Subject: Invitation to Hearing on Next Biennial Energy Plan

The Oregon Department of Energy issues an energy plan every two years, pursuant to ORS 469.060 and 469.070. As part of that plan we forecast energy trends. We will hold a hearing to solicit your advice on our next energy plan and forecast. The hearing will be on Monday, June 30 at 2 pm at our office at 625 Marion Street NE, in Salem. The format of this hearing is informal; your written and oral comments, questions and suggestions are all welcome.

If you cannot attend the hearing but wish to provide recommendations for the energy plan, written comments can be sent to the Department of Energy by August 1, 2008. Please address written comments to Kathy Stuttaford. Her phone is (503) 378-4128. Her email is [kathy.d.stuttaford@state.or.us](mailto:kathy.d.stuttaford@state.or.us). Our fax number is (503) 373-7806.

Copies of our current plan are available on our website at [www.Oregon.gov/ENERGY/](http://www.Oregon.gov/ENERGY/). Or you can contact Kathy Stuttaford for a hard copy.

Thank you for your interest. Please call Kathy or me if you need more information. My number is (503) 378-5489.
