## APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

*Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.*

### I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Klamath and Lake counties in the State of Oregon.

### II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Age: At least 18 years of age  
 Education: High School Diploma or GED Certificate  
 Physical: No Special Physical requirements  
 Testing: No Testing Requirement  
 Other: Must provide proof of minimum requirements

### III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

#### **THE SPONSOR HEREBY ADOPTS:**

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

#### A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. The sponsor will periodically review its projected need for new apprentices and may increase the number of individuals in its ranked pool of eligibles accordingly, provided it follows the required procedures to open for applications.
3. Public notice shall be disseminated in accordance with the sponsor's Affirmative Action plan for a period of not less than thirty (30) days in advance of the earliest date for accepting applications. Notice of opening shall be provided to the registration agency (BOLI/ATD).
4. The JATC/sponsor shall be open for at least a two week period (ten working days) for accepting applications.
5. The minimum qualifications, time and dates for accepting applications, address(es) where applications are available and general duties of the occupation will be included on the public notice.
6. Applications shall be provided to any interested individual.
7. Applicants shall sign the "Applicant Log" which shall identify all applicants by a log number that corresponds to the application number and records at least each applicant's age, gender, race, education level, and means of learning about the program opening for

applications.

8. Applicants who do not meet minimum qualifications established in the public notification and standards will be notified in writing.
9. Qualified Pool of Eligibles:  
Individuals who complete the application and meet the minimum qualifications shall be placed in the "Qualified Pool of Eligibles", scheduled for orientation and ranked. Individuals who do not appear for the scheduled orientation and ranking will be dropped from the pool of eligibles.
10. Ranked Pool:  
Applicants who complete the orientation will be ranked based upon the attached point system utilizing documented previous experience and education.
11. Accepted for Apprenticeship List:  
The sponsor will establish a maximum number of five (5) and a minimum number of one (1) individual(s) to be placed on the accepted for apprenticeship list in descending order of rank.
12. When the number of individuals in the "accepted for apprenticeship pool" falls to ONE (1) (including unemployed apprentices), the JATC/sponsor shall contact the next four (4) individuals in the "Ranked Pool of Eligibles" and notify them that they have been placed in the accepted for apprenticeship pool, and dispatching shall be done in descending order of rank.
13. Individuals who are placed on the accepted for apprenticeship list will retain their position until registered or until their two year anniversary of application.
14. All applicants will be traced to final disposition.
15. When individuals have been accepted for apprenticeship, they will be given an "Employer Selection" document. The document must be completed and signed by the employer, then returned to the JATC/sponsor. The applicant will then sign and date the apprenticeship registration.
16. Individuals who are accepted for apprenticeship, but are not hired through the Employer Selection Process, will retain their place on the accepted for apprenticeship list and be dispatched to employers requesting apprentices.
17. When an employer has hired ONE (1) apprentice through the Employer Selection Process the SECOND apprentice MUST be hired from the TOP of the Accepted for Apprenticeship List. The employer can select the THIRD apprentice through the Employer Selection Process, the FOURTH from the TOP of the Accepted for Apprenticeship List, and so on in an alternating fashion.
18. Registering the Apprentice:  
The sponsor will complete the apprenticeship registration agreement and submit it to the registration agency (BOLI/ATD) within 90 days of the Agreement date.

#### EXCEPTIONS:

##### 2. EXPERIENCED APPRENTICE

Experienced apprentices who have documented at least 1,000 hours of experience and 72 hours of related training in a registered plumbing apprenticeship program within the previous five (5) years shall be permitted to return to the program and pick up their training where they left off instead of re-entering as a beginning apprentice. Regardless of their place on the applicant list, provided they meet the current minimum qualifications, such experienced apprentices shall be admitted into the apprenticeship program, as far as practical, after all unemployed apprentices have returned to work.

##### 3. NEW TRAINING AGENT

If any employer has not participated in the training of an apprentice under ORS Chapter 660 for at least two (2) years prior to seeking entry or reentry into the apprenticeship program, that employer may select his/her initial apprentices without going to the pool. Those bona fide employees have been on his/her payroll for at least three (3) months prior to the employer's application for an apprentice and who meet the minimum qualifications for entry into the trade or craft may be brought into the program. Once the initial selection of apprentices has been made, the employer is thereafter restricted to the Accepted for Apprenticeship List.

5. PRE-APPRENTICESHIP

Individuals who have completed Job Corps or other similar committee- and OSATC-approved pre-apprenticeship programs shall be admitted into the apprenticeship program, as far as practical, after all unemployed apprentices have returned to work.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

5.

Dissemination of information concerning the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship application, and the equal opportunity policy of the sponsor. For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. The sponsor will seek out and support programs to prepare and encourage women to enter

traditionally male occupations.

6: ESTABLISH AND USE PRE-APPRENTICESHIP PROGRAMS

Encourage the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or to prepare candidates for apprenticeship. Include journey level workers in the implementation of the affirmative action plan.

8: GRANT ADVANCED STANDING OR CREDIT EQUALLY FOR ALL APPLICANTS

Grant advanced standing or credit on the basis of previously acquired experience, training skills, or aptitude for all applicants equally.

10: PREVENT ILLEGAL DISCRIMINATION

Take other appropriate action to ensure that the recruitment, selection, employment, and training of apprentices during apprenticeship shall be without illegal discrimination because of race, color, religion, national origin, disability, age, or sex; such as, general publication of apprenticeship opportunities and advantages in advertisements, industry reports, articles, etc.; use of present minority and female apprentices and journeypersons as recruiters; career counseling; periodic auditing of affirmative action programs and activities; and development of reasonable procedures between the sponsor and employers of apprentices to ensure that equal employment opportunity is being granted including reporting systems, on-site reviews, briefing sessions, etc.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:

#### V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))

3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The ratio of apprentices to journey-level worker shall not be more than one (1) apprentice to the first one (1) journey-level worker in full employment on the job and in the shop .

Additional apprentices are authorized at a ratio of one (1) apprentice for each additional three (3) journey-level worker(s). (See ORS 660.126 (f))

VII. APPRENTICE WAGES and WAGE PROGRESSION:

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))
