BEFORE

Statewide Accounting & Reporting Services

The Statewide Accounting and Reporting Services (SARS) unit of SCD provides leadership and guidance to agencies in accounting and financial reporting. SARS implements new accounting standards at the statewide level. They interpret accounting principles and set statewide policy and guidelines through the Oregon Accounting manual. They provide consultation and training to agency fiscal staff on accounting and financial reporting standards.

The team compiles and publishes the State's audited Comprehensive Annual Financial Report. SARS manages the SCD Datamart, which offers ad hoc reporting to agencies using financial, budgetary and payroll data. They also coordinate federally mandated reporting and provide guidance to agencies on various federal compliance issues. In addition, SARS administers the State's financial systems security as well as the statewide travel card program and travel policy.
