OREGON'S NEW BOOSTER SEAT LAW

Children over 40 pounds must be securely buckled in a booster seat until age 8, or until they are 4'9" tall.

Until you can answer **YES** to all of these questions, your child should stay in a booster seat.

Simple 5-Step Test:

- 1) Without a booster seat, does the child sit all the way back against the vehicle seat?**
- 2) Do the child's knees bend comfortably at the edge of the vehicle seat?**
- 3) Does the belt cross the shoulder between the neck and arm?**
- 4) Is the lap belt as low as possible, touching the thighs?**
- 5) Can the child stay comfortably seated like this for the whole trip?**

For more information, or for assistance with selection and installation, call the Child Safety Seat Resource Center at **503-643-5620** or **1-800-772-1315**, or visit www.childsafetyseat.org.
