Bid Let - September 2008  
Construction – Winter/spring 2009
- ✓ **Cost Estimate: \$1,600,000**

### **KEY CONTACT PERSON**

**Bill Jablonski, Project Leader 503-325-7222**  
[william.r.jablonski@odot.state.or.us](mailto:william.r.jablonski@odot.state.or.us)

### **PROJECT PURPOSE AND NEED**

Aging equipment (circa 1971) becoming more difficult & expensive to maintain and operate. Parts for repairs are hard to find and require out of state purchase at salvage lots. Continuous system failures require higher than normal maintenance activity with harder to find replacement parts. Out of operation time extended due to technical assistance traveling from Salem to Astoria and parts requiring out of state shipping.

### **CONSTRUCTION OVERVIEW**

Replace signals, poles, cabinets, and conduits at the following locations:

- 14th/Marine Dr.(2 poles);
- 14th/Commercial St. (1 pole);
- 12th/Commercial St. (1 pole);
- 11th/Marine Dr. (2 poles);
- 11th/Commercial St. (1 pole);
- 9th/Marine Dr. (2 poles);
- 9th/Commercial St. (1 pole);
- 8th/Commercial St. (1 pole);
- 11th/Duane (2 poles);
- Portway/ W. Marine Dr. (2 poles).

All poles are within City of Astoria.
