaining agreement. (See ORS 660.126 (1h), ORS 660.137 (6), ORS 660.142 & OAR 839-011-140 (2f))
5. The sponsor must re-determine the average journey-level wage at least annually and submit the new average journey wage to the Director of the Apprenticeship and Training Division with a statement explaining how such determination was made and the effective date of the new average journey wage. (See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **September 1, 2009** is \$ **20.39** per **hour** .

Period	Number of required hours	% of the journey level rate
1st	1,000	60
2nd	1,000	66
3rd	1,000	72
4th	1,000	78

<b>TOTAL</b>	<b>4,000</b>

NOTE: The committee realizes that the completion of 4,000 hours of on-the-job training is the ideal, but recognizes that most apprentices will not be able to fulfill the total amount of hours specified in every work process as set forth in this standard. When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice’s knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process. The evaluation and summary of the additional instruction will be noted in the apprentice’s file.

**IX. RELATED/SUPPLEMENTAL INSTRUCTION:**

1. The apprentice must attend related/supplemental instruction for at least 144 hours per year unless otherwise stated in this standard.
