APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be the area of Knife River Oregon facilities in Benton, Clackamas, Columbia, Deschutes, Douglas, Jefferson, Lane, Lincoln, Linn, Marion, Multnomah, Polk, Washington, and Yamhill Counties in the State of Oregon.

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

2. Committees Selection Procedures

a. Intent to Accept Applications Notice and Schedule

- i. The committee will establish a reasonable period of at least 2 weeks (10 working days) for accepting applications for admission to the training program.
- ii. A notice of at least 30 days will be given in advance of the earliest date for application. The notice will establish the date, time, and places applications will be available, list the minimum qualifications for the program and provide a general description and duties of the occupation.

The notice of intent to accept applications will be disseminated according to the committee's affirmative action plan.

When the program is reopened for applications new Pools of Eligibles will be established. Individuals remaining within the current pool will be offered the opportunity to reapply or be re-ranked using their original score. Those choosing to use their original score will maintain their original eligibility date.

b. Application Process

- i. Applications will be available to all interested individuals at the Knife River, Oregon highway construction offices in Sherwood (Portland), Tangent and Bend.
- ii. Prior to receiving an application, each applicant must sign the "Applicant Log" The log will identify each application using a log number that corresponds to the application number.
- iii. The applicant must specify his/her preferred work locations(s) at the time of application.

All properly completed applications must be returned to the Knife River, Oregon offices at Sherwood (Portland), Tangent or Bend. The application must be received by the specified cutoff date; completed applications will be date stamped when received by the office accepting the application. A "properly completed" application will provide all requested information, and will be signed in the space provided on the reverse.

Any additional supporting documentation must be submitted not later than ten (10) days after the cutoff date.

c. Verification of Minimum Qualifications

All applications and supporting documentation will be reviewed to insure the applicant meets all minimum qualifications set forth in the program's standards.

d. Non-qualified Applicants

Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.

e. Pool of Eligibles

- i. A separate Pool of Eligibles will be established for each of the Geographic Work Areas: North Hub (Portland/Salem), South Hub (Tangent/Eugene) and East Hub (Bend/Redmond).

All applicants meeting the program's minimum qualifications will be scheduled for an oral interview.

Each qualifying applicant will be scored and ranked based on the point system detailed on the attached list. Each individual will then be placed in the Ranked Pool of Eligibles of the geographic work area/s specified on their application. They will be placed in rank order, and retained on the list/s for a period of two (2) years.

In the event of a "tie score", the applicant with the earliest date of applications, as evidenced by the receipt date stamped on the application will be awarded the higher ranking.

Individuals may be removed from the pool at an earlier date by their request or following their failure to respond to a trainee job assignment provided through the placement process.

When the program is reopened for applications, individuals remaining within current pools of eligibles will be offered the opportunity to reapply or be re-ranked using their original score. Those choosing to use original score will maintain their original eligibility

date.

Applicants will be placed into the training program in descending order.

f. Placement Process

- i. The sponsor will determine the number of apprentices needed in the upcoming three (3) months within each geographic work area through a survey of their divisions (training agents).
- ii. Unemployed apprentices will be given the opportunity for re-employment prior to selecting applicants from the ranked pool of eligibles.
- iii. The top number of individuals within the Ranked Pool of Eligibles for each geographic area equal to 100 percent of the number of apprentices determined in paragraph 2fi. above will be notified by telephone of their requirement to submit to, and pass, all current Knife River, Oregon pre/post – employment requirements. These requirements must be fulfilled within the timeframe set at the time of initial contact. Failure to comply with, or successfully pass any portion of this screening process will be deemed as a failure to respond to a job opportunity. No further opportunities will be offered, and the individual will be removed from the Ranked Pool of Eligibles.

EXCEPTIONS

2. EXPERIENCED APPRENTICE
