## Issue Paper

### ◆ Staff analysis of rule

- Land Exchanges vs. Land Acquisitions
- Continuous improvement opportunities (rule language)
- Appeal process

Page 3

## Recommendation

- ◆ Defer rule revision until results of other policy discussions surrounding alternatives for acquiring land are known.
- ◆ State Forests Program plans on:
  - Finalizing internal draft policy and procedures
  - Proceeding with updating district long-range plans
  - Proceeding with high priority land transaction opportunities

## Discussion

- ◆ Do you have any questions about the analysis staff completed?
  
- ◆ Are there additional aspects related to the land transaction processes the Board would like program staff to explore?
