

SECTION 00503 - BRIDGE DECK COLD PLANE PAVEMENT REMOVAL

(Follow all instructions. If there are no instructions above a subsection, paragraph, sentence, or bullet, then include them in the project but make necessary modifications to only include project specific specifications. Delete specifications that do not apply to the project.)

Comply with Section 00503 of the Standard Specifications modified as follows:

~~*(Use the following subsection .42 when materials are to be recycled. List stockpile sites.)*~~

00503.42 Disposal of Materials - Replace this subsection, except for the subsection number and title, with the following:

Dispose of all materials according to 00290.20.

~~*(Use the following paragraph and bullet when materials are to be recycled. List stockpile sites.)*~~

~~Add the following paragraph at the end of this subsection:~~

When existing pavement is to be removed in more than one thickness or lift and the material is to be recycled into asphalt concrete mixture, either on this Project or a future project, place the material from each thickness or lift in separate stockpiles at the following sites:

-

~~*(Use the following lead-in subsection .80 when bridge decks are resurfaced under Section 00558 or 00559.)*~~

00503.80 Measurement - Add the following paragraph at the end of this subsection:

~~*(Use one of the following paragraphs when bridge decks are resurfaced under Section 00558 or 00559. Delete the paragraph that does not apply.)*~~

~~*[Use this paragraph when bridge decks are resurfaced under Section 0058800558.]*~~

No separate measurement will be made for removing asphalt concrete surfacing from bridge decks for the preparation of latex modified concrete resurfacing.

~~*[Use this paragraph when bridge decks are resurfaced under Section 0058900559.]*~~

No separate measurement will be made for removing asphalt concrete surfacing from bridge decks for the preparation of microsilica concrete resurfacing.

(Use the following lead-in subsection .90 when bridge decks are resurfaced under Section 00558 or 00559.)

00503.90 Payment - Add the following paragraph to the end of this subsection:

(Use one of the following paragraphs when bridge decks are resurfaced under Section 00558 or 00559. Delete the paragraph that does not apply.)

[Use this paragraph when bridge decks are resurfaced under Section ~~00588~~00558.]

No separate or additional payment for removing asphalt concrete surfacing from bridge decks for the preparation for resurfacing latex modified concrete resurfacing. This work will be included in the latex modified concrete resurfacing work.

[Use this paragraph when bridge decks are resurfaced under Section ~~00589~~00559.]

No separate or additional payment for removing asphalt concrete surfacing from bridge decks for the preparation for resurfacing microsilica concrete resurfacing. This work will be included in the microsilica concrete resurfacing work.
