OR 38: Elk Creek to Hardscrabble Creek

Oregon Department of
Transportation

We need your feedback! Tell us what you think about the proposed construction options for the east Elk Creek Tunnel bridge. Please return this card **postmarked no later than April 27, 2006** (or take the on-line survey at www.oregon.gov/ODOT/HWY/REGION3/ElkCreek.shtml before April 30, 2006). For each option, circle the number that best describes your opinion and explain why below.

	Not Acceptable		Neutral		Acceptable
<i>Option A - Complete road closure at Elk Creek Tunnel for 21-25 days occurring sometime in July or August.*</i>	1	2	3	4	5
<i>Option B - Single lane open, alternating one-way traffic for 6 months May-Oct. (average delay of 20 minutes at signal during peak times).*</i>	1	2	3	4	5

* Construction to take place in 2008 or 2009.
