

◆ **WARNING TO EMPLOYERS** ◆

The final premium audit billing for your workers' compensation premium is still due and payable during negotiations.

The *final premium audit billing* for workers' compensation premium sent to you by your workers' compensation insurance company is due and payable even if you are in the process of negotiating with the insurer. If it is not paid, your coverage may be cancelled for nonpayment ***unless*** you have appealed your billing to the Oregon Insurance Division and ***requested and received a stay of collection.***

Don't be caught without coverage!
