APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Crook, Deschutes, Grant and Jefferson counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

- Age: Applicant must be eighteen (18) years of age.
- Education: a. Applicant shall be a high school graduate or have successfully passed a GED.
b. Must have completed one year of high school algebra, integrated math 2, or equivalent post-high school algebra course(s) with a grade of C or better, or submit equivalent math placement test scores.

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. Application Notice and Schedule
 - a. The committee will establish a reasonable period of at least 30 calendar days for accepting applications for admission to the apprenticeship program.
 - b. Public notice of at least 30 days will be given in advance of the earliest date for applications. The notice will establish opening and closing dates and the date the ranked pool will be established, list the minimum qualifications for the program and the last day to submit supporting documentation. It will provide a general description and duties of the occupation and the geographical area covered. The notice will include the method for

- obtaining an application packet, that being by mail, fax or e-mail.
- c. Application information will be disseminated according to the committee's affirmative action plan.
3. Application Process
 - a. Applicants for the program must submit a request for an application packet in writing by U.S.-mail, fax, or e-mail. The request must clearly specify full name, address, and phone number. Note: A phone request for an application packet is unacceptable and will not receive a response.
 - b. An application packet may be requested at any time but will be mailed only during the open enrollment period specified in the committee's public notice.
 - c. When an application is provided to an individual, an electronic log will be maintained detailing to whom the application was provided, the manner by which it was provided (U.S.-Mail, fax or other electronic means). Such log shall track the applicant's ethnicity, gender, the date the application was mailed, the date it was returned to the committee, the date minimum qualification documentation was received and final disposition of each application. All applicants shall be identified by a log number, which shall correspond to the application number.
 - d. All applications must be returned by mail to the location noted in the opening announcement, on or before the specified deadline. Applications will be date stamped when received.
 - e. Documentation supporting minimum qualifications and the application point system must be submitted by mail to the address noted in the opening announcement, on or before the specified deadline. Documentation will be date stamped when received.
 4. Verification of Minimum Qualifications:
All applications and supporting documentation will be reviewed for minimum qualifications.
 5. Non-qualified Applicants:
Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool and any appeal rights available to the applicant.
 6. Pool of Eligibles:
 - a. Qualifying applications will be scored and ranked based on the point system detailed on the attached list. These individuals will then be placed in a pool of eligibles in rank order and retained on the list for a period of 2 years.
 - b. Individuals may be removed from the pool at an earlier date by their request or following their failure to respond to an apprentice job assignment in accordance with the committee's initial employment policy.
 - c. It shall be the responsibility of those individuals listed in the ranked pool of eligibles to keep the committee administrator informed of his/her current mailing address, telephone number and or message number.
 - d. Applicants shall be placed in employment according to the committee's initial employment policy.
 - e. Applicants removed from the ranked pool of eligibles will be notified by registered return receipt mail as to the action taken including the reason(s) and any appeal rights.
 - f. Upon written request, the committee will restore to the ranked pool of eligibles an applicant who has been removed from the pool at his/her request, provided the individual had not previously been removed and returned to the pool. Restoration shall be accomplished by placement on the bottom of the ranked pool of eligibles.
 - g. Upon written request, the committee will restore to the ranked pool of eligibles an applicant who has been removed for failure to respond to an employment opportunity,

provided the individual had not previously been removed and returned to the pool. Restoration shall be accomplished by placement on the bottom of the ranked pool of eligibles.

- h. After the sponsor has exhausted their list of ranked applicants, or when it is deemed necessary, they may re-open the list and or start a new selection process. If a new list is established prior to the expiration of the two-(2) year eligibility period, eligible applicants from the existing list shall be slotted into the new list without the necessity of reapplying. All applicant eligibility shall expire, regardless of any other condition, 2 years after being placed on a list.

EXCEPTIONS:

2. EXPERIENCED APPRENTICE

Experienced apprentices who gained their experience and completed their probation period in an equivalent registered federal or state program, during the preceding 4 years, shall be permitted to enter this program, providing they meet the current minimum qualifications and have not been terminated from an apprenticeship program for cause. Applicants will be placed at the bottom of the out of work list.

3. NEW TRAINING AGENT

If an employer has not participated in the training of an apprentice under ORS Chapter 660 for at least two years prior to seeking entry or re-entry into the apprenticeship program, the employer may select as his/her initial apprentices, without going to the pool, those bona fide employees who have been on his/her payroll for at least 345 hours prior to the employer's application for an apprentice and who meet the minimum qualifications for entry into the trade or craft. Once the initial selection of apprentices has been made, the employer is thereafter restricted to a selection from applicants in the pool of eligibles established by the sponsor which has jurisdiction in this area.

5. PRE-APPRENTICESHIP

The sponsor will approve the direct referral into apprenticeship openings of graduates successfully completing a State of Oregon, Bureau of Labor and Industries or US Department of Labor or other approved pre-apprenticeship programs pre-approved by this committee and the Apprenticeship and Training Council. This priority is granted by the program sponsor without regard to established eligibility lists or the necessity of requiring these pre-apprenticeship graduates to further qualify through written apprenticeship tests or application openings. Such priority is granted without regard to race, color religion, national origin or gender. The applicant shall be placed at the bottom of the apprentice out-of-work pool

10. SMALL EMPLOYER EXCEPTION-FAMILY MEMBER:

- a) Provided that the use of this exception will not result in an adverse impact on apprenticeship opportunities based on an individual's protected class status, a family member, as defined below, who meets the minimum requirements for entry into the apprenticeship program, may be directly indentured by the committee and placed with a family business as defined herein, subject to the consent of the applicant, so long as the addition of the apprentice would result in no more than three individuals being employed by the training agent in the occupation (Employed as applied in this exception is understood to mean all individuals working in the occupation). Training agents using this exception may not employ more than one apprentice at any time.

1. "Family business" means a business owned in whole or in part by a parent or grandparent of the applicant and has been in business under the same owners for at least five years.
2. "Family member" means the son, daughter, grandchild, or spouse of the family business owner and does not include minor children placed in the care of foster care parents certified by the Department of Human Services

12. VETERAN'S ENTRY

- b) Members of the Selected Reserve or Individual Ready Reserve with a DD214 issued within the past 24 months; or
- c) Members of the Oregon National Guard with a DD214 issued within the past 24 months.

Individuals qualifying under this exception will be scored and placed at the top of the Ranked Pool of Eligibles

Note: Utilization of the exceptions listed above requires the applicant and training agent, or its representative, to be present at the committee meeting when the indenture is recorded.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

5.

1: DISSEMINATE INFORMATION

For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such

information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

2: PARTICIPATE IN ANNUAL WORKSHOPS

Participate in annual workshops to familiarize educators, career counselors, employment service representatives, and other appropriate personnel with apprenticeship in general as well as current opportunities

4: INTERNAL COMMUNICATION

Communicate the equal opportunity policy in a manner to foster understanding, acceptance and support among the committee's members, training agents, and apprentices and to encourage those people to take the action necessary to meet the committee's affirmative action commitments.

5: OUTREACH

Engage in outreach programs for the positive recruitment and preparation of potential applicants for apprenticeship. The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
 - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program
 - b. The equal employment opportunity plan has not been followed; or

NOTE: In licensed occupations the apprentice must complete the minimum hours of documented legal experience.

The term of apprenticeship shall be 6,000 hours of employment.

V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The ratio of apprentices to journey-level worker shall not be more than one (1) apprentice to the first one (1) journey-level worker on the job in order to assure adequate training and supervision . Additional apprentices are authorized at a ratio of one (1) apprentice for each additional one (1) journey-level worker(s). (See ORS 660.126 (f))

VII. APPRENTICE WAGES and WAGE PROGRESSION:

5. The sponsor must re-determine the average journey-level wage at least annually and submit the new average journey wage to the Director of the Apprenticeship and Training Division with a statement explaining how such determination was made and the effective date of the new average journey wage. (See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **January 1, 2009** is \$ **24.71** per **hour** .

Period	Number of required hours	% of the journey level rate
1st	1,000	55
2nd	1,000	60

When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice's knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process.
