

ACCEPTED FREE OF CHARGE

Agencies that generate e-Waste are responsible for accurately disclosing the functionality of items sent to the Property Distribution Center. If we find items that are not functional, but are documented as working, we will bill at the regular e-Waste fee. In order to recover processing costs to the Surplus Program, we may charge additional handling fees if items sent by an agency are sold and Surplus must facilitate return of the item from a customer

SUBJECT TO .28/LB FEE
