

*Free* **Billing OMAP**  
**Workshops & Vendor Fairs**  
**2005-06**

**WORKSHOPS:** OMAP is offering FREE Medicaid billing workshops in five regions around the state November through January. The sessions are designed to help you bill OMAP correctly the first time and to assist you in preventing common billing errors.

*We encourage both new and experienced Oregon Health Plan (OHP) **fee-for-service billers** to participate.*

Advance registration is required using the attached form. All sessions are **free** and run from 9 a.m. to 4 p.m. You will need to make your own lunch arrangements.

***Learn how to:***

- Complete paper claim forms—CMS 1500, OMAP 505 & OMAP 1036
  - Verify client eligibility
- Identify common paper & electronic billing errors
  - Bill electronically in the 837 format

**VENDOR FAIRS:** Two workshop locations, Pendleton and Newport, will also give you a chance to mingle with vendors offering electronic billing solutions. They will be able to tell you about their HIPAA-compliant software, clearinghouses, or billing services. If electronic data interchange (EDI) is new to you, this is your opportunity to have your questions answered. Vendors will be there all day.

***Come for the vendor fair or workshop or both.***  
***It's all free!***
