

*Agenda Item 2A –
Intermediate Board Issue 6*

- o 6. Improve NW and SW Forest Management Plans to achieve desired outcomes

- o Today, April/June 2010

Today

Purpose: Introduce proposed changes to the Northwest and Southwest Forest Management Plans (FMP), and, if approved, begin the rule-making process.

○ ○ ○ |

1) Replace language associated with habitat conservation plan

○ ○ ○ |

2) Reflect a range of 30-50% complex structure

Recommendation

- o The Board is providing its preliminary approval of the draft revised Northwest and Southwest Forest Management Plans and, therefore, directs the State Forester to proceed to rule making in accordance with the Administrative Procedures Act.
