APPLICATION FOR EMBALMER APPRENTICESHIP CERTIFICATE

As part of your application for an initial or renewed occupational or professional license, certification, or registration issued by the State of Oregon Mortuary and Cemetery Board (OMCB), it is mandatory that you provide your Social Security Number (SS #). This record of your SS # will be used for child support enforcement and tax administration purposes (including identification) only, unless you authorize other uses of the number. Although a number other than your SS # appears on the face of the licenses, certificates, or registrations issued by OMCB, your SS # will remain on file with OMCB.

Embalmer

It is strictly prohibited by Oregon Statute to practice as an embalmer until you are fully licensed or certificated as an embalmer apprentice. Only a licensed embalmer or certificated embalmer apprentice shall: (a) Provide the necessary handling and preparation of human remains, e.g. washing, disinfecting, setting features, embalming and supervising dressing; and, (b) Perform the required sanitizing of the preparation room, including but not limited to, embalming tables, work surfaces, sinks, floors, instruments, and handling and properly disposing of contaminated waste.

An embalmer apprentice may serve the apprenticeship concurrently with the funeral service practitioner apprenticeship. The 30 hour time requirement remains the same whether you serve one apprenticeship or a combined apprenticeship.

In order to qualify for an embalmer's license, you must pass either the Oregon State Embalmer's Examination or the National Board Examination administered by the International Conference of Funeral Service Examining Boards Inc (ICFSEB). Currently, all states except California accept the results of a successful National Board Examination. For more information, please contact ICFSEB or the Oregon Mortuary and Cemetery Board.

You may not take the embalmer exam unless you are a qualified applicant for an embalmer's license. In order to qualify for the Oregon State Embalmer exam, you must submit evidence of graduation from a funeral service education program accredited by The American Board of Funeral Service Education to the Oregon Mortuary and Cemetery Board's office, prior to applying for this exam.

ICFSEB will now be administering the Oregon State Embalmer Examination via a computer-based exam. The examination will not be given at the Board's office; it will be available at Pearson Professional Centers to eligible candidates. Registration for either exam is available from the Board's website or office upon request.
