RULE SUMMARY

DMV has adopted OAR 735-032-0036 to set forth the requirements for the display of registration stickers. ORS 803.560 specifies that a person commits the offense of improper display of validating registration stickers if the person owns or drives a vehicle that doesn't display stickers in a manner required by the Department of Transportation. Display requirements are provided with new registration plates and with registration stickers at the time of initial registration (with new license plates), at registration renewal and when replacement stickers are issued. DMV is clarifying these requirements in rule.
