## ANTIOCH CEMETERY HISTORY

Thanks to everyone who sent us information regarding the history of our cemetery, we are still looking for copies of old obituaries and photos. Please contact **Judi Boyd**, **830-4825**, if you have items we may copy for our records. We have submitted a Freedom of Information Request for records held by the Federal Government while the cemetery was used for military training during the days of "Camp White" and await their reply.

## HEADSTONE CLEANING & REPAIR

We have learned of a scheduled workshop on basic marker cleaning and repair to be held Saturday, June 28 at the Jacksonville Cemetery. The workshop will begin at 9 AM and is being put on by Dirk Siedlecki, of the Oregon Historic Cemeteries Commission. Many of our older headstones are in need of repair, and cleaning (sometimes due to vandalism) and it would be great if we could obtain some basic information on techniques. We need your help, so if you are interested in attending this workshop in Jacksonville and/or would like to help with the headstones at Antioch Cemetery, contact **Judi Boyd** - **830-4825**. Look for some information on cleaning markers at [www.oregonheritage.org](http://www.oregonheritage.org) under "Heritage Bulletin 3 - How to Clean Cemetery Markers - July 2007" or contact Judi Boyd for a copy. Thanks!
