**RULE SUMMARY**

OAR 735-020-0075 describes requirements for the transfer, release or assignment of ownership interest in a vehicle. This includes the duties and responsibilities of persons who transfer interest in a vehicle (typically, but not always the seller) and those who receive interest (typically, but not always the buyer). The rule also explains how interest may be transferred by an operation of law, for example, when interest is transferred by court order, upon death, divorce, repossession, lien foreclosure, etc. Finally, the rule defines terms, specifies the documents required to release or assign interest and establishes timelines to submit relevant documents and information to DMV.
