APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a  border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be  Lane County in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Age: Must be eighteen (18) years of age by 45 days after the closing application date.

Education: a. High school graduation with a grade point average of 2.0 or above (additional schooling will be considered in determining the GPA if submitted in transcript form from accredited schools); or successful completion of General Equivalency Degree (GED) exam with a total score of 230 points or above for those who took the exam prior to December 31, 2001 or 2300 for those who have taken the exam after December 31, 2001);

b. Successful completion of one year of high school algebra with a "C" or better is required or the following equivalent: a college algebra course equivalent to high school algebra with a grade of "C" or better. If the required course work was completed more than five (5) years prior to application, the applicant will also be required to document current math skills prior to being scored and ranked and prior to being eligible for employment (see section 2. f. ii. under Selection Procedures below).

Physical: None

Testing: None

Other: None

See Section X6

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

2. The committee shall select apprentices from a ranked pool of eligibles according to the

following procedure:

a. Application Notice and Schedule

- i. The committee will annually determine the need for apprentices based on a survey of approved training agents and their need for new hires. If, in any such annual period, the need for apprentices is determined to be ten (10) or more the committee shall establish a ten (10) day period for accepting applications for admission to the apprenticeship program.
- ii. The committee may defer opening for applications at times during which the list of active, out-of-work apprentices precludes the registration of ten (10) or more apprentices (see III, A, 1 above).
- iii. Public notice of at least 30 days will be given in advance of this date. The notice will establish the date, time, and place applications will be accepted, list the minimum qualifications for the program and provide a general description and duties of the occupation.
- iv. Application information will be disseminated according to the committee's affirmative action plan.

b. Application Process

- i. Applications will be provided to all interested individuals as posted in the opening announcement.
- ii. Prior to receiving an application, each applicant will sign the "Applicant Log" which shall identify all applications by a log number.
- iii. All applications must be completed at the posted location by the applicant prior to the specified deadline; completed applications will be date stamped when received.

c. Verification of Minimum Qualifications

- i. All applications and supporting documentation will be reviewed for minimum qualifications and must be received not later than the last day of applications.
 - a. All supporting documents must be originals and must be readable.
 - b. All letters of recommendation and/or verifications of prior experience must be on official company letterhead and must bear valid contact information for the signer.
 - c. Official transcripts are required and must be included with the application in an envelope officially sealed by each issuing school.

d. Non-qualified Applicants

- i. Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.

e. Pool of Eligibles

- i. Qualifying applications will be scored and ranked based on the point system on the attached list. The applicant points will be computed by the program administrator and further verified by a committee member.
- ii. These individuals will then be placed in a pool of eligibles in rank order and retained on the list for a period of two (2) years.
- iii. The Pool will be divided into two separate regions. One pool will cover all those areas west of the Coast Range and will be designated as the "coastal pool." The other pool will encompass all other areas and be designated as the "primary pool." Applicant

- pools will be managed in conformance with the program's initial employment policy.
- iv. Individuals may be removed from the pool at an earlier date by their request, following their failure to respond to offers of employment or for failing to return "Letters of Intent," as detailed in the program's initial employment policy.
 - v. Pool Applicants who refuse two (2) offers of employment with separate employer candidates will lose their rank in the pool, as detailed in the program's initial employment policy.
 - vi. The applicant pool will be periodically re-ranked as applicants provide new supporting documentation to enhance their ranking, and in any event not less frequently than monthly. Re-ranking the applicant pool will not affect the ready for employment pool.
 - vii. The applicant pool will be re-ranked after the cutoff date for letters of intent.
- f. Placement Process
- i. The number of "New Indentures" will be determined by the Area III Training Agent requirements in that given period.
 - ii. Individuals who meet the math requirement listed in Section II of this standard will qualify for placement into the pool of eligible applicants. Individuals who do not meet the requirements in Section II, Education, b., will not be eligible to be scored, ranked, and placed in employment until they:
 - a. Submit documentation that a high school or equivalent algebra course has been completed since the original application or;
 - b. Achieve a score on a Lane Community College Math Placement test with results allowing entry into MTH 70 or higher.
 - iii. Individuals will be placed in order of their scores in the ranked pool of eligible applicants.
 - iv. Upon completion of the application process, the Area III JATC will establish the "Ready for Employment" Pool. This pool will comprise the top ten (10) ranking applicants in the ranked pool of eligibles. Upon establishment of the "Ready for Employment" pool, the committee shall interview the ten (10) qualifying applicants and rerank them within the "Ready for Employment" pool based on the resulting interview scores. This "Ready for Employment" pool will be replenished only when all ten (10) individuals in the pool have been sent out. Replenishment will occur under the same interview process as outlined above.
 - v. Applicants will be dispatched to employers on an as needed basis, in ranked order from the "Ready for Employment" pool.
- g. EXCEPTIONS
1. CURRENT APPRENTICE (Transfer)

Active apprentices who have completed their probationary period and are in good standing in a registered inside electrician apprenticeship program will be permitted to transfer to the Area III Inside Electrical JATC program. Their names will be placed at the bottom of the out of work apprentice list in order of date receipt of application.
 2. EXPERIENCED APPRENTICE

Experienced apprentices who gained a minimum of 2,000 hours of on-the-job experience and 144 hours of related training experience in a registered inside electrician program, within the last 5 years, shall be permitted to enter this program and pick up their training where they left off instead of entering as beginning apprentices providing they meet the current minimum qualifications and have not

been terminated from an apprenticeship program for cause. Experienced apprentices who qualify will be placed at the top of the ranked pool of eligibles.

3. NEW TRAINING AGENT

If an employer has not participated in the training of an apprentice under ORS Chapter 660 for at least two years prior to seeking entry or re-entry into the apprenticeship program, the employer may select as his/her initial apprentices, without going to the pool, those bona fide employees who have been on his/her payroll for at least three months and 300 paid work hours prior to the employer's application for an apprentice and who meet the minimum qualifications for entry into the program. Once the initial selection of apprentices has been made, the employer is thereafter restricted to a selection from applicants in the pool of eligibles.

6. EMPLOYER SELECTION

An employer who has been a Registered Training Agent with the sponsor and who has participated in the training of Area III Apprentices for a Minimum period of two (2) years shall, at the discretion of the sponsor, be allowed to promote to the position of Apprentice, those full time employees who have been in their employ for a minimum of five hundred (500) hours, meet the minimum qualifications, and make application during the open enrollment period. In order to utilize this exception, the employer MUST have employed at least one (1) applicant from the current year's pool of eligibles.

10. SMALL EMPLOYER EXCEPTION

Provided that the use of this exception will not result in an adverse impact on apprenticeship opportunities based on an individual's protected class status, a family member, as defined below, who meets the minimum requirements for entry into the apprenticeship program, may be directly indentured by the committee and placed with a family business as defined herein, subject to the consent of the applicant, so long as the addition of the apprentice would result in no more than three individuals being employed by the training agent in the occupation. (Employed as applied in this exception is understood to mean all individuals working in the occupation.) Training agents using this exception may not employ more than one apprentice at any time.

- a) "Family business" means a business owned in whole or in part by a parent or grandparent of the applicant and has been in business under the same owners for at least four years.
- b) "Family member" means the son, daughter, grandchild, or spouse of the family business owner and does not include minor children placed in the care of foster care parents certified by the Department of Human Services.

12. VETERAN'S ENTRY

Veterans may apply to the program at any time if they meet the minimum qualifications of the program and if they are:

- a) Members of the Regular services who have been discharged from active duty service with a DD214 issued with the past 24 months indicating an Honorable Discharge;
- b) Members of the Selected Reserve or Individual Ready Reserve with a DD214 issued within the past 24 months; or
- c) Members of the Oregon National Guard with a DD214 issued within the past 24

months.

Individuals qualifying under this exception will be scored and placed at the top of the Ranked Pool of Eligibles.

15. OTHER (Journeyman Electrician)

The employing contractor may hire directly a journeyman electrician from another classification who exceeds the minimum qualifications and makes application during an open enrollment period.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

5.

1: DISSEMINATE INFORMATION

Dissemination of information concerning the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship application, and the equal opportunity policy of the sponsor. For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

5: OUTREACH

Engage in outreach programs for the positive recruitment and preparation of potential applicants for apprenticeship. The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

10: PREVENT ILLEGAL DISCRIMINATION

Take other appropriate action to ensure that decisions regarding recruitment, selection,

employment, and training of apprentices are job-related and without illegal discrimination because of race, color, religion, national origin, disability, age, or sex.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
 - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program
 - b. The equal employment opportunity plan has not been followed; or
 - c. The sponsor's equal employment opportunity plan does not comply with the requirements of the Oregon Equal Employment Opportunity in Apprenticeship Plan.
3. Any such complaint must be filed with the Director of the Apprenticeship and Training Division (Secretary of the OSATC) in writing within 180 days of the alleged illegal discrimination or specified failure to follow the equal opportunity requirements.
4. The written complaint must include the name, address and telephone number of the person allegedly discriminated against, the sponsor involved and a description of the circumstances of the complaint.
5. For complaints dealing with program operations see section X of this document.

IV. TERM of APPRENTICESHIP:

1. The term of apprenticeship will not be less than 2,000 hours of work experience in the apprenticeable occupation identified in this Standard. (See ORS 660.126 (d))
2. The term of apprenticeship must be stated in hours unless otherwise required by a collective bargaining agreement, civil service or other governing regulation. (See ORS 660.126)
3. The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. (See ORS 660.137 (4))
4. When the apprentice is granted advanced standing, the employer must pay the apprentice at the appropriate wage per the wage progression schedule specified in these standards. (See ORS 660.142)

NOTE: In licensed occupations the apprentice must complete the minimum hours of documented legal experience.

The term of apprenticeship shall be 8,000 hours of employment.

V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. (The registration agency recommends that this not exceed twenty percent (20%) (See ORS 660.126 (1g))
3. During the initial probationary period either party to the agreement may terminate the apprenticeship agreement upon written notice to the Apprenticeship and Training Division of the Oregon Bureau of Labor and Industries. (See ORS 660.126 (1g) & ORS 660.060 (6))
4. An appeal process is available to apprentices who have completed the initial probationary period. (See ORS 660.060 (6) & (7) and section X of this standard)

The probationary period shall be the first 2,000 OJT hours of employment after the current registration to this standard. (See ORS 660.126 (g))

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

1. There shall be a maximum numeric ratio of apprentices to journey-level workers consistent with proper supervision, training, safety and continuity of employment. (See ORS 660.126 (1f))
2. The ratio shall be specifically and clearly stated as to its application to the job site, workforce, department, shift, plant or combination therein. (See ORS 660.126 (1f))
3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The first person assigned to any job site shall be a journeyman.

Each job site shall be allowed a ratio of two (2) apprentices for every three (3) Journeyman or fraction thereof. (see example)

In no case shall the number of apprentices exceed the number of journeymen on the job.

A job site is considered to be the physical location where employees report for their work assignments. The employer's shop (service center) is considered to be a separate, single job site. All other physical locations where workers report for work are each considered to be a single, separate job site.

Example:

Number of Journeymen	Maximum Number of Apprentice(s)
1 to 3	2

4 to 6	4
7 to 9	6

VII. APPRENTICE WAGES and WAGE PROGRESSION:

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))
2. Wage progressions shall be indicated in hourly or monthly periods (the registration agency recommends the use of hour periods) set by the Sponsor. (See ORS 660.126 (h))
3. The entry wage will not be less than the federal or state minimum wage rate, whichever is higher. (See ORS 660.142 (4))
4. The wage listed in this standard at all periods establishes a minimum and a higher wage may be required by other applicable federal law, state law, respective regulations, or by a collective bargaining agreement. (See ORS 660.126 (1h), ORS 660.137 (6), ORS 660.142 & OAR 839-011-140 (2f))
5. The sponsor must re-determine the average journey-level wage at least annually and submit the new average journey wage to the Director of the Apprenticeship and Training Division with a statement explaining how such determination was made and the effective date of the new average journey wage. (See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **January 1, 2011** is \$ **30.15** per **hour** .

Period	Minimum required OJT hours prior to Period	Classes Successfully Completed Prior to Period	% of journey level rate

1. Local committee rules or policies and any employment requirement such as driver's license, drug test etc. will be located in this section.
2. The committee may include provisions for committee-imposed "disciplinary probation," which is a time assessed when the apprentice's progress is not satisfactory; a "disciplinary probation" may only be used to provide an opportunity for the apprentice to correct deficiencies and cannot affect the apprentice's appeal rights after the initial probation is completed. (See ORS 660.137 (4))
3. During disciplinary probation the committee may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take other disciplinary action. (See ORS 660.137 (4))
