2019 Regular Session Bills

There were 2 bills that had a fiscal impact on the budget of the Board. The budget bill, **SB 5528 EN** allocated \$8,781,722 and **HB 5050** which appropriates moneys from the general fund to the emergency board for allocations during biennium and adjusted the budget for the State Board of Parole and Post-Prison Supervision by a reduction in general funds by -\$101,621 plus other funds of \$11,682 for a final budget of **\$8,691,783**.

There were 3 policy bills that do not have a direct fiscal impact on the Board:

1. **SB 1008** - Requires court to include in judgment document age of defendant at time of committing offense if defendant is sentenced to term of incarceration and physical custody of defendant is related to age of defendant at time of committing offense. Provides that a juvenile offender who committed an offense before age 18 and is serving a sentence of imprisonment is eligible for a hearing in front of the State Board of Parole and Post-Prison Supervision (Board) for release on parole or post-prison supervision after 15 years of imprisonment. Allows Board to require the juvenile offender to be examined by a psychiatrist or psychologist. Requires Board to consider and give substantial weight to the fact that a person under 18 years of age is incapable of the same reasoning and impulse control as an adult, the diminished culpability of minors, and a series of delineated mitigating circumstances that cannot be considered as aggravating circumstances. Provides a series of factors for Board to consider when determining whether to release a juvenile offender at the release hearing. Prohibits Board from considering age as an aggravating factor. Provides process for release and supervision.
2. **HB 2045 EN** - Extends deadline by which State Board of Parole and Post-Prison Supervision must perform risk assessment and classification on existing sex offender registrants to December 1, 2026. Updates sex offender registration requirements and deadlines. Amends current deadline for classification of existing sex offender registrants by the State Board of Parole and Post-Prison Supervision (Board) to December 1, 2026. Removes February 1, 2023, deadline for the Oregon State Police (OSP) to enter classifications of existing registrants into the Law Enforcement Data System and instead requires OSP enter the information within a reasonable time after receipt. Makes technical changes. Replaces "unclassified sex offenders" with

the statutes specifying the individuals the Board is required to assess and report on progress made to the legislature. Clarifies language relating to persons petitioning review of their sex offender risk assessment classification under ORS 163A.100. States that a petition for review must be filed within 60 days of receiving notice of the classification in person, or if by mail, the time when the notice is sent. Includes exception when good cause is shown for failure to petition within the 60-day time frame.

3. **HB 3146 EN** - Changes statutory references to "inmate" to "adult in custody."

2020 Session and Special Sessions Bills

Summary of Revenue Changes

General Fund supports over 99 percent of the Board of Parole and Post-Prison Supervision’s (Board) recommended budget. A small amount of Other Funds income results from the sale of documents and hearing tapes, as well as court-ordered fees paid to the Board. There is essentially no change in the 2019-21 forecasted Other Funds revenue from previous biennia.

Summary of Public Safety Subcommittee Action

The Board works within the criminal justice system to support a safe and just Oregon by protecting citizens’ rights and promoting positive offender change while maintaining accountability. The Board aims to achieve this through evidence-based community supervision and intervention, active partnerships in the community and criminal justice system, development of efficient policies, and respect for diversity. Partnerships with the Department of Corrections (DOC) and local supervisory authorities, as well as victim and stakeholder involvement inform the Board’s release and post-prison supervision decisions. Additionally, the Board classifies sex offenders to a notification level and determines qualifications for reclassification and relief from registration.

The Subcommittee approved a budget of \$8,793,404 total funds consisting of \$8,781,722 General Fund, \$11,682 Other Funds expenditure limitation, and 25 permanent full-time (25.00 FTE) positions. The approved budget represents a 2.9 percent decrease from the 2017-19 Legislatively Approved Budget.

Summary of Revenue Changes

The General Fund appropriations made in the bill are within resources available as projected in the May 2019 economic and revenue forecast by the Department of Administrative Services (DAS), Office of Economic Analysis, supplemented by transfers from various agency accounts to the General Fund for general governmental purposes as authorized in HB 2377, plus other actions to reduce state agency expenditures.

Summary of Capital Construction Subcommittee Action

HB 5050 appropriates General Fund to the Emergency Board for general purpose and targeted special purpose appropriations and makes other adjustments to individual agency budgets and position authority as described below.

Emergency Board

The Emergency Board allocates General Fund and provides Lottery Funds, Other Funds, and Federal Funds expenditure limitation to state agencies for unanticipated needs in approved agency budgets when the Legislature is not in session. The Subcommittee appropriated \$75 million General Fund to the Emergency Board for general purposes.

HB 5050 makes seven special purpose appropriations to the Emergency Board, totaling \$250.8 million General Fund. Agencies must make a request to the Emergency Board to access these funds. The seven special purpose appropriations are:

- \$200 million General Fund for state employee compensation changes.
- \$20 million General Fund for allocation to state agencies for compensation changes driven by collective bargaining for workers who are not state employees.

- \$5.7 million General Fund for allocation to the Oregon Health Authority to support interdisciplinary assessment teams to provide consultation, evaluation, and stabilization services to youth with behavioral health needs. This appropriation reflects one of the recommendations of the Children and Youth with Specialized Needs Workgroup and is consistent with SB 1 (2019), which provides the framework for establishing these teams.
- \$20 million General Fund for allocation to the Public Defense Services Commission for activities designed to improve indigent defense caseloads and to implement an improved public defense contract model.
- \$1 million General Fund for allocation to the Public Defense Services Commission and the Department of Corrections or both, for costs relating to prosecutions for the unauthorized use of a vehicle per HB 2328 (2019).
- \$1,146,094 General Fund for allocation to the Secretary of State for costs relating to the implementation prepaid postage on ballot return envelopes per SB 861 (2019).
- \$3 million General Fund for the implementation of grand jury recordation and SB 505 (2017).

With the beginning of the statewide roll-out of grand jury recordation, questions have arisen regarding how grand jury recordation can be delivered in the most efficient, consistent, and economical method across the state given the Legislature's funding of similar recordation services for circuit courts. To this end, the Subcommittee approved the following budget note.

Budget Note

The Judicial Department, District Attorneys, and the Association of Oregon Counties are to report to the Interim Joint Committee on Ways and Means in January of 2020 with a joint plan that provides for the most efficient, consistent, and cost effective delivery of grand jury recordation across the state, including, but not limited to, the assignment by entity of responsibility for: (a) non-attorney staff to manage recording equipment and train grand jurors on the use of recording equipment; (b) non-attorney staff to review and redact grand jury recordings; (c) production of grand jury transcripts; and (d) information technology costs for the day-to-day upkeep of the recording devices and the storage or archiving of recordings.

If these special purpose appropriations are not allocated by the Emergency Board before December 1, 2020, any remaining funds become available to the Emergency Board for general purposes.

The Subcommittee established a reservation within the general purpose Emergency Fund of \$10 million for the Department of Human Services for the Child Welfare program as the agency continues to implement its action plan to improve child safety, stabilize the workforce, and help foster families. The Department may request allocation of the reservation from the Emergency Board for efforts or initiatives not covered within the existing budget upon evidence that the additional funding will result in demonstrative improvements in Oregon's child welfare system.

A second reservation was established within the general purpose Emergency Fund of \$9 million for the Oregon Health Authority for the purpose of supporting community mental health programs. The Oregon Health Authority may request allocation of the reservation from the Emergency Board if any or all of these funds are deemed necessary to maintain the 2017-19 level of on-going community mental health program services funded by the agency.

Adjustments to Approved 2019-21 Agency Budgets

STATEWIDE ADJUSTMENTS

Statewide adjustments reflect budget changes in multiple agencies based on reductions in Department of Administrative Services' assessments and charges for services, Attorney General rates, Secretary of State assessments, and Parks assessments. Statewide adjustments also reflect net reductions to debt service realized through interest rate savings on bond sales, and Other Funds balances and interest earnings that can be applied to debt service. Total savings are \$66.2 million General Fund, \$13.7 million Lottery Funds, \$34 million Other Funds, and \$11 million Federal Funds.

Specific reductions include \$37.1 million total funds from lower Department of Administrative Services assessments and service rates; \$31.1 million total funds from PERS rate updates; \$39.8 million total funds from debt service interest rate savings and refunding of outstanding bonds; \$8.1 million total funds from lower Attorney General rates; and \$2.6 million total funds from lower Secretary of State and Parks assessments.

Section 161 of the budget bill reflects the changes, as described above, for each agency. These adjustments are included in the table at the beginning of the budget report but are not addressed in the individual agency narratives. Additionally, new Other Funds debt service expenditure limitations for multiple agencies are established to accommodate the use of fund balances for debt repayment.

Oregon Liquor Control Commission

Other Funds expenditure limitation in the amount of \$233,400 is included for the Oregon Liquor Control Commission to support a permanent, full-time internal auditor position (1.00 FTE). To address the costs of implementing HB 2983 relating to campaign finance, the Subcommittee appropriated \$336,696 General Fund to the Secretary of State's Elections Division and authorized the establishment of two new limited duration Compliance Specialist 2 positions (1.75 FTE). These positions will be used to manually accept, review, and maintain lists of filings; answer questions; conduct investigations; oversee civil penalties and case hearings; and fulfill public records requests. Over time, some of these manual processes will be able to be moved online reducing personal services costs, but potentially incurring one-time information technology expenditures. The agency can report back to the Legislature during the 2020 legislative session on progress in implementing HB 2983.

CONSUMER AND BUSINESS SERVICES

Department of Consumer and Business Services

An increase in Other Funds expenditure limitation of \$262,610 and the authorization to establish a permanent full-time position (1.00 FTE) in the Division of Financial Regulation, working on the Senior Health Insurance Benefit program, was approved by the Subcommittee. Other Funds limitation of \$10,000,000 was also established to accommodate distribution of monies from the UIRF. The UIRF will support grants to public universities and the Oregon Health and Science University to match competitive federal research awards, increasing the competitiveness of Oregon universities for federal research funds, leveraging federal grants that require matching funds, and supporting innovation and research capacity. Grants will be targeted in priority industries, such as advanced manufacturing, high technology, outdoor gear and apparel, health care innovation, food and beverage, and forestry and wood products.

Lottery Funds expenditure limitation for the Strategic Reserve Fund (SRF) was increased by \$2,000,000, bringing total ongoing Lottery Funds support for SRF to \$8,978,100, not including limitation of \$3,718,693 that was provided to expend the program's estimated beginning balance of committed project awards. The Subcommittee approved increasing Lottery Funds by \$175,350 and Other Funds by \$30,944 in the Operations Division to establish an Internal Auditor 3 position (0.88 FTE). The approved amount includes \$194,794 for personal services and \$11,500 for associated services and supplies expenditures.

The Subcommittee approved one-time Lottery Funds expenditure limitation of \$3,600,001 in the Infrastructure Division for the following projects and programs:

- \$1 for Tide Gates and Culverts Repair and Replacement Program

A lottery allocation of \$6,000,000 for the Tide Gates and Culverts Program is included in HB 5029. The Legislature or Emergency Board will increase the Lottery Funds expenditure limitation for the program after the Department presents a request that includes a proposal, developed in coordination with the Oregon Watershed Enhancement Board, for distributing grants and loans for the repair and replacement of tide gate and culvert infrastructure. The proposal should address eligible recipients, matching fund requirements, maximum awards for planning and construction grants and loans, criteria for prioritizing project requests, and necessary coordination with state, local, and federal agencies, as well as surrounding landowners or other entities, required for project implementation.

The Subcommittee approved one-time Lottery Funds expenditure limitation of \$2,125,000 for the Arts Commission to distribute the following grants:

The Subcommittee also increased Nonlimited Other Funds expenditures by \$35,000,000 for distribution of lottery bond proceeds authorized for the Special Public Works Fund (\$30 million) and the Brownfields Redevelopment Fund (\$5 million).

Other Funds expenditure limitation was increased by a total of \$3,338,294 for costs of issuing the general obligation and lottery revenue bonds authorized for the above projects. Bond proceeds are used to finance these costs.

The Subcommittee also established Other Funds debt service expenditure limitation of \$157,290 to allow the agency to apply excess proceeds and interest earnings to debt service payments in the 2019-21 biennium. An associated decrease in General Fund and Lottery Funds debt service is included in the statewide debt service adjustments table.

Finally, General Fund debt service was increased by \$4,535,118 for payments in the 2019-21 biennium on general obligation bonds authorized for the Seismic Rehabilitation Grant Program. The additional debt service supports issuing \$50.6 million of seismic rehabilitation bonds for schools and \$10.1 million of seismic rehabilitation bonds for emergency services facilities in spring 2020. The remaining seismic rehabilitation bonds, and all lottery revenue bonds authorized for projects and programs in this budget, are scheduled to be sold in spring 2021, with related debt service payments beginning in the 2021-23 biennium.

Housing and Community Services Department

The Subcommittee approved adjustments for the Housing and Community Services Department totaling \$70.1 million total funds. These changes provide for administrative expenses, capital construction investments to create new affordable housing for low income and chronically homeless Oregonians, programs funded by lottery bond proceeds, and expenditure limitation related to the passage of HB 2032. A permanent procurement manager and additional months for a limited research manager (both PEM E) positions will ensure accountability and data-driven decisions related to additional housing investments for the 2019-21 biennium. Expenditure limitation totaling \$376,763 Other Funds and 1.50 FTE in position authority are included for this purpose.

Cost of issuance amounting to \$730,000 Other Funds will allow for \$50 million in Article XI-Q Bonds to finance the construction of an estimated 500 units of permanent supportive housing. The target population for the new permanent supportive housing units will be chronically homeless individuals, including the following: formerly incarcerated people reentering the community, people with a severe and persistent mental illness or substance use disorder, and chronically homeless veterans. Expenditure limitation for administration of rental assistance payments is

included for the estimated 200 units of permanent supportive housing that are anticipated to be available to residents by the last six months of the 2019-21 biennium. Rental assistance payments are financed by a transfer of funding from the Oregon Health Authority in the amount of \$2,932,331 Other Funds. These funds also provide for 2 positions (1.17 FTE). Of the total amount budgeted, \$200,000 is for one-time costs related to procurement and enhancement of a data system to track and deliver rental assistance payments. Staffing costs totaling \$232,331 consist of a Program Analyst 3 for program setup and ongoing oversight and an administrative assistant position to process rent payments and calculate subsidy amounts. The rent subsidy payments are expected to total approximately \$999,996 Other Funds for the last six months of the biennium. Other Funds expenditure limitation in the amount of \$1.5 million will provide a rent guarantee to project investors and management companies but is recommended to be unscheduled.

Costs associated with the issuance of \$150 million in Article XI-Q Bonds for the Local Innovation and Fast Track (LIFT) housing program, which will finance the construction of an estimated 2,168 rental units for low income Oregonians, include the following: \$1,550,000 Other Funds for the cost of issuance, Other Funds expenditure limitation in the amount of \$462,839 and position authority for an additional loan officer (0.50 FTE), a low-income housing tax credit analyst (1.00 FTE), a Fiscal Analyst 3 position for debt management (0.50 FTE), and General Fund in the amount of \$11,370,998 for debt service. Debt service supports issuing \$75.8 million of bonds for the LIFT housing program in spring 2020, and early issuance of bonds for permanent supportive housing.

Other Funds expenditure limitation totaling \$15,278,750 is related to Lottery bond proceeds totaling \$15 million and is for project costs and cost of issuance. The bonds will seed a revolving loan fund that will finance the acquisition of housing properties. This is an effort to keep these properties affordable for residents at 60%-100% of area median income. There is also Other Fund expenditure limitation totaling \$25,407,658 for costs related to Lottery bonds to finance the preservation of existing affordable housing. Proceeds totaling \$25 million will be awarded to finance the preservation of 400 units of affordable housing. This can include publicly supported affordable housing, properties with federal project-based rental assistance contracts, rent subsidies, manufactured dwelling parks, and properties undergoing recapitalization.

An increase in Other Funds expenditure limitation of \$5 million and decrease in Federal Funds expenditure limitation of \$1 million are included for the agency's Housing Stabilization Program, which provides homeless assistance and is funded from Department of Human Services Temporary Assistance to Needy Families (TANF) funds. Other Funds expenditure limitation in the amount of \$10.5 million is included for a housing pilot project pursuant to HB 2032 (2019). The project will competitively award TANF funding to be used in conjunction with local shares of Emergency Housing Assistance (EHA) and other program dollars, to extend the period that families eligible for TANF can receive housing and other assistance to keep them stably housed. Successful applicants for the housing pilot program will be expected to apply federal funds prior to utilizing other funding, to ensure that TANF program funds are fully allocated for housing assistance provided through the pilot program. A limited duration Program Analyst 3 position (0.92 FTE) will design the competitive funding award and monitor program outcomes. This funding is not intended to be included in calculations used to estimate the cost of operations in future biennia.

The Low Income Rental Housing Fund program was eliminated because it was found to be redundant to the agency's Emergency Housing Assistance Program. Costs associated with two positions -- a Research Analyst 2 and a Program Analyst 4 position -- were shifted from General Fund to Other Funds. This change reduced ongoing General Fund operating expenditures by a total of \$935,504, while Other Funds expenditure limitation was increased by \$440,043 to accommodate the shift in position costs.

Oregon Department of Veterans' Affairs

The Subcommittee added Lottery Funds expenditure limitation of \$1,000,000 for a one-time grant to the YMCA of Marion and Polk Counties to construct veterans' affordable housing adjacent to the new YMCA facility in Salem. Other Funds expenditure limitation of \$4,000,000 was established for distribution of lottery bond proceeds authorized in HB 5030 for the veterans' affordable housing project and an additional \$56,603 was provided for costs of issuing the lottery revenue bonds. Bonds are scheduled to be sold in spring 2021, so no debt service payments are due in the 2019-21 biennium. Lottery Funds debt service is estimated to be \$690,005 in the 2021-23 biennium.

EDUCATION

State School Fund

The Subcommittee approved increases of \$5,101,078 General Fund and \$471,972 Other Funds, as well as a decrease of \$5,573,050 Lottery Funds for the State School Fund. This change reflects the final balance of available Lottery Funds across the entire state budget as well as the most recent forecast of Marijuana-related revenues.

Department of Education

A total of \$125,000,000 Other Funds expenditure limitation was approved for the Oregon School Capital Improvement Matching program (OSCIM). The proceeds of the sale of Article XI-P general obligation bonds are used for grants to school districts which match the grants with proceeds of locally issued bonds for the construction and improvement of school district buildings and property. The Subcommittee also approved \$1,090,000 Other Funds expenditure limitation for the issuance costs of the Article XI-P bonds.

Higher Education Coordinating Commission

Funding of \$4,184,935 total funds was included in HB 5047, the Student Success budget bill, for the 2019-21 costs of the education-related Statewide Longitudinal Data System (SLDS). That bill provided General Fund and Other Funds expenditure limitation to the Oregon Department of Education (ODE) for transfer to the Higher Education Coordinating Commission (HECC) for the staffing, data processing, and other costs of the SLDS which will be housed within HECC. These resources (expended by HECC as Other Funds) will support eight existing positions as well as the

addition of one Research Analyst position beginning in the second year of the biennium for a total of nine positions (8.50 FTE). Prior to 2017-19, the SLDS was part of the Chief Education Office which sunsets on June 30, 2019.

A General Fund appropriation of \$975,000 was approved for a one-time grant to Treasure Valley Community College for a portion of the construction costs of a new Career and Technical Center. In 2009, the Legislature approved Article XI-G bonds for the original proposal for this project which was reauthorized in 2013 when the scope of the project was changed to expand and improve an existing building. In 2017, the project was again reauthorized. Later in that year, the federal Economic Development Administration awarded the Community College a grant which is being used as a portion of the required match. This \$975,000 grant will be used to make up the difference between the current cost of the project and the previously estimated amount.

The Subcommittee approved transferring the responsibilities of the Criminal Justice Policy Research Institute's Law Enforcement Contacts Policy & Data Review Committee from Portland State University to the Criminal Justice Commission, thereby consolidating both quantitative and qualitative data collection on traffic and pedestrian stops in one state agency. This action reduced the HECC budget for Public University Statewide Programs by \$276,581 General Fund.

Total funding of \$245,362 (\$122,866 General Fund, \$27,030 Other Funds, and \$95,466 Federal Funds) was approved for a permanent Operations and Policy Analyst 4 position (1.00 FTE) to serve as HECC's Chief Culture, Diversity, and Inclusion Officer and will produce the Affirmative Action Plan, develop diversity and inclusion policies and trainings, analyze policies and procedures to ensure their contribution to the HECC's diversity goals, and review and make recommendations to assist HECC in implementing the Equity Lens within the education and workforce programs.

The Subcommittee approved Other Funds expenditure limitation of \$2,194,431 for the costs of issuance of bonds authorized in HB 5005 (Article XI-G and XI-Q bonds) and in HB 5030 (Lottery Bonds) for public universities and community colleges. Capital construction limitation for new capital projects is provided in HB 5006 and project descriptions are included in HB 5005.

The Subcommittee approved \$2,000,000 General Fund for the Oregon State University (OSU) Extension Service to build fire resilience and resistance by expanding the OSU Forestry Extension pilot fire program into a statewide effort. OSU Forestry and Natural Resources Extension and the College of Forestry will build fire resilience and resistance on lands at risk of catastrophic wildfire by forming cross-boundary partnerships and agreements, delivering landowner education and outreach, producing wildfire risk mitigation plans, assisting private landowners in developing land management plans, and implementing risk mitigation projects to reduce fuels. Regional Wildfire Extension Specialists will be added in six key regions of the state.

The Subcommittee also approved increasing General Fund support for the OSU Agricultural Experiment Station by \$2,270,000 and the OSU Extension Service by \$410,000 for an integrated river basin water quality and quantity program. Funding supports positions in the Agricultural Experiment Station (4.50 FTE) and Agricultural Extension Service (1.30 FTE) that will provide the expertise and capacity for systematic, coordinated regional research and education programs focused on helping to solve Oregon's growing ground and surface water management

challenges. Programs will address increasing water conservation, storage, and instream flows; integrating water and fertilizer management; and increasing irrigation efficiency.

A General Fund appropriation of \$375,000 was approved for two organic agriculture faculty positions in the OSU Extension Service to support the Organic Farming Program at the OSU College of Agricultural Sciences. One position will be located at the OSU Corvallis campus to cover the mid and southern valley regions. The second position will be located at the North Willamette Research and Extension Center and will support crops, growers, and consumers in the north valley and metro regions. Funding is approved to support position costs beginning January 1, 2020, or 18 months of the 2019-21 biennium. The Subcommittee also approved a one-time General Fund appropriation of \$125,000 to continue funding in the Agricultural Experiment Station for the Berry Initiative. The approved amount supports a berry research position at the OSU North Willamette Research and Extension Center.

The Subcommittee approved a one-time General Fund appropriation of \$450,000 for the Oregon Institute of Technology (OIT) to support the Oregon Manufacturing Innovation Center (OMIC) Research & Development (R&D) to begin research with equipment at the Rapid Toolmaking Center for Excellence. A one-time General Fund appropriation of \$300,000 was also approved for OIT system integration funds to develop additive manufacturing and prototyping training capability for students at the Klamath Falls campus.

General Fund debt service was increased by \$955,149 for payments in the 2019-21 biennium on general obligation bonds authorized for distribution to OIT for the OMIC R&D Rapid Toolmaking Center for Excellence facility and research equipment. The debt service supports issuing \$6.6 million of Article XI-Q bonds for the project in October 2019. The remaining general obligation bonds approved for public university and community college projects are scheduled to be sold in spring 2021, with related debt service payments beginning in the 2021-23 biennium.

Lottery Funds support for the Sports Lottery program was increased by \$5,859,809, resulting in total Sports Lottery funding of \$14,099,809. The approved increase is allocated to the four technical and regional public universities, bringing the 2019-21 allocation for each to \$2,440,560 (or \$2,440,561, due to rounding adjustments). Allocations to the remaining universities continue at the level approved in the prior two biennia. Total funding will be distributed to the public universities in the following amounts:

- \$2,440,561 for Eastern Oregon University
- \$2,440,560 for Oregon Institute of Technology
- \$1,030,000 for Oregon State University
- \$2,277,567 for Portland State University
- \$2,440,560 for Southern Oregon University
- \$1,030,000 for University of Oregon
- \$2,440,561 for Western Oregon University

The Subcommittee also approved a reduction of \$349,000 General Fund in the Public University Statewide Programs budget for Dispute Resolution allocated to the University of Oregon's Office for Community Dispute Resolution and increased the budget for the Labor Education and Research Center at the University of Oregon by \$349,000 General Fund.

HUMAN SERVICES

Oregon Health Authority

The Subcommittee approved \$200,000 General Fund for providing fresh Oregon-grown fruits, vegetables, and cut herbs from farmers' markets and roadside stands to eligible low-income seniors under the Senior Farm Direct Nutrition Program. Also included is \$1,000,000 General Fund for the same purpose for eligible individuals through the Women, Infants and Children Program. Both program enhancements are one-time only.

HB 5050 makes General Fund and Federal Funds adjustments related to Medicaid cost containment efforts included in the agency's 2019-21 budget bill (SB 5525). The budget bill includes savings of \$6.7 million General Fund and \$25 million Federal Funds to reflect a reduced annual average growth target of 3.3% for Oregon Health Plan capitation rates. Instead of this adjustment, the Subcommittee approved restoring the annual growth target to 3.4% and replacing it with a non-caseload related General Fund savings target of \$10 million.

The Subcommittee approved a \$6 million General Fund increase for community mental health programs to help ensure, at a minimum, these programs maintain the level of services provided in 2017-19 in light of budget adjustments made in the agency's 2019-21 budget bill based on the declining caseload forecast.

Also included is Other Funds expenditure limitation of \$1.5 million, Federal Funds expenditure limitation of \$1.5 million, and two limited duration positions (1.66 FTE) to support the fiscal impact of HB 2032 (2019). This bill creates a Mental and Behavioral Health Pilot Program to award grants to up to four coordinated care organizations to assess gaps in access to Medicaid behavioral health services by Temporary Assistance for Needy Family recipients. The Other Funds revenue will be realized through a transfer of funds from the Department of Human Services.

As a technical adjustment, the bill reduces the expenditure limitation in the agency's 2019-21 budget bill for Lottery Funds revenue allocated from the Administrative Services Economic Development fund by \$2.5 million and establishes a separate expenditure limitation of \$2.5 million for Lottery Funds revenue allocated from the Veterans' Services Fund. This adjustment is necessary to ensure the transfer of Measure 96 Lottery Funds revenue from the Veterans' Services Fund is authorized to take place to support veterans' behavioral health services, as intended in the agency's budget bill.

The Subcommittee also established Other Funds debt service expenditure limitation of \$216,435 to allow the agency to apply excess proceeds and interest earnings to debt service payments in the 2019-21 biennium.

The Subcommittee established expenditure limitation of \$1.5 million Other Funds, subject to available revenue, from the Community Housing Trust Account (which must be expended in accordance with section 431, chapter 595, Oregon Laws 2009) to support facility improvements to help people with mental illness. The intent of this adjustment is to help more Aid and Assistance patients receive restorative services in the community instead of at the Oregon State Hospital.

To support the ongoing effort by the Department of Human Services to develop and implement the ONE Integrated Eligibility and Medicaid Eligibility (ONE IE & ME) system, the Subcommittee approved \$671,490 General Fund, \$11,216,676 Other Funds expenditure limitation, \$1,638,121 Federal Funds expenditure limitation, and 45 positions (34.52 FTE). Of these positions, 20 are limited duration.

The Subcommittee also approved \$1 million General Fund for competitive grants to support sobering center planning and startup costs. Support for startup costs can include funding for operational expenses during a sobering center's first five years of operations. This funding is one-time and should be phased-out in the 2021-23 budget.

Department of Human Services

The Subcommittee approved two food-related investments in the Self Sufficiency program. The first is \$1,300,000 General Fund, on a one-time basis, for the Oregon Hunger Response Fund, which sustains the 2017-19 funding level. Funding is expected to help the Oregon Food Bank, through its network of 21 regional food banks, acquire and distribute more than one hundred million pounds of food annually to approximately 1,200 food assistance sites.

The second is \$1,500,000 General Fund for the Double Up Food Bucks program, also on a one-time basis, to incentivize fruit and vegetable consumption among Supplemental Nutrition Assistance Program (SNAP) recipients. Under this program, when clients use their SNAP benefit at a farmers' market, the value of that purchase is matched dollar for dollar (up to \$10 per visit), allowing them to take home more healthy food while also providing a financial benefit to local farmers. Eligible products include a variety of fresh, dried, or frozen fruits and vegetables without added sugars, fats, oils, or salt. Mushrooms, cut herbs, dried beans, vegetable starts, and nuts are also allowed under the program.

In the Aging and People with Disabilities (APD) program, the Subcommittee added \$2,235,831 General Fund to restore a budget reduction included in HB 5026, the primary budget bill for the Department of Human Services (DHS). These dollars, which augment federal Older Americans Acts funding, will be distributed to local Area Agencies on Aging to help pay for services including home-delivered meals, support for family caregivers, and transportation to medical appointments.

Another adjustment approved by the Subcommittee for APD is a \$251,600 one-time fund shift from General Fund to Other Funds in the nursing facilities program; this change relies on a projected carryforward balance in the long-term care facility assessment. Then, the General Fund is

used, along with an increase of \$167,188 in Federal Funds expenditure limitation, to pay for two (1.76 FTE) permanent full-time Operations and Policy Analyst 3 positions; these are phased-in effective October 1, 2019. One position will promote the effective use of emergency medical services by residents of licensed long term care settings and the other position will support efforts of the quality measurement council.

For the Intellectual and Developmental Disabilities (IDD) program, the Subcommittee made a budget adjustment to account for SB 274 not moving from the Joint Committee on Ways and Means to the second chamber, due to the measure having unresolvable conflicts with an already enrolled 2019 measure (SB 20). The DHS budget bill, HB 5026, contains increases of \$268,514 General Fund, \$267,674 Federal Funds expenditure limitation, and 3 positions (2.64 FTE) to implement SB 274; these amounts are reversed.

The Subcommittee also discussed provider rate increases approved in HB 5026, the DHS 2019-21 budget bill, and how to best ensure that information on rates for adult foster homes is included in an interim report. As a result, the Subcommittee approved the following budget note:

Budget Note

Under a budget note in the budget report for HB 5026, the Department of Human Services is directed to report, by February 1, 2020, to the Interim Joint Committee on Ways and Means on the transition to new rate models for providers in the Intellectual and Developmental Disabilities program. As part of that report, the Department shall provide a status update on the development of a new rate model for adult foster homes serving people with intellectual and developmental disabilities and note any outcomes or timelines related to union negotiations, since these rates are collectively bargained.

The Subcommittee approved funding for the final development phase, implementation, and transition to Maintenance and Operations (M&O) of an integrated eligibility system, called the Integrated Eligibility (IE) project. This effort integrates enrollment and eligibility activities for several programs at the Department of Human Services (DHS) (Non-MAGI Medicaid, Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), and Employment Related Day Care (ERDC)) into the OregonONEligibility (ONE) system used by the Oregon Health Authority (OHA).

Due to schedule changes and issues with the user acceptance testing vendor, the 2019-21 cost estimate for the project has increased over the budget development timeframe; some costs also shifted between biennia. The project's current cost estimate and approved amount for the 2019-21 biennium is \$200,561,925 total funds. This budget includes state staff costs of \$20.7 million, \$94 million for contracted information technology services, \$11.2 million for payments to OHA for its project work, and \$5.8 million for debt service. Other elements addressed in the project plan include cost allocation, contingency, legacy system work, hosting services, disaster recovery, and security enhancements. The state staffing component consists of 33 positions (30.78 FTE) and primarily supports business analytics, system program support, and training activities; 17 of the positions (14.78 FTE) are limited duration for system rollout and short-term training needs.

The bulk of the project budget, at \$139.7 million or 70% of 2019-21 costs, is supported by Federal Funds; this is due to enhanced federal funding (74% federal/26% state) approved for the Design, Development, and Implementation (DDI) phase of the work, which is expected to be closed

out by January 31, 2021. Once the system transitions to M&O in the last six months of the biennium, the federal cost share decreases. General Fund supports \$16.9 million of project costs and debt service; the bulk of the state share will be covered by \$43.9 million in ending balance or new proceeds from Article XI-Q bonds. In HB 5005, the Joint Committee on Ways and Means Subcommittee on Capital Construction approved \$38,165,000 Article XI-Q bonds to finance \$37,500,000 of project costs and \$665,000 for costs of issuing the bonds.

The Joint Legislative Committee on Information Management and Technology (JLCIMT) reviewed the project on June 4, 2019, and recommended conditional approval, contingent on funding availability and subject to completion of several actions. These actions include reporting to JLCIMT during the legislative interim and the 2020 session on project status, progress, and variances to key performance metrics; and developing a mitigation plan for issues and concerns identified by the quality assurance vendor and/or the Legislative Fiscal Office. The mitigation plan is to be provided to JLCIMT no later than November 2019.

JUDICIAL BRANCH

Commission on Judicial Fitness and Disability

The Subcommittee approved an additional \$16,000 for the Commission on Judicial Fitness and Disability to pay for compensation adjustments made at the end of the 2017-19 biennium and for up to 20 hours a month of administrative support. The Commission only has a half-time Executive Director and the amount of materials necessary to provide the volunteer members of the Commission adequate information on specifics of complaints requires additional support work.

Judicial Department

The Subcommittee approved \$1,755,516 General Fund and nine positions (9.00 FTE) for the Oregon Judicial Department to support implementation of SB 24 (2019) and SB 973 (2019) related to supports and services for people with serious mental illness and substance addictions. In addition, two new circuit court judge positions (1.00 FTE) were added, one in Jackson County and one in Marion County, as well as six judicial services specialist positions (3.50 FTE) to be funded with \$1,058,624 General Fund.

Other Funds expenditure limitation of \$410,000 was approved for the cost of issuance of \$28,230,000 in Article XI-Q bonds for the Oregon Judicial Department's Supreme Court Building Renovation Project. The project is to renovate the Oregon Supreme Court building, including seismic updates, energy efficiency improvements, and various systems and safety code upgrades. Bonds will be issued in March 2021.

Additionally, funds were added to the Judicial Department's budget to continue renovating county courthouses. Specifically, \$136,695,000 Other Funds is provided for project costs and the cost of issuing bonds for projects associated with the Clackamas, Lane, and Linn County Courthouses. The budget also includes \$1,300,000 Other Funds expenditure limitation for debt service costs and \$2,000,000 General Fund for planning costs associated with replacing the Benton County Courthouse.

Public Defense Services Commission

The Subcommittee restored one position and \$305,853 Other Funds in the Public Defense Services Commission's Application Contribution Program that was reduced in the agency's 2019-21 budget bill. In addition, effective July 1, 2020, the Parent-Child Representation Program will be extended into Multnomah County with \$3.5 million General Fund and one permanent full-time Deputy General Counsel position (1.00 FTE).

The Subcommittee approved the following two budget notes for the Public Defense Services Commission:

Budget Note

The Oregon Public Defense Services Commission is directed to work with stakeholders to identify data public defense contractors should be required to submit to the Office of Public Defense Services as part of its contractual agreement. It is the Legislature's intent that OPDS, in establishing reporting requirements, obtain data that to the greatest extent possible will allow the agency to determine (1) the level and quality of services provided to each defendant, and (2) improvements in case outcomes for defendants.

Budget Note

The Oregon Public Defense Services Commission shall evaluate options for delivering indigent public defense services and adopt an approach that delivers quality public defense services. In its evaluation of public defense contract options, the Commission is directed to consider the findings of the January 2019 report by the Sixth Amendment Center entitled "The Right to Counsel". As part of its new contract model, the Commission shall require contract attorneys to provide information the Commission determines is needed to demonstrate the level and quality of services provided, and the case outcomes.

LEGISLATIVE BRANCH

Funding is provided to the Legislative Administration Committee (LAC) for the Document Publishing and Management System (DPMS) project, including Other Funds expenditure limitation in the amount of \$5,168,000 for the cost of issuing general obligation bonds and for actual project costs to be incurred during the 2019-21 biennium. In addition, \$766,117 General Fund is provided to LAC for debt service costs associated with

the DPMS project. LAC is also charged with planning for Phase II of the Capitol Accessibility, Maintenance and Safety (CAMS) Project; \$1,361,800 General Fund is appropriated for this planning effort.

NATURAL RESOURCES

Department of Agriculture

The Subcommittee approved four General Fund increases, each of them one-time only, for the Department of Agriculture (ODA) totaling \$1,200,000. First, \$200,000 General Fund was added for the predator control program, which provides pass-through money to the U.S. Department of Agriculture Wildlife Services for predator control services in partnership with the Department of Fish and Wildlife and Oregon counties. A similar one-time appropriation is provided to the Department of Fish and Wildlife. Next, \$300,000 General Fund was provided for additional funding to the Invasive Species Council, and \$100,000 General Fund was added for the collection and testing of water samples from Klamath Lake to analyze for nutrients, including phosphorous, which can lead to harmful algae bloom. Finally, \$600,000 General Fund was added for the replacement of lab equipment.

Columbia River Gorge Commission

The Subcommittee approved an increase of \$109,813 General Fund for the Columbia River Gorge Commission to finance Oregon's share of a new Vital Sign Indicators Land Use Planner position and costs related to replacement of staff laptops and desk top computers. These expenditures were included in the State of Washington's budget for the Commission but were not included in the initial Oregon budget due to revenue uncertainties at the time of passage. With this appropriation, the agency will be able to hire the additional land use planner position since the operating costs of the Commission are to be shared equally by the two states under the Interstate Compact.

Department of Energy

The Subcommittee approved a one-time General Fund appropriation of \$2 million to the Department of Energy for the solar rebate program established in HB 2618. The \$2 million will be deposited into the Rooftop Solar Incentive Fund for the issuance of rebates and to pay for implementation and administration of a solar rebate program. Of the \$2 million, \$1.5 million is available for rebates through Special Payments, with \$500,000 available for administration. The Department will hire three limited duration positions, a Program Manager 3 (0.25 FTE) and two Program Analyst 2 positions (0.50 FTE each). Additionally, the Department will utilize existing personnel to assist with program establishment, implementation, and oversight. Personal Services costs are anticipated to be \$255,258, with \$83,138 for services and supplies and \$161,604 for indirect costs associated with administering the program.

Department of Environmental Quality

The Subcommittee approved a \$250,000 one-time General Fund appropriation to provide grants to local communities for planning and implementation of smoke management plans consistent with Oregon's new smoke management rules. The Department will utilize existing staff to administer and distribute the grant funds.

A technical adjustment was approved to accurately reflect the reduction of a position eliminated in the Department's 2019-21 budget bill (HB 5017). General Fund was reduced from the Land Quality program to reflect the eliminated position; however, the position was funded across three programs, and an adjustment is made to reduce General Fund in Air Quality and Water Quality with a corresponding increase to Land Quality for a net zero impact.

The Subcommittee approved \$5,065,000 Article XI-Q bonds to finance \$5,000,000 of project costs and \$65,000 for costs of issuing the bonds. The Environmental Data Management System (EDMS) project is to develop and implement a customized off-the-shelf software solution that will replace multiple outdated and disparate information technology systems. The EDMS project will modernize and improve business processes by providing a common platform to receive and share environmental information and support e-commerce and web-based interactions. Early estimates indicate the EDMS project will cost around \$18 million to be completed. Also approved is \$834,752 General Fund for the debt service associated with the bonds, which are scheduled to be sold in May 2020.

Department of Fish and Wildlife

The Subcommittee approved a \$200,000 one-time General Fund appropriation for the predator control program, which provides pass-through money to the U.S. Department of Agriculture Wildlife Services for predator control services in partnership with the Department of Agriculture and Oregon counties. A similar one-time appropriation is provided to the Department of Agriculture.

The Subcommittee approved a \$1,352,102 Other Funds expenditure limitation to continue operations of the Leaburg Hatchery. The Department will utilize a portion of the General Fund provided in SB 5510 for steelhead production to raise some of those fish at Leaburg instead of at the Santiam Hatchery. This will allow the Santiam Hatchery to continue to produce its current level of both steelhead and spring chinook, while Leaburg will be able to produce the summer steelhead and transport them to the Santiam waterways. To properly align the Department's budget and position need for the continued operation of Leaburg, there is a reduction of \$866,091 Federal Funds limitation that was carry-forward in the budget from 2017-19, the abolishment of a full-time technician position, and the addition of a half-time senior technician position, leaving a net reduction of 0.50 FTE. Total staffing at Leaburg will be 7 positions (6.50 FTE) funded with Other Funds fishing license revenue.

Department of Forestry

A one-time General Fund appropriation of \$200,000 to the Oregon Department of Forestry was approved to purchase a tract of timber land adjacent to the Santiam State Forest for inclusion in the Santiam State Forest. Purchase of the property is intended to resolve a legal dispute between the current owner and the Department of Forestry regarding access to the roughly 160-acre parcel. Access is limited due to the condition and availability of a logging road crossing existing state forest property that requires rebuilding.

A one-time General Fund appropriation of \$1.7 million to the Oregon Department of Forestry was approved for activities related to slowing or stopping the spread of *Phytophthora ramorum*, the invasive pathogen that causes sudden oak death.

The Subcommittee approved an increase of \$52,035 in the Other Funds expenditure limitation established for the Oregon Department of Forestry to accommodate the payment of bond issuance costs related to bonds issued for the replacement of a shared facility at Toledo. An increase of \$121,559 General Fund and Other Funds expenditure limitation of \$168,904 is included for the payment of debt service on the bonds for the project.

Department of Land Conservation and Development

The Subcommittee approved a one-time General Fund appropriation in the amount of \$2,005,563 and the establishment of seven limited-duration positions (6.00 FTE) for the implementation of HB 2001 and HB 2003 by the Department of Land Conservation and Development. The funding is in addition to General Fund appropriated in HB 2001 and HB 2003 for assistance to local governments and provides for the administrative costs of the agency for implementing the provisions of the bills.

Department of Parks and Recreation

An increase in the Lottery Funds expenditure limitation of \$448,769 was approved by the Subcommittee for the Oregon Parks and Recreation Department. This increase is due to updated projections of Lottery revenues as of the May 2019 revenue forecast. This increase will provide the Department with sufficient capacity to distribute the 12% of lottery revenues allocated to the Department that are dedicated to local parks.

The Subcommittee approved the establishment of an Other Funds expenditure limitation for the Parks and Recreation Department in the amount of \$33,023 for debt service. Investment earnings on non-expended bond proceeds are credited to the agency as Other Funds regardless of the type of bond issuance. These earnings are then expended by the agency to offset the debt service expenditures from the fund type that would otherwise be used. The offsetting reductions to Lottery Funds expenditure limitation for debt service are included in the statewide debt service adjustments.

An increase in the Other Funds expenditure limitation of \$5,106,587 for the Oregon Parks Department was approved by the Subcommittee for the expenditure of lottery bond proceeds for the Oregon Main Street Revitalization program. The funding will be used to provide competitive grants to organizations participating in the Oregon Main Street Network. The program awards grants to acquire, rehabilitate, and construct buildings on properties in designated downtown areas and facility community revitalization that leads to additional private investment, job creation or retention, expansion or establishment of viable businesses, or creating a stronger tax base. Of the total increase, \$106,587 is for the costs of bond issuance.

Department of State Lands

An increase in Federal Funds expenditure limitation of \$154,000 was approved for the Department of State Lands' South Slough National Estuarine Research Reserve. The National Oceanic and Atmospheric Administration awarded a federal grant to the Department to expand the reserve's maintenance compound and enhance security for the reserve's facilities.

The Subcommittee approved an Other Funds expenditure limitation increase in the amount of \$6 million for the Department of State Lands from the Portland Harbor Cleanup Fund. The agency will use the increased limitation to transfer \$6 million from the fund to a trust account established by the state and the city of Portland under a settlement agreement for remedial design with the U.S. Environmental Protection Agency (EPA). The amount transferred will be matched by the city of Portland. Monies in the trust will be transferred to the EPA on an as-needed basis to fund the activities under the agreement.

Water Resources Department

The Subcommittee approved the establishment of an Other Funds expenditure limitation for the Water Resources Department in the amount of \$394 for debt service. Investment earnings on non-expended bond proceeds are credited to the agency as Other Funds regardless of the type of bond issuance. These earnings are then expended by the agency to offset the debt service expenditures from the fund type that would be used otherwise. The offsetting reductions to Lottery Funds expenditure limitation for debt service are included in the statewide debt service adjustments.

The Subcommittee approved a total increase of \$25,521,689 in Other Funds expenditure limitation established for the Water Resources Department for the purpose of making grants, loans, and paying the cost of bond issuance from lottery bond proceeds deposited into the Water Supply Development Fund established under section 3, chapter 784, Oregon Laws 2013. Of the amount of additional limitation provided for the expenditure of net bond proceeds allocated to the fund, \$15,000,000 is for Water Supply Development grants and loans to evaluate, plan, and develop in-stream and out-of-stream water development projects that repair or replace infrastructure to increase the efficiency of water use; provide new or expanded water storage; improve or alter operations of existing water storage facilities in connection with newly developed water; create new, expanded, improved, or altered water distribution, conveyance, or delivery systems in connection with newly developed water; allocate federally stored water; promote water reuse or conservation; provide streamflow protection or restoration; provide for water

management or measurement in connection with newly developed water; and, determine seasonally varying flows in connection with newly developed water. The budget includes \$521,689 for the payment of bond issuance costs. The remaining \$10 million expenditure limitation is for bond proceeds allocated to the fund for the Deschutes Basin Board of Control Piping Project. The funding will be combined with additional state, local, and federal funds to allow the Board of Control to pipe currently open canals for a total project cost of \$99.38 million.

The Subcommittee approved a total increase of \$18,327,563 in the Other Funds expenditure limitation established for the Water Resources Department for the purpose of making grants, loans, and paying the cost of bond issuance from lottery bond proceeds deposited into the Water Supply Fund established by section 10, chapter 906, Oregon Laws 2009. Of the total increase, \$327,563 is for the estimated cost of bond issuance. The budget includes \$14 million for a grant to the Wallowa Lake Irrigation District for the rehabilitation of the Wallowa Lake Dam. The remaining \$4 million is for a grant to the City of Newport for planning, environmental permitting, and design costs to replace the Big Creek Dams.

PUBLIC SAFETY

Department of Corrections

The Subcommittee approved a General Fund appropriation of \$1,650,000 to the Department of Corrections for its Corrections Information System Tool Upgrade project.

The agency's General Fund appropriation for debt service was increased by \$1,579,588 for debt service to be paid in 2019-21 on \$47,835,000 in Article XI-Q bonds for the Department of Corrections' deferred maintenance program, wireless communications system, and camera system. Projects will be undertaken for facility improvements including building envelope, electrical systems, water systems, roofs, HVAC, fire systems and infrastructure improvements; to acquire and install wireless communications systems at 10 correctional facilities for mobile radio communications; and to acquire and install upgraded camera systems at 10 correctional facilities and place additional cameras in strategic locations to improve monitoring of activity. Debt service for bonds issued in 2019-21 is estimated to be \$12,463,107 General Fund in 2021-23.

The Subcommittee approved an increase in Other Funds expenditure limitation of \$724,932 for cost of issuance of \$47,835,000 in Article XI-Q bonds for the Department of Corrections' deferred maintenance program. Bonds will be issued in May 2020 and in March 2021.

An Other Funds expenditure limitation for debt service of \$51,378 was established for the Department of Corrections in order to allow the agency to apply interest earned on bond proceeds to debt service on bonds.

The Subcommittee approved an Other Funds expenditure limitation increase of \$4,585,442 for the Community Corrections program to allocate funding to counties from the Criminal Fines Account for the purpose of planning, operating, and maintaining county juvenile and adult corrections programs and facilities and drug and alcohol programs. The Subcommittee approved the following budget note:

Budget Note:

The Department of Corrections shall require county recipients of Criminal Fines Account disbursements to report annually on the programs and services funded with this allocation and on the number of clients served.

Oregon Department of Justice

The Subcommittee appropriated \$700,000 General Fund to support the Oregon Crime Victims Law Center, as a one-time increase. This will increase General Fund support for the Law Center from the Department of Justice (DOJ) from \$342,081 to \$1,042,081. This increase may supplant the need for DOJ to provide the Law Center with a state grant funded from punitive damage awards. In addition, the Law Center may continue to apply for, and possibly be awarded, federal Victim of Crime Act grant funding, as was the case during the 2017-19 biennium.

Oregon Military Department

The Subcommittee approved an increase in Other Funds expenditure limitation of \$348,000 for cost of issuance of \$22,275,000 in Article XI-Q bonds for Aviation Facility Emergency Enhancement projects in Salem and Pendleton, three Armory Service Life Extension projects at the Owen Summers and Anderson Readiness Center facilities in Salem and at the Jackson Armory in Portland, and construction of exhibit space at the Oregon Military Museum at Camp Withycombe. Bonds are planned to be issued in May 2020, and in March 2021.

The agency's General Fund appropriation for debt service was increased by \$533,528 for debt service on \$22,275,000 in Article XI-Q bonds estimated to be paid in 2019-21. Debt service for these bonds is estimated to be \$4,367,339 General Fund in 2021-23.

For a risk abatement study of the Critical Energy Infrastructure Hub located in Portland, the Subcommittee approved a one-time General Fund appropriation of \$300,000. The Office of Emergency Management will collaborate with the Department of Environmental Quality and the Department of Energy to commission a study that will evaluate the impacts of a catastrophic failure of fuel storage facilities located at the Critical Energy Infrastructure Hub following a Cascadia subduction zone earthquake.

Criminal Justice Commission

The Subcommittee approved adding Other Funds expenditure limitation of \$275,086 to the Criminal Justice Commission's 2019-21 budget to allow the agency to spend a grant award from the Laura and John Arnold Foundation. Oregon is one of five states chosen to participate in the

National Criminal Justice Reform Project and will use the grant funds to gather and establish baseline data on Oregon's pretrial detention system and pretrial jail population.

The Subcommittee approved transferring the responsibilities of the Criminal Justice Policy Research Institute's Law Enforcement Contacts Policy & Data Review Committee responsibilities from Portland State University to the Criminal Justice Commission, thereby consolidating both quantitative and qualitative data collection on traffic and pedestrian stops in one state agency. This action adds \$78,242 General Fund to the Criminal Justice Commission's 2019-21 budget and makes permanent an existing limited-duration Administrative Specialist 2 position.

To address the growth of the Criminal Justice Commission due to the programs, responsibilities, and positions added to the agency's budget through other legislation passed in 2019, an existing Program Analyst 4 is reclassified to a Principal Executive Manager F position, to ensure adequate managerial oversight of the grant programs operated by the Commission. This reclassification has no budget impact in 2019-21.

Department of Public Safety Standards and Training

To accommodate a purchase not anticipated to be received by June 30, 2019, the Subcommittee approved increasing the Department of Public Safety Standards and Training's 2019-21 Federal Funds expenditure limitation by \$325,955 in order to carry forward a grant received from the Federal Emergency Management Agency's Assistance to Firefighters grant program in 2018 for the purchase of a new fire truck. This is a one-time increase in expenditure limitation for the 2019-21 biennium.

Oregon Youth Authority

The Subcommittee approved an increase in Other Funds expenditure limitation of \$774,709 for cost of issuance of \$34,430,000 in Article XI-Q bonds to complete the remodel of seven living unit cottages at the MacLaren Youth Correctional Facility and dormitory spaces at the Rogue Valley Youth Correctional Facility; remodel three medical and dental clinics; renovate the control rooms at the Oak Creek, Rogue Valley, and Eastern Oregon youth correctional facilities; and undertake deferred maintenance projects in 2019-21. Bonds are planned to be issued in October 2019, May 2020, and in March 2021.

The agency's General Fund appropriation for debt service was increased by \$914,307 for debt service to be paid on \$34,430,000 in Article XI-Q bonds in 2019-21. Debt service for these bonds is estimated to be \$6,245,948 General Fund in 2021-23.

Other Funds expenditure limitation for debt service of \$95,000 was established for the Oregon Youth Authority in order to allow the agency to apply interest earned on bond proceeds to debt service on bonds.

TRANSPORTATION

Department of Transportation

The Subcommittee increased the Department of Transportation's (ODOT) Other Funds expenditure limitation, on a one time basis, by \$5,149,463 for ODOT project costs and cost of issuing lottery bonds. This amount consists of \$42,876 for the Sherwood Pedestrian Connectors Project and \$5,106,587 for the Coos Bay Rail Line and Bridge Replacement Project.

Additional one-time Other Funds expenditure limitation of \$1,000,000 was approved for the Neskowin Emergency Egress Project in Tillamook County. The source of funds for this project is the Transportation Operating Fund. The Transportation Operating Fund was also used to provide one-time Other Funds expenditure limitation of \$650,000 to support the upgrade and recapitalization of 44 electric vehicle charging station locations known as the West Coast Electric Highway.

The Subcommittee approved the addition of three limited duration Transportation Service Representative 1 positions (1.26 FTE) and \$221,442 Other Funds expenditure limitation to implement HB 2015 (2019).

Two budget notes were approved, as follows:

Budget Note

The Department of Transportation shall study the I-5 Boone Bridge Project and provide an estimate of the cost to complete the project. The Department shall report back to the Joint Committee on Ways and Means and the Joint Committee on Transportation no later than February 1, 2021.

Budget Note

The Department of Transportation, in coordination with the City of Sherwood, shall report to the Joint Committee on Ways and Means on the results of the City of Sherwood's Pedestrian Connector Project implementation and related feasibility study and submit a funding request for the balance of project costs in February 2020.

Adjustments to 2017-19 Budgets

Department of Corrections

The Subcommittee approved a net-zero rebalance of \$650,000 between General Fund appropriations and appropriated an additional \$3,000,000 General Fund, on a one-time basis only, to the Department of Corrections to address the remainder of a known 2017-19 budget shortfall of \$20.2 million and additional unanticipated expenditures totaling \$23.5 million. Unanticipated expenditures included emergency repairs to facilities, spending on medication for Hepatitis C and for contract medical staff in prisons, computer replacements and necessary software upgrades, and to backfill a federal grant. The agency has mitigated its budget shortfall through management actions such as a hiring freeze on management positions, limiting spending on staff training, reducing inmate alcohol and drug treatment costs, and limiting inmate clothing orders through the end of the biennium, as well as by using Other Funds revenue where available.

Enrolled House Bill 5050

Introduced and printed pursuant to House Rule 12.00. Pre-session filed (at the request of Oregon Department of Administrative Services)

CHAPTER

AN ACT

Requires the court to include the age of the juvenile at the time they committed the offense within the judgment if the physical custody of the juvenile defendant is dependent on age. Directs the court to include the earliest age of conviction for a juvenile defendant convicted of multiple offenses. Directs the court to include the age of the juvenile at the earliest occurrence of offense when juvenile has been convicted of an offense occurring within a range of dates. Requires transfer to OYA following resentencing from an appellate or post-conviction relief proceeding. Removes requirement that youth age 15, 16, and 17 charged with criminal offenses specified in ORS 137.707 (Ballot Measure 11, 1994) be automatically waived into adult criminal court. Permits the state to file a motion requesting a waiver hearing subject to the requirements of ORS 419C.349 to determine whether to waive a youth charged with specified offenses into adult court. Requires courts to consider whether the youth can be safely rehabilitated under the jurisdiction of the court. Gives the victim of the alleged offense the right to appear at the waiver hearing and the right to provide the court with information reasonably related to the court's determination. Provides a right to counsel at waiver hearing. Allows state to have a psychiatric evaluation of youth completed for the waiver hearing. Provides that the confidentiality protections of ORS 419A.255 that apply to juvenile cases apply to criminal proceedings that are ultimately transferred back to juvenile court. Makes a juvenile offender convicted of a criminal offense specified in ORS 137.707 (Ballot Measure 11, 1994) eligible for a conditional release hearing pursuant to the requirements of ORS 420A.203 after serving at least one-half of the sentence imposed. Makes any juvenile offender who is in the physical custody of OYA and has a release date that falls after their 25th birthday but before their 27th birthday eligible for a conditional release hearing pursuant to the requirements of ORS 420A.203. Ensures that the parents of a juvenile offender who is under 18 years old receive notice of the conditional release hearing. Ensures that the parents of a victim who is under 18 years old receive notice of the conditional release hearing. Allows the court to delay the conditional release hearing for good cause. Permits the person to waive their right to a conditional release hearing. Prohibits the court from sentencing a juvenile defendant who committed an offense before age 18 to life without parole. Provides a list of factors for the court to consider when sentencing a juvenile defendant who committed an offense before age 18. Requires the court to give substantial weight to a qualifying mental health evaluation of a juvenile defendant who committed an offense before age 18. Requires mental health evaluation to be conducted by a professional whose primary practice is the treatment of adolescents and to include an assessment of the person's degree of insight, judgment, self-awareness, emotional regulation, and impulse control. Prohibits the court from considering the age of the juvenile defendant as an aggravating factor. for a hearing in front of the State Board of Parole and Post-Prison Supervision (Board) for release on parole or post-prison supervision after 15 years of imprisonment. Allows Board to require the juvenile offender to be examined by a psychiatrist or psychologist. Requires Board to consider and give substantial weight to the fact that a person under 18 years of age is incapable of the same reasoning and impulse control as an adult, the diminished culpability of minors, and a series of delineated mitigating circumstances that cannot be considered as aggravating circumstances. Provides a series of factors for Board to consider when determining whether to release a juvenile offender at the release hearing. Prohibits Board from considering age as an aggravating factor. Provides process for release and supervision. Requires the Department of Justice, in consultation with district attorney victim assistance programs and community-based victim services providers, to develop model policies for providing trauma-informed and culturally specific notice to victims in waiver hearings and conditional release hearings. Requires district attorney victim assistance programs to provide victims with notice, court accompaniment, and referrals to community-based victims services that are culturally specific, when available. EFFECT OF AMENDMENT:

Refers the measure to the voters. Removes effective date of 91st day following adjournment sine die. Removes operative provisions. Applies measure to all sentences imposed on or after the effective date.

BACKGROUND:

Ballot Measure 11, passed by Oregon voters in 1994, requires mandatory minimum sentences for specific serious crimes. It also requires young people ages 15, 16, and 17 charged with Ballot Measure 11 offenses to be automatically prosecuted in adult court and, if convicted, sentenced in adult court. The law took effect on April 1, 1995, and has been codified as ORS 137.700 through 137.712.

During the 2017-2018 interim, the Senate Committee on Judiciary convened a work group to examine the treatment of youth in the juvenile and criminal justice system under ORS 137.700-137.712. The work group was composed of a wide range of local stakeholders and national experts who collectively examined case law, brain science, best practices, national trends, and relevant data to better understand whether Oregon law, and specifically whether ORS 137.700-137.712, ensure justice for victims, effectively protect the public, hold juvenile offenders accountable, and provide opportunities for reformation and rehabilitation that reduce recidivism and promote a productive citizenry. Senate Bill 1008 A is a product of that work group.

Under current law, youth who commit offenses that would be considered crimes if committed by an adult are subject to the jurisdiction of the juvenile court. ORS 419C.005. Three exceptions exist: 1) the mandatory prosecution in adult criminal court of youth age 15, 16, and 17 charged with the serious offenses listed in ORS 137.707; 2) the prosecution of youth age 15, 16, or 17 charged with a Class A or B felony or a specified Class C felony after the juvenile court has, following a hearing under ORS 419C.349, waived them into adult criminal court; and 3) the prosecution of a youth under age 15 charged with one of four serious offenses listed in ORS 419C.352, after the juvenile court has, following a hearing under ORS 419C.349, waived them into adult criminal

court.

When a juvenile offender is convicted as an adult in criminal court, but is under age 18 at the time of the committing offense and is under age 20 at the time of sentencing, the juvenile is committed to the Department of Corrections (DOC), but then transferred to the physical custody of the Oregon Youth Authority (OYA). A juvenile offender may be transferred back into the custody of DOC if OYA determines that DOC placement is more appropriate or the juvenile turns 25 years old, whichever occurs first. ORS 137.124(5)(a).

A juvenile defendant waived into adult court, or subject to mandatory adult prosecution but found guilty of a lesser-included offense not contained on the list of serious criminal offenses in ORS 137.707, is eligible for a conditional release hearing. Juvenile defendants tried and sentenced as adults under ORS 137.707 are not eligible for conditional release hearings. Under ORS 420A.203, conditional release hearings require notice be provided to the juvenile, the district attorney, the victim, and the records supervisor of the correctional institution where the person resides. At the release hearing, the juvenile has the right to counsel and the burden of proving by clear and convincing evidence that: 1) they have been rehabilitated and reformed; 2) they would not be a threat to the safety of the victim or community if conditionally released; and, 3) that they will comply with the conditions of release. ORS 420A.203(3)(k). The statute also provides thirteen factors to be considered by the court when deciding to order conditional release. ORS 420A.203(4)(B). If the juvenile meets the burden, the court may order them conditionally released. ORS 420A.203(4)(B).

In recent years, the U.S. Supreme Court has looked closely at the constitutional limits of sentencing juveniles. In *Roper v. Simmons*, 543 U.S. 551 (2005), the U.S. Supreme Court struck down the death penalty for juveniles, finding that it violated the Eighth Amendment's prohibition against cruel and unusual punishment. Then, in *Graham v. Florida*, 560 U.S. 48 (2010), the Court struck down life-without-parole sentences for non-homicide offenses, holding that states must give juveniles the opportunity to obtain release. In *Miller v. Alabama*, 567 U.S. 460 (2012), the Court expanded its decision in *Graham* when it ruled that "the Eighth Amendment forbids a sentencing scheme that mandates life in prison without the possibility of parole for juvenile offenders." Finally, in *Montgomery v. Louisiana*, 136 S. Ct. 718 (2016), the court held that the decision in *Miller* applied retroactively to individuals serving life-without-parole for crimes they committed while juveniles. Twenty-one states currently ban life-without-parole sentences for juveniles.

Senate Bill 1008 B Minority Report 2 requires referral to the voters for approval or rejection. It ensures the transfer of physical custody of juvenile defendant to the Oregon Youth Authority (OYA) if a juvenile defendant committed a crime before age 18, but the prosecution and conviction occurred after the juvenile defendant reached age 18. This measure ends the automatic prosecution of 15-, 16-, and 17-year-olds as adults for Ballot Measure 11 offenses, and authorizes adult prosecution and the imposition of Measure 11 sentences only after the court holds a hearing and waives the person to adult court. The bill authorizes a conditional release hearing (second-look hearing) for a person who received a Measure 11 sentence as a 15-, 16-, or 17-year-old after serving half of the sentence imposed. The bill also authorizes a conditional release hearing (transfer hearing) for a person sentenced to a term of imprisonment for a crime committed when the person was under 18 years of age if the person's release date falls between the person's 25th and 27th birthdays. The bill prohibits the imposition of a life sentence without the possibility of parole on a person who was under age 18 at the time of committing the offense. The bill also authorizes a parole hearing after 15 years of imprisonment for persons sentenced for a crime committed when the person was under 18 years of age. Under this measure, victims receive notice of waiver, second-look, and transfer hearings, as well as a right to be present at those hearings and access to culturally specific and trauma-informed services. All provisions apply to sentences imposed after the effective date.

Be It Enacted by the People of the State of Oregon:

CUSTODY OF JUVENILE OFFENDERS

SECTION 1. ORS 137.071 is amended to read:

137.071. (1) The judge in a criminal action shall ensure that the creation and filing of a judgment document complies with this section. On appeal, the appellate court may give leave as provided in ORS 19.270 for entry of a judgment document that complies with this section but may not reverse or set aside a judgment, determination or disposition on the sole ground that the judgment document fails to comply with this section.

(2) A judgment document in a criminal action must comply with ORS 18.038. In addition, a judgment document in a criminal action must:

(a) Indicate whether the defendant was determined to be financially eligible for purposes of appointed counsel in the action.

(b) Indicate whether the court appointed counsel for the defendant in the action.

(c) If there is no attorney for the defendant, indicate whether the defendant knowingly waived any right to an attorney after having been informed of that right.

(d) Include the identity of the recorder or reporter for the proceeding or action who is to be served under ORS 138.081.

(e) Include any information specifically required by statute or by court rule.

(f) Specify clearly the court's determination for each charge in the information, indictment or complaint.

(g) Specify clearly the court's disposition, including all legal consequences the court establishes or imposes. If the determination is one of conviction, the judgment document must include any suspension of sentence, forfeiture, imprisonment, cancellation of license, removal from office, monetary obligation, probation, conditions of probation, discharge, restitution, community service and all other sentences and legal consequences imposed by the court. Nothing in this paragraph requires the judgment document to specify any consequences that may result from the determination but are not established or imposed by the court.

(h) Include the identities of the attorney for the state and the attorney, if any, for the defendant.

(i) If the court sentences the defendant to a term of incarceration, and the physical custody of the defendant as determined by ORS 137.124 is related to the age of the defendant at the time of committing an offense, indicate the age of the defendant at the time of committing the offense.

(3) A judgment document in a criminal action that includes a money award, as defined in ORS 18.005, must comply with ORS 18.048.

(4) The requirements of this section do not apply to a judgment document if the action was commenced by the issuance of a uniform citation adopted under ORS 1.525 and the court has used the space on the citation for the entry of a judgment. The exemption provided by this subsection does not apply if any indictment, information or complaint other than a uniform citation is filed in the action.

(5) For the purposes of determining the defendant's age at the time of committing an offense under subsection (2) of this section:

(a) If the defendant is convicted of two or more offenses occurring on different days, the defendant's age shall be calculated using the earliest date.

(b) If the defendant is convicted of an offense occurring within a range of dates, the defendant's age shall be calculated using the date at the beginning of the range.

SECTION 2. ORS 137.124 is amended to read:

137.124. (1) If the court imposes a sentence upon conviction of a felony that includes a term of incarceration that exceeds 12 months:

(a) The court shall not designate the correctional facility in which the defendant is to be confined but shall commit the defendant to the legal and physical custody of the Department of Corrections; and

(b) If the judgment provides that the term of incarceration be served consecutively to a term of incarceration of 12 months or less that was imposed in a previous proceeding by a court of this state upon conviction of a felony, the defendant shall serve any remaining part of the previously imposed term of incarceration in the legal and physical custody of the Department of Corrections.

(2)(a) If the court imposes a sentence upon conviction of a felony that includes a term of incarceration that is 12 months or less, the court shall commit the defendant to the legal and physical custody of the supervisory authority of the county in which the crime of conviction occurred.

(b) Notwithstanding paragraph (a) of this subsection, when the court imposes a sentence upon conviction of a felony that includes a term of incarceration that is 12 months or less, the court shall commit the defendant to the legal and physical custody of the Department of Corrections if the court orders that the term of incarceration be served consecutively to a term of incarceration that exceeds 12 months that was imposed in a previous proceeding or in the same proceeding by a court of this state upon conviction of a felony.

(3) After assuming custody of the convicted person the Department of Corrections may transfer inmates from one correctional facility to another such facility for the purposes of diagnosis and study, rehabilitation and treatment, as best seems to fit the needs of the inmate and for the protection and welfare of the community and the inmate.

(4) If the court imposes a sentence of imprisonment upon conviction of a misdemeanor, it shall commit the defendant to the custody of the supervisory authority of the county in which the crime of conviction occurred.

(5)(a) When a person under 18 years of age at the time of committing the offense and under 20 years of age at the time of sentencing is committed to the Department of Corrections under ORS 137.707 **or due to the fact that criminal proceedings were initiated after the person attained 18 years of age**, the Department of Corrections shall transfer the physical custody of the person to the Oregon Youth Authority as provided in ORS 420.011 if:

(A) The person will complete the sentence imposed before the person attains 25 years of age;

(B) The Department of Corrections and the Oregon Youth Authority determine that, because of the person's age, immaturity, mental or emotional condition or risk of physical harm to the person, the person should not be incarcerated initially in a Department of Corrections institution; or

(C) The person is under 18 years of age at the time of sentencing and commitment.

(b) A person placed in the custody of the Oregon Youth Authority under this subsection who is at least 18 years of age shall be returned to the physical custody of the Department of Corrections whenever the Director of the Oregon Youth Authority, after consultation with the Department of Corrections, determines that the conditions or circumstances that warranted the transfer of custody under this subsection are no longer present.

(c) Notwithstanding ORS 137.320, the sheriff may by agreement with the Department of Corrections transfer the person described in this subsection directly to a youth correction facility for physical custody without first delivering the person to the Department of Corrections. As part of the agreement with the Department of Corrections, the sheriff may designate the county juvenile department or the Oregon Youth Authority to conduct the direct transfer described in this paragraph if the sheriff has entered into a written agreement with the county juvenile department, the Oregon Youth Authority, or both, to provide the direct transfer.

(6)(a) When a person under 18 years of age at the time of committing the offense and under 20 years of age at the time of sentencing is committed to the legal and physical custody of the Department of Corrections or the supervisory authority of a county following waiver under ORS 419C.349 (1)(b), 419C.352, 419C.364 or 419C.370 or sentencing under ORS 137.707 (5)(b)(A) or (7)(b) or 137.712, the Department of Corrections or the supervisory authority of a county shall transfer the person to the physical custody of the Oregon Youth Authority for placement as provided in ORS 420.011 (3). The terms and conditions of the person's incarceration and custody are governed by ORS 420A.200 to 420A.206. Notwithstanding ORS 137.320, the sheriff may by agreement with the Department of Corrections or the supervisory authority of a county transfer the person described in this subsection directly to a youth correction facility for physical custody without first delivering the person to the Department of Corrections or supervisory authority of the county. As part of the agreement with the Department of Corrections or supervisory authority of the county, the sheriff may designate the county juvenile department or the Oregon Youth Authority to conduct the direct transfer described in this paragraph if the sheriff has entered into a written agreement with the county juvenile department, the Oregon Youth Authority, or both, to provide the direct transfer.

(b) Notwithstanding ORS 137.320, when a person under 16 years of age is waived under ORS 419C.349 (1)(b), 419C.352, 419C.364 or 419C.370 and subsequently is sentenced to a term of imprisonment in the county jail, the sheriff shall transfer the person to a youth correction facility for physical custody as provided in ORS 420.011 (3).

[(7) If the Director of the Oregon Youth Authority concurs in the decision, the Department of Corrections or the supervisory authority of a county shall transfer the physical custody of a person committed to the Department of Corrections or the supervisory authority of the county under subsection (1) or (2) of this section to the Oregon Youth Authority as provided in ORS 420.011 (2) if:]

[(a) The person was at least 18 years of age but under 20 years of age at the time of committing the felony for which the person is being sentenced to a term of incarceration;]

[(b) The person is under 20 years of age at the time of commitment to the Department of Corrections or the supervisory authority of the county;]

[(c) The person has not been committed previously to the legal and physical custody of the Department of Corrections or the supervisory authority of a county;]

[(d) The person has not been convicted and sentenced to a term of incarceration for the commission of a felony in any other state;]

[(e) The person will complete the term of incarceration imposed before the person attains 25 years of age;]

[(f) The person is likely in the foreseeable future to benefit from the rehabilitative and treatment programs administered by the Oregon Youth Authority;]

[(g) The person does not pose a substantial danger to Oregon Youth Authority staff or persons in the custody of the Oregon Youth Authority; and]

[(h) At the time of the proposed transfer, no more than 50 persons are in the physical custody of the Oregon Youth Authority under this subsection.]

*[(8)] (7) Notwithstanding the provisions of [subsections] **subsection (5)(a)(A) [or (7)]** of this section, the department or the supervisory authority of a county may not transfer the physical custody of the person under subsection (5)(a)(A) [or (7)] of this section if the Director of the Oregon Youth Authority, after consultation with the Department of Corrections or the supervisory authority of a county, determines that, because of the person's age, mental or emotional condition or risk of physical harm to other persons, the person should not be incarcerated in a youth correction facility.*

[(9)] (8) Notwithstanding any other provision of this section, under no circumstances may a person under 18 years of age be incarcerated in a Department of Corrections institution.

(9) If a defendant is transferred under subsection (5) of this section, the defendant shall also be transferred after a resentencing on the same charges resulting from an appellate decision or a post-conviction relief proceeding or for any other reason, even if the defendant is 20 years of age or older at the time of the resentencing.

(10) For the purposes of determining the person's age at the time of committing an offense under this section:

(a) If the person is convicted of two or more offenses occurring on different days, the person's age shall be calculated using the earliest date.

(b) If the person is convicted of an offense occurring within a range of dates, the person's age shall be calculated using the date at the beginning of the range.

SECTION 3. ORS 420.011 is amended to read:

420.011. (1) Except as provided in subsections (2) and (3) of this section, admissions to the youth correction facilities are limited to youth offenders who are at least 12 but less than 19 years of age, found by the juvenile court to have committed an act that if committed by an adult would constitute aggravated murder, murder, a felony or a Class A misdemeanor and placed in the legal custody of the Oregon Youth Authority. A youth offender admitted to a youth correction facility may not be transferred by administrative process to any penal or correctional institution.

(2)(a) In addition to the persons placed in the legal custody of the youth authority under ORS 419C.478 (1) or 419C.481, and with the concurrence of the Director of the Oregon Youth Authority or the director's designee, persons who are committed to the Department of Corrections under ORS 137.124 and meet the requirements of ORS 137.124 (5) [or (7)] may be temporarily assigned to a youth correction facility as provided by ORS 137.124 (5) [or (7)]. A person assigned on such a temporary basis remains within the legal custody of the Department of Corrections and such reassignment is subject to termination by the Director of the Oregon Youth Authority by referring the person back to the Department of Corrections as provided in paragraph (b) of this subsection.

(b) After a person is transferred to the physical custody of the youth authority under ORS 137.124 (5) [or (7)], the Director of the Oregon Youth Authority may refer the person back to the Department of Corrections for physical custody and placement if the director, after consulting with the Department of Corrections, determines that the person is at least 18 years of age and:

(A) Poses a substantial danger to youth authority staff or persons in the custody of the youth authority; or

(B) Is not likely, in the foreseeable future, to benefit from the rehabilitation and treatment programs administered by the youth authority and is appropriate for placement in a Department of Corrections institution.

(1) Except as provided in subsection (7) of this section, a person required to report under ORS 163A.025 (1)(d) may file a petition in the juvenile court for an order relieving the person of the duty to report. The person must pay the filing fee established under ORS 21.135. If the person resides:

(5) Unless the court finds good cause for a continuance, the court shall hold a hearing on the petition no sooner than 90 days and no later than 150 days after the date the petition is filed.

(6) If a person who files a petition under this section is required to report as a sex offender for having committed an act that if committed in this state could have subjected the person to [*prosecution as an adult under ORS 137.707*] **waiver under ORS 419C.349 (1)(a)**, the court may not grant the petition notwithstanding the fact that the person has met the burden of proof established in subsection (4) of this section unless the court determines that to do so is in the interest of public safety.

(7) This section does not apply to a person who is required to register as a sex offender for life in the jurisdiction in which the offense occurred.

(8) In a hearing under this section, the court may receive testimony, reports and other evidence without regard to whether the evidence is admissible under ORS 40.010 to 40.210 and 40.310 to 40.585 if the evidence is relevant to the determination and findings required under this section. As used in this subsection, "relevant evidence" has the meaning given that term in ORS 40.150.

The clerk of the court transferring the proceeding shall notify the clerk of the juvenile court of the transfer.

SECTION 16. ORS 419C.346 is amended to read:

419C.346. If the juvenile court waives a youth to another court under ORS 419C.349 (1)(b) or [419C.355 and] 419C.370 for disposition as an adult, the juvenile court nevertheless may retain jurisdiction over the youth's parents or guardians under ORS 419C.570. (b) When a trial has been held in the court of waiver upon an accusatory instrument alleging a crime listed in ORS 419C.349 [(2)] (1)(b) or 419C.352, as the case may be, and the person is found guilty of any lesser included offense that is not itself a waivable offense, the trial court shall not sentence the defendant therein, but the trial court shall order a presentence report to be made in the case, shall set forth in a memorandum such observations as the court may make regarding the case and shall then return the case to the juvenile court in order that the juvenile court make dis-

position in the case based upon the guilty finding in the court of waiver. Disposition shall be as if the juvenile court itself had found the youth to be in its jurisdiction pursuant to ORS 419C.005. The records and consequences of the case shall, in all respects, be as if the juvenile court itself had found the youth to be in its jurisdiction pursuant to ORS 419C.005. The maximum allowable population shall not exceed the design capacity for the facility and shall be further limited by the ability of the facility to meet the standard of care and treatment established by rule under this subsection, protect communities, hold youth offenders accountable for their behavior and improve the competency of youth offenders to become responsible and productive members of their communities.

(3) The director by rule shall establish criteria upon which the decision to place a youth in a youth correction facility must be based, and which, in turn, shall be based upon behaviors and characteristics of youths otherwise eligible for commitment to a youth correction facility.

(4) After conferring with the juvenile court judges, the director shall develop and implement by rule, a method of controlling admissions to the youth correction facilities so as not to exceed maximum levels determined under subsections (1) and (2) of this section.

(D) That the defendant was no more than five years older than the victim at the time of the offense;

(E) That the offense did not involve sexual contact with any minor other than the victim; and

(F) That the victim's lack of consent was due solely to incapacity to consent by reason of being under 18 years of age at the time of the offense.

SECTION 24. (1) A court may not impose a sentence of life imprisonment without the possibility of release or parole on a person who was under 18 years of age at the time of committing the offense.

(2) In determining the appropriate sentence for a person who was under 18 years of age at the time of committing the offense, if the court is provided information concerning the following circumstances, or any other relevant circumstances, the court shall consider those circumstances in imposing the sentence:

(a) The person's age, intellectual capacity and impetuosity at the time of the offense.

(b) The person's family and community environment, history of trauma and prior involvement in the juvenile dependency system at the time of the offense.

(c) The person's ability at the time of the offense to appreciate the risks and consequences of the conduct constituting the offense.

(d) The person's community involvement prior to the offense.

(e) Any peer or familial pressure to which the person was subjected at the time of the offense.

(g) The person's capacity for rehabilitation.

(h) The person's school records and special education evaluations.

(i) Any other mitigating factors or circumstances presented by the person.

(3)(a) If the court is provided with a report of a mental health evaluation of the person, the court shall give the evaluation substantial weight in imposing the sentence if:

(A) The evaluation was conducted by a psychiatrist or psychologist whose primary practice involves the treatment of adolescents; and

(B) The report includes the assessment of the person's degree of insight, judgment, self-awareness, emotional regulation and impulse control.

(b) Paragraph (a) of this subsection does not constitute a requirement that a person obtain or submit an evaluation for sentencing.

(4) When sentencing a person who was under 18 years of age at the time of committing the offense, under no circumstances may the court consider the age of the person as an aggravating factor.

(5) When sentencing a person who was under 18 years of age at the time of committing an offense to a term of imprisonment, the court shall indicate in the judgment:

(a) The age of the person at the time of committing the offense; and

(b) That the person is eligible for a hearing and release under section 25 of this 2019 Act.

SECTION 25. (1)(a) A person convicted of an offense or offenses committed when the person was under 18 years of age, who is serving a sentence of imprisonment for the offense or offenses, is eligible for release on parole or post-prison supervision as provided in this section after the person has served 15 years of imprisonment.

(b) Nothing in this section is intended to prevent a person from being released prior to serving 15 years of imprisonment under any other provision of law.

(c) As used in this subsection, “served 15 years of imprisonment” means that 15 years have passed since the person began serving the sentence, including pretrial incarceration but not including any reduction in sentence under ORS 421.121 or any other statute.

(2) This section applies notwithstanding the fact that the person was:

(a) Sentenced to a minimum sentence under ORS 163.105, 163.115 or 163.155.

(b) Sentenced to a mandatory minimum sentence under ORS 137.700, 137.707 or 137.717, a determinate sentence under ORS 137.635 or a sentence required by any other provision of law.

(c) Sentenced to two or more consecutive sentences under ORS 137.123.

(3) When a person eligible for release on parole or post-prison supervision as described in subsection (1) of this section has served 15 years of imprisonment, the State Board of Parole and Post-Prison Supervision shall hold a hearing. The hearing must provide the person a meaningful opportunity to be released on parole or post-prison supervision.

(4) The board may require the person, before holding a hearing described in this section, to be examined by a psychiatrist or psychologist with expertise in adolescent development. Within 60 days of the evaluation, the examining psychiatrist or psychologist shall file a written report of the findings and conclusions of the examination with the board. A certified copy of the report shall be provided to the person and the person’s attorney.

(5) During a hearing under this section, the board shall consider and give substantial weight to the fact that a person under 18 years of age is incapable of the same reasoning and impulse control as an adult and the diminished culpability of minors as compared to that of adults. The board shall also consider the following circumstances, if relevant to the specific person and offense:

(a) The age and immaturity of the person at the time of the offense.

(b) Whether and to what extent an adult was involved in the offense.

(c) The person’s family and community circumstances at the time of the offense, including any history of abuse, trauma and involvement in the juvenile dependency system.

(d) The person’s subsequent emotional growth and increased maturity during the person’s imprisonment.

(e) The person’s participation in rehabilitative and educational programs while in custody if such programs have been made available to the person and use of self-study for self-improvement.

(f) A mental health diagnosis.

(g) Any other mitigating factors or circumstances presented by the person.

(6) Under no circumstances may the board consider the age of the person as an aggravating factor.

(7) If the board finds that, based on the consideration of the age and immaturity of the person at the time of the offense and the person's behavior thereafter, the person has demonstrated maturity and rehabilitation, the board shall release the person as follows:

(a) For a person sentenced under ORS 163.105, 163.115 or 163.155, the board shall set a release date that is not more than 60 days from the date of the hearing and, notwithstanding section 28, chapter 790, Oregon Laws 1989, the person shall be released on parole in accordance with ORS 144.125, 144.260 and 144.270.

(b) A person sentenced to a term of imprisonment under a provision of law other than ORS 163.105, 163.115 or 163.155 shall be released on post-prison supervision in accordance with ORS 144.096 and 144.098 within 60 days of the date of the hearing.

(8) Unless the context requires otherwise, the provisions of ORS 144.260 to 144.380 apply to a person released on parole under subsection (7)(a) of this section.

(9) If the board determines that the person has not demonstrated maturity and rehabilitation under subsection (7) of this section, the board may postpone a subsequent hearing to a date that is at least two years but no more than 10 years from the date of the hearing.

(10) The person may waive a hearing under this section. Notwithstanding waiver of the hearing, the board shall hold a hearing under this section upon the person's written request.

(11) The board shall provide notice of the hearing to:

(a) The district attorney of the county in which the person was convicted; and

(b) The victim of any offense for which the person is serving a sentence, if the victim requests to be notified and furnishes the board with a current address.

(12) A person has the right to counsel, including counsel appointed at board expense, at a hearing under this section.

(13) The board may adopt rules to carry out the provisions of this section.

SECTION 26. ORS 144.185 is amended to read:

144.185. Before making a determination regarding a prisoner's release on parole as provided by ORS 144.125 or section 25 of this 2019 Act, the State Board of Parole and Post-Prison Supervision may cause to be brought before it current records and information regarding the prisoner, including:

(1) Any relevant information which may be submitted by the prisoner, the prisoner's attorney, the victim of the crime, the Department of Corrections, or by other persons;

(2) The presentence investigation report specified in ORS 144.791 or if no such report has been prepared, a report of similar content prepared by institutional staff;

(3) The reports of any physical, mental and psychiatric examinations of the prisoner;

(4) The prisoner's parole plan; and

(5) Other relevant information concerning the prisoner as may be reasonably available.

SECTION 27. ORS 163.105 is amended to read:

163.105. Notwithstanding the provisions of ORS chapter 144 and ORS 421.450 to 421.490:

(1)(a) Except as otherwise provided in ORS 137.707, when a defendant is convicted of aggravated murder as defined by ORS 163.095, the defendant shall be sentenced, pursuant to ORS 163.150, to death, life imprisonment without the possibility of release or parole or life imprisonment.

(b) A person sentenced to life imprisonment without the possibility of release or parole under this section shall not have that sentence suspended, deferred or commuted by any judicial officer, and the State Board of Parole and Post-Prison Supervision may not parole the prisoner nor reduce the period of confinement in any manner whatsoever. The Department of Corrections or any executive official may not permit the prisoner to participate in any sort of release or furlough program.

(c) If sentenced to life imprisonment, the court shall order that the defendant shall be confined for a minimum of 30 years without possibility of parole[,] or release to post-prison supervision **except as provided in section 25 of this 2019 Act, and without the possibility of** release on work release or any form of temporary leave or employment at a forest or work camp.

(2) At any time after completion of a minimum period of confinement pursuant to subsection (1)(c) of this section, the State Board of Parole and Post-Prison Supervision, upon the petition of a prisoner so confined, shall hold a hearing to determine if the prisoner is likely to be rehabilitated

within a reasonable period of time. The sole issue is whether or not the prisoner is likely to be rehabilitated within a reasonable period of time. At the hearing, the prisoner has:

(a) The burden of proving by a preponderance of the evidence the likelihood of rehabilitation within a reasonable period of time;

(b) The right, if the prisoner is without sufficient funds to employ an attorney, to be represented by legal counsel, appointed by the board, at board expense; and

(c) The right to a subpoena upon a showing of the general relevance and reasonable scope of the evidence sought, provided that any subpoena issued on behalf of the prisoner must be issued by the State Board of Parole and Post-Prison Supervision pursuant to rules adopted by the board.

(3) If, upon hearing all of the evidence, the board, upon a unanimous vote of three board members or, if the chairperson requires all voting members to participate, a unanimous vote of all voting members, finds that the prisoner is capable of rehabilitation and that the terms of the prisoner's confinement should be changed to life imprisonment with the possibility of parole, release to post-prison supervision or work release, it shall enter an order to that effect and the order shall convert the terms of the prisoner's confinement to life imprisonment with the possibility of parole, release to post-prison supervision or work release and may set a release date. Otherwise the board shall deny the relief sought in the petition.

(4) If the board denies the relief sought in the petition, the board shall determine the date of the subsequent hearing, and the prisoner may petition for an interim hearing, in accordance with ORS 144.285.

(5) The board's final order shall be accompanied by findings of fact and conclusions of law. The findings of fact shall consist of a concise statement of the underlying facts supporting the findings as to each contested issue of fact and as to each ultimate fact required to support the board's order.

SECTION 28. ORS 163.115 is amended to read:

163.115. (1) Except as provided in ORS 163.118 and 163.125, criminal homicide constitutes murder:

(a) When it is committed intentionally, except that it is an affirmative defense that, at the time of the homicide, the defendant was under the influence of an extreme emotional disturbance;

(b) When it is committed by a person, acting either alone or with one or more persons, who commits or attempts to commit any of the following crimes and in the course of and in furtherance of the crime the person is committing or attempting to commit, or during the immediate flight therefrom, the person, or another participant if there be any, causes the death of a person other than one of the participants:

(F) Kidnapping in the first degree as defined in ORS 163.235;

(G) Robbery in the first degree as defined in ORS 164.415;

(H) Any felony sexual offense in the first degree defined in this chapter;

(I) Compelling prostitution as defined in ORS 167.017; or

(J) Assault in the first degree, as defined in ORS 163.185, and the victim is under 14 years of age, or assault in the second degree, as defined in ORS 163.175 (1)(a) or (b), and the victim is under 14 years of age; or

(c) By abuse when a person, recklessly under circumstances manifesting extreme indifference to the value of human life, causes the death of a child under 14 years of age or a dependent person, as defined in ORS 163.205, and:

(A) The person has previously engaged in a pattern or practice of assault or torture of the victim or another child under 14 years of age or a dependent person; or

(B) The person causes the death by neglect or maltreatment.

(2) An accusatory instrument alleging murder by abuse under subsection (1)(c) of this section need not allege specific incidents of assault or torture.

(3) It is an affirmative defense to a charge of violating subsection (1)(b) of this section that the defendant:

- (a) Was not the only participant in the underlying crime;
- (b) Did not commit the homicidal act or in any way solicit, request, command, importune, cause or aid in the commission thereof;

(5) Except as otherwise provided in ORS 163.155 **and section 25 of this 2019 Act:**

(a) A person convicted of murder, who was at least 15 years of age at the time of committing the murder, shall be punished by imprisonment for life.

(b) When a defendant is convicted of murder under this section, the court shall order that the defendant shall be confined for a minimum of 25 years without possibility of parole, release to post-prison supervision, release on work release or any form of temporary leave or employment at a forest or work camp.

(c) At any time after completion of a minimum period of confinement pursuant to paragraph (b) of this subsection, the State Board of Parole and Post-Prison Supervision, upon the petition of a prisoner so confined, shall hold a hearing to determine if the prisoner is likely to be rehabilitated within a reasonable period of time. The sole issue is whether the prisoner is likely to be rehabilitated within a reasonable period of time. At the hearing the prisoner has:

(A) The burden of proving by a preponderance of the evidence the likelihood of rehabilitation within a reasonable period of time;

(B) The right, if the prisoner is without sufficient funds to employ an attorney, to be represented by legal counsel, appointed by the board, at board expense; and

(C) The right to a subpoena upon a showing of the general relevance and reasonable scope of the evidence sought, provided that any subpoena issued on behalf of the prisoner must be issued by the State Board of Parole and Post-Prison Supervision pursuant to rules adopted by the board.

(d) If, upon hearing all of the evidence, the board, upon a unanimous vote of three board members or, if the chairperson requires all voting members to participate, a unanimous vote of all voting members, finds that the prisoner is capable of rehabilitation and that the terms of the prisoner's confinement should be changed to life imprisonment with the possibility of parole, release to post-prison supervision or work release, it shall enter an order to that effect and the order shall convert the terms of the prisoner's confinement to life imprisonment with the possibility of parole, release to post-prison supervision or work release and may set a release date. Otherwise, the board shall deny the relief sought in the petition.

(e) If the board denies the relief sought in the petition, the board shall determine the date of the subsequent hearing, and the prisoner may petition for an interim hearing, in accordance with ORS 144.285.

(f) The board's final order shall be accompanied by findings of fact and conclusions of law. The findings of fact shall consist of a concise statement of the underlying facts supporting the findings as to each contested issue of fact and as to each ultimate fact required to support the board's order.

(6) As used in this section:

(a) "Assault" means the intentional, knowing or reckless causation of physical injury to another person. "Assault" does not include the causation of physical injury in a motor vehicle accident that occurs by reason of the reckless conduct of a defendant.

(b) "Neglect or maltreatment" means a violation of ORS 163.535, 163.545 or 163.547 or a failure to provide adequate food, clothing, shelter or medical care that is likely to endanger the health or welfare of a child under 14 years of age or a dependent person. This paragraph is not intended to replace or affect the duty or standard of care required under ORS chapter 677.

(c) "Pattern or practice" means one or more previous episodes.

(d) "Torture" means the intentional infliction of intense physical pain upon an unwilling victim as a separate objective apart from any other purpose.

SECTION 29. ORS 163.155 is amended to read:

163.155. (1) When a defendant, who was at least 15 years of age at the time of committing the murder, is convicted of murdering a pregnant victim under ORS 163.115 (1)(a) and the defendant knew that the victim was pregnant, the defendant shall be sentenced to life imprisonment without the possibility of release or parole **if the person was at least 18 years of age at the time of committing the offense** or to life imprisonment. The court shall conduct a sentencing proceeding to determine whether the defendant shall be sentenced to life imprisonment without the possibility of release or parole as described in subsection (4) of this section or to life imprisonment as described in subsection (5) of this section. If the defendant waives all rights to a jury sentencing proceeding, the court shall conduct the sentencing proceeding as the trier of fact. The procedure for the sentencing proceeding, whether before a court or a jury, shall follow the procedure of ORS 163.150 (1)(a), as modified by this section.

(2) Following the presentation of evidence and argument under subsection (1) of this section, the court shall instruct the jury that the trial court shall sentence the defendant to life imprisonment without the possibility of release or parole as described in subsection (4) of this section, unless after considering all of the evidence submitted, 10 or more members of the jury find there are sufficient mitigating circumstances to warrant life imprisonment with the possibility of release or parole as described in subsection (5) of this section. If 10 or more members of the jury do not find there are sufficient mitigating circumstances to warrant life imprisonment with the possibility of release or parole, the trial court shall sentence the defendant to life imprisonment without the possibility of release or parole as described in subsection (4) of this section. If 10 or more members of the jury find there are sufficient mitigating circumstances to warrant life imprisonment with the possibility of release or parole, the trial court shall sentence the defendant to life imprisonment as described in subsection (5) of this section.

(3) Nothing in this section precludes the court from sentencing the defendant to life imprisonment, as described in subsection (5) of this section, or life imprisonment without the possibility of release or parole, as described in subsection (4) of this section, pursuant to a stipulation of sentence or stipulation of sentencing facts agreed to and offered by both parties if the defendant waives all rights to a jury sentencing proceeding.

(4) A sentence of life imprisonment without the possibility of release or parole under this section may not be suspended, deferred or commuted by any judicial officer, and the State Board of Parole and Post-Prison Supervision may neither parole the prisoner nor reduce the period of confinement in any manner whatsoever. The Department of Corrections or any executive official may not permit the prisoner to participate in any sort of release or furlough program.

(5) If the defendant is sentenced to life imprisonment, the court shall order that the defendant be confined for a minimum of 30 years without possibility of parole[,] **or** release to post-prison supervision **except as provided in section 25 of this 2019 Act, and without the possibility of** release on work release or any form of temporary leave or employment at a forest or work camp.

(6) At any time after completion of the minimum period of confinement pursuant to subsection (5) of this section, the board, upon the petition of a prisoner so confined, shall hold a hearing to determine if the prisoner is likely to be rehabilitated within a reasonable period of time. The sole issue shall be whether the prisoner is likely to be rehabilitated within a reasonable period of time.

The proceeding shall be conducted in the manner prescribed for a contested case hearing under ORS chapter 183, except that:

(a) The prisoner has the burden of proving by a preponderance of the evidence the likelihood of rehabilitation within a reasonable period of time;

(b) The prisoner has the right, if the prisoner is without sufficient funds to employ an attorney, to be represented by legal counsel, appointed by the board, at board expense; and

(c) The prisoner has the right to a subpoena upon a showing of the general relevance and reasonable scope of the evidence sought, provided that any subpoena issued on behalf of the prisoner must be issued by the board pursuant to rules adopted by the board.

(7) If, upon hearing all of the evidence, the board, upon a unanimous vote of three board members or, if the chairperson requires all voting members to participate, a unanimous vote of all voting members, finds that the prisoner is capable of rehabilitation and that the terms of the prisoner's confinement should be changed to life imprisonment with the possibility of parole, release on post-prison supervision or work release, it shall enter an order to that effect and the order shall convert the terms of the prisoner's confinement to life imprisonment with the possibility of parole, release on post-prison supervision or work release and may set a release date. Otherwise the board shall deny the relief sought in the petition.

(8) Not less than two years after the denial of the relief sought in a petition under this section, the prisoner may petition again for a change in the terms of confinement. Further petitions for a change may be filed at intervals of not less than two years thereafter.

VICTIM NOTIFICATION

SECTION 30. (1) The division of the Department of Justice providing victim and survivor services shall, in consultation with district attorney victim assistance programs and community-based victim service providers, develop model policies for providing notice to victims concerning waiver hearings under ORS 419C.349 (1)(a) and hearings conducted pursuant to ORS 420A.203. The policies must ensure that victim notification is provided in a trauma-informed and culturally specific manner.

(2) Prior to a waiver hearing under ORS 419C.349 (1)(a) or a hearing conducted pursuant to ORS 420A.203, notice of the hearing shall be provided to the victim of the offense by the district attorney's victim assistance program in accordance with the model policies described in subsection (1) of this section, and in a manner that informs the victim of the victim's rights. The district attorney's victim assistance program shall also provide to the victim accompaniment to court hearings and referrals to community-based victim services that are, where available, culturally specific.

HB 2045 B STAFF MEASURE SUMMARY

Senate Committee On Judiciary**Action Date:** 05/22/19**Action:** Do pass with amendments to the A-Eng bill. (Printed B-Eng.)**Vote:** 7-0-0-0**Yeas:** 7 - Bentz, Fagan, Gelser, Linthicum, Manning Jr, Prozanski, Thatcher**Fiscal:** Fiscal impact issued**Revenue:** No revenue impact**Prepared By:** Gillian Fischer, Counsel**Meeting Dates:** 4/16, 5/22**WHAT THE MEASURE DOES:**

Updates sex offender registration requirements and deadlines. Amends current deadline for classification of existing sex offender registrants by the State Board of Parole and Post-Prison Supervision (Board) to December 1, 2026. Removes February 1, 2023, deadline for the Oregon State Police (OSP) to enter classifications of existing registrants into the Law Enforcement Data System and instead requires OSP enter the information within a reasonable time after receipt. Makes technical changes. Replaces "unclassified sex offenders" with the statutes specifying the individuals the Board is required to assess and report on progress made to the legislature. Clarifies language relating to persons petitioning review of their sex offender risk assessment classification under ORS 163A.100. States that a petition for review must be filed within 60 days of receiving notice of the classification in person, or if by mail, the time when the notice is sent. Includes exception when good cause is shown for failure to petition within the 60-day time frame. Adds to the circumstances when juvenile courts must ensure that a person required to report as a sex offender complete a form documenting their reporting obligations to include when the person has waived their right to a hearing on the issue of reporting as a sex offender. Requires juvenile courts to forward any order directing a person to register as a sex offender to the Department of State Police. Requires registered sex offenders to report to specified reporting agencies within 10 days of a legal change of name. Requires registered sex offenders report at least 21 days prior to any intended travel outside of the United States. Adds failing to report at least 21 days prior to any intended travel outside the United States and failing to report a legal change of name within 10 days to the list of acts constituting the crime of failure to report as a sex offender listed in ORS 163A.040. Declares emergency, effective on passage.

ISSUES DISCUSSED:

- Meeting current deadline for classification of existing registrants would require 30 additional staff
- Transient individuals challenged due to inability to regularly receive mailed notices of reporting updates or deadlines
- Information-sharing with foreign countries relating to registrants' travel plans
- Criminal consequences for failing to report a legal name change or international travel plans

EFFECT OF AMENDMENT:

Makes technical change.

BACKGROUND:

In 2013, the Legislative Assembly enacted House Bill 2549, which directed the Department of Corrections (DOC) to adopt a sex offender risk assessment tool for use in classifying sex offenders based on the statistical likelihood that an individual sex offender will commit another sex crime. The assessment and classification is to be done prior to an individual's release from DOC's custody or within 60 days of being placed on community supervision. The measure also applied retroactively, directing DOC to classify all sex offenders who were required to report before the implementation of the system, as well as those required to report in the future. The original deadline

HB 2045 B STAFF MEASURE SUMMARY

set forth in the 2013 legislation was extended by the legislative assembly in 2015, and then again in 2017, to provide the Board more time to comply with the directive of the legislation related to unclassified registrants. The State Board of Parole and Post-Prison Supervision assumed the task in place of DOC as part of the 2015 legislation (HB 2320). Offenders are classified as level one, two, or three for risk of re-offense, with a level one presenting the lowest risk of re-offending and a level three the highest. The statute allows any sex offender classified as a level two or a three to petition for review of their classification. A petition for review must be filed no later than 60 days after the person receives notice of the classification.

ORS 163A.020 states the circumstances under which a registered sex offender must report, in person, to the appropriate authority. The current statute does not require a legal change of name be reported at the time of the change. A change of name would only be reported at a subsequent required reporting event, for example, an annual report. The federal Sex Offender Registration and Notification Act (SORNA) requires sex offenders to report, in person, within three days of any legal change of name and 21 days prior to any intended travel outside of the United States.

Juvenile courts are required to ensure a person who is found to be within their jurisdiction under ORS 419C.005, and having been found responsible for having committed an act constituting a felony sex crime, complete a form acknowledging notice of their reporting requirements. Currently, ORS 163A.030 only requires this form when an order is entered by the court after a hearing on the issue of reporting requirements.

House Bill 2045 B combines several sex offender registration updates. First, it extends the deadline for classifying existing sex offenders to December 1, 2026. It also clarifies when notice of classification is presumed to have occurred. HB 2045 B updates Oregon reporting requirements to more closely mirror the federal requirements. HB 2045 B amends the statute to require the reporting requirements form be completed and forwarded, along with the court order to report, to the Department of State Police when a person has also waived their right to the available hearing or has failed to appear at a hearing.

32 (2) A violation making a tenant subject to termination under subsection (1) of this section in-
33 cludes a tenant's failure to maintain the space as required by law, ordinance, rental agreement or

38 tenant of the reasons for termination of the tenancy and state that the tenant may avoid termination
39 by correcting the violation as provided in subsection (4) of this section.

40 (4) The tenant may avoid termination of the tenancy by correcting the violation within the
41 30-day period specified in subsection (1) of this section. However, if substantially the same act or
42 omission that constituted a prior violation of which notice was given recurs within six months after
43 the date of the notice, the landlord may terminate the tenancy upon at least 20 days' written notice
44 specifying the violation and the date of termination of the tenancy.

45 (5) Notwithstanding subsection (3) or (4) of this section, a tenant who is given a notice of ter-

1 mination under subsection (1)(c) of this section does not have a right to correct the violation. A
 2 notice given to a tenant under subsection (1)(c) of this section must state that the tenant does not

 5 under ORS 90.394 or for other cause under ORS 90.380 (5)(b), 90.396, 90.398 or 90.632 by complying
 6 with ORS 105.105 to 105.168.

7 (7) A tenancy terminates on the date designated in the notice and without regard to the expi-
 8 ration of the period for which, by the terms of the rental agreement, rents are to be paid. Unless
 9 otherwise agreed, rent is uniformly apportionable from day to day.

10 (8) Notwithstanding any other provision of this section or ORS 90.394, 90.396 or 90.398, the
 11 landlord may terminate the rental agreement for space for a manufactured dwelling or floating home
 12 because of repeated late payment of rent by giving the tenant not less than 30 days' notice in

 17 in at least three of the preceding 12 months and the landlord has given the tenant a nonpayment
 18 of rent termination notice pursuant to ORS 90.394 (2) during each of those three instances of non-
 19 payment;

20 (b) The landlord warns the tenant of the risk of a 30-day notice for termination with no right
 21 to correct the cause, upon the occurrence of a third nonpayment of rent termination notice within
 22 a 12-month period. The warning must be contained in at least two nonpayment of rent termination
 23 notices that precede the third notice within a 12-month period or in separate written notices that
 24 are given concurrent with, or a reasonable time after, each of the two nonpayment of rent termi-
 25 nation notices; and

26 (c) The 30-day notice of termination states facts sufficient to notify the tenant of the cause for
 27 termination of the tenancy and is given to the tenant concurrent with or after the third or a sub-
 28 sequent nonpayment of rent termination notice.

29 (9) Notwithstanding subsection (4) of this section, a tenant who receives a 30-day notice of ter-
 30 mination pursuant to subsection (8) of this section does not have a right to correct the cause for the
 31 notice.

32 (10) The landlord may give a copy of the notice required by subsection (8) of this section to any
 33 lienholder of the manufactured dwelling or floating home by first class mail with certificate of
 34 mailing or by any other method allowed by ORS 90.150 (2) and (3). A landlord is not liable to a
 35 tenant for any damages incurred by the tenant as a result of the landlord giving a copy of the notice

 8 The Chief Justice shall, by rule or order, establish standards and guidelines for the release of juve-
 9 nile court information for research and evaluation purposes to ensure confidentiality consistent with
 10 state and federal law and to promote consistent statewide application of this subsection. Statistics
 11 and analyses released by researchers and evaluators under this subsection may not contain any in-
 12 formation that identifies any individual person involved in a juvenile court proceeding.

13 (16) Subject to subsection (11) of this section, the office of public defense services shall be per-
 14 mitted access to juvenile court records for the purposes of performing the office's duties as set forth

24 (18)(a) A child, ward, youth or youth offender, or the parent or guardian of a child, ward, youth
 25 or youth offender who is a party to the juvenile court proceeding, who is entitled to inspect or copy
 26 the record of the case under subsection (1)(b) and (c) of this section maintains the right to inspect

 39 this state.

40 (b) If a person has been convicted of a sex crime and was sentenced to a term of imprisonment
 41 in a Department of Corrections institution for that sex crime, but was not subjected to a risk as-

- Effects of labels

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

The Department of Corrections (DOC) averages just under 15,000 individuals in its care and custody at any point in time. Approximately 95 percent of those individuals will return to the community after incarceration, with approximately 440 individuals released each month. Over the course of the last seven years, DOC has focused its efforts on the successful reentry of individuals after incarceration. A piece of that work has been to provide reformation and treatment in a normalized environment and a humane manner.

House Bill 3146 replaces all statutory references to "inmate" with "adult in custody."

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 21.682 is amended to read:

21.682. (1) A judge may waive or defer all or part of the fees and court costs payable to the court by a party in a civil action or proceeding, including sheriff's fees under ORS 21.300 (1)(a), if the judge finds that the party is unable to pay all or any part of the fees and costs. Waiver or deferral under this section of the fees or court costs of an *[inmate]* **adult in custody**, as defined in ORS 30.642, is subject to ORS 30.642 to 30.650.

(2) A presiding judge may delegate authority to waive or defer fees and court costs under this section to the court administrator for the court in which the judge serves. A delegation of authority under this subsection must be in writing and must be subject to clear standards. If a delegation is made under this subsection, an applicant may seek review of the court administrator's decision by a judge. If an applicant requests review of a court administrator's decision, the court administrator shall forward the application for waiver or deferral of the fees or court costs to the appropriate judge.

(3) A court may not delay or refuse to enter an order or judgment in an action or proceeding because deferred fees and court costs have not been paid.

SECTION 2. ORS 21.695 is amended to read:

(a) The party requesting the transcript is unable to pay the expense of preparing the transcript; and

(b) The party requesting the transcript makes a prima facie showing that the transcript is necessary to prosecute the appeal and would reveal reversible error in the action or proceeding.

(2) If the Supreme Court or the Court of Appeals waives or defers any part of the expense of preparing a transcript on appeal, the court shall authorize preparation of only as much of the transcript as is necessary to prosecute the appeal. The State Court Administrator shall pay the unpaid costs of preparing the transcript out of funds appropriated for that purpose.

(3) If the Supreme Court or the Court of Appeals defers payment of any part of the expense of preparing a transcript on appeal and any part of the deferred expense remains unpaid at the conclusion of the appeal, a judgment may be entered for the unpaid amount in the manner provided by ORS 21.692.

(4) If the State Court Administrator pays any costs of preparing a transcript on appeal under subsection (2) of this section and costs on appeal are awarded to the obligor, a money award to the State Court Administrator shall be included in the judgment for all waived or deferred transcript costs paid by the State Court Administrator.

30.320. A suit or action may be maintained against any county and against the State of Oregon by and through and in the name of the appropriate state agency upon a contract made by the county in its corporate character, or made by such agency and within the scope of its authority; provided, however, that no suit or action may be maintained against any county or the State of Oregon upon a contract relating to the care and maintenance of an *[inmate]* **adult in custody** or patient of any county or state institution. An action or suit may be maintained against any other public corporation mentioned in ORS 30.310 for an injury to the rights of the plaintiff arising from some act or omission of such other public corporation within the scope of its authority. An action may be maintained against any governmental unit mentioned in ORS 30.310 for liability in tort only as provided in ORS 30.260 to 30.300. An action or suit to quiet title may be maintained against any governmental unit mentioned in ORS 30.310.

SECTION 4. ORS 30.642 is amended to read:

30.642. As used in ORS 30.642 to 30.650:

(1) "Action against a public body" means a civil action, including an action brought in a small claims department, an appeal or a petition for review, that names as a defendant a public body as defined in ORS 30.260 or an officer, employee or agent of a public body. "Action against a public body" does not mean petitions for writs of habeas corpus, petitions for writs of mandamus and petitions for post-conviction relief under ORS 138.510 to 138.680.

(2) "**Adult in custody**" means a person incarcerated or detained in a correctional facility who is accused of, convicted of or sentenced for a violation of criminal law or for the violation of the terms and conditions of pretrial release, probation, parole, post-prison supervision or a diversion program.

[(2)] (3) "Correctional facility" means a Department of Corrections institution or a jail.

[(3)] "*Inmate*" means a person incarcerated or detained in a correctional facility who is accused of, convicted of or sentenced for a violation of criminal law or for the violation of the terms and conditions of pretrial release, probation, parole, post-prison supervision or a diversion program.]

SECTION 5. ORS 30.643 is amended to read:

30.643. (1) If an *[inmate]* **adult in custody** seeks to file an action against a public body, the fees and court costs of the *[inmate]* **adult in custody** may be waived or deferred only in the manner provided by this section.

(2) Any *[inmate]* **adult in custody** seeking waiver or deferral of fees or court costs must submit with the application for waiver or deferral a certified copy of the *[inmate's]* trust account statement **of the adult in custody** for the six-month period immediately preceding the filing of the complaint, petition, notice of appeal or petition for review. The statement must be certified as correct by an official of each correctional facility in which the *[inmate]* **adult in custody** was confined within the six-month period or by an employee of the Department of Corrections charged with the responsibility of overseeing *[inmate]* **adult in custody** trust accounts.

(3) Upon the filing of a statement under subsection (2) of this section, the court shall review the information in the statement relating to deposits in the *[inmate's]* trust account **of the adult in custody** and any other resources available to the *[inmate]* **adult in custody**. The court may only waive the *[inmate's]* fees and court costs **of the adult in custody** if the court determines that the *[inmate]* **adult in custody** has no funds and will not have funds.

(4) If the court makes a determination that an *[inmate]* **adult in custody** has or will have funds to pay fees and court costs, the court shall require full payment of the filing fees and court costs, or, if funds are not immediately available in the *[inmate's]* trust account, shall assess and collect filing fees and court costs as funds become available in the *[inmate's]* trust account.

(5) On its own motion or on the motion of the public body, the court may review the pleadings of the *[inmate]* **adult in custody** in an action against a public body at the time a request for waiver or deferral of filing fees or court costs is made. If the court finds that the pleadings fail to state a claim for which relief may be granted, the court may decline to waive or defer filing fees or court costs. The court shall enter a denial of waiver or deferral of fees and costs under this subsection as a limited judgment. Notwithstanding the time established by statute for the commencement of an action, if a limited judgment is entered under this subsection within 30 days of the expiration of the time allowed for commencing the action, the *[inmate]* **adult in custody** may commence the action not later than 45 days after the judgment is entered. Only one extension of the time allowed for commencing an action may be granted by the court under this section.

(6) Nothing in this section shall be construed as preventing an *[inmate]* **adult in custody** from bringing an action against a public body because the *[inmate]* **adult in custody** has no assets or means by which to pay the initial partial filing fee as provided under this section.

SECTION 6. ORS 30.645 is amended to read:

30.645. (1) Except as provided in subsection (2) of this section, the court may not waive or defer *[an inmate's]* **the** fees or court costs under ORS 30.643 **for an adult in custody** if the *[inmate]* **adult in custody** has, on three or more prior occasions while incarcerated or detained in any correctional facility, filed an action against a public body in a court of this state that was dismissed on the grounds that the action:

- (a) Was frivolous or malicious;
- (b) Failed to state a claim upon which relief could be granted; or
- (c) Sought monetary relief from a defendant who is immune from a claim for monetary relief.

(2) The court may waive or defer fees or court costs of an *[inmate]* **adult in custody** who would not otherwise be eligible for waiver or deferral under subsection (1) of this section if the *[inmate]* **adult in custody** establishes in the application for waiver or deferral that the *[inmate]* **adult in custody** is in imminent danger of serious physical injury and the action against a public body is needed to seek relief from that danger.

SECTION 7. ORS 30.646 is amended to read:

30.646. (1) If an *[inmate]* **adult in custody** files an action against a public body and a judgment is entered that requires the *[inmate]* **adult in custody** to pay costs to the public body, the *[inmate]* **adult in custody** must pay the full amount of the costs ordered.

(2) Payment for costs under this section shall be made by deductions from the income credited to the *[inmate's]* trust account **of the adult in custody**.

SECTION 8. ORS 30.647 is amended to read:

30.647. (1) If fees or court costs of an *[inmate]* **adult in custody** have been waived or deferred under ORS 30.643, a court shall dismiss the case if at any time the court determines that the

[inmate] **adult in custody** was in fact able to pay fees and court costs at the time the application for waiver or deferral was made under ORS 21.680 to 21.698.

(2) If [an inmate's] **the** fees or court costs have been waived or deferred under ORS 30.643 **for an adult in custody**, a court shall dismiss the case if at any time the court determines that each claim in the action, petition or appeal:

(a) Is frivolous or malicious;

(b) Fails to state a claim upon which relief may be granted, and the court denies leave to amend;
or

(c) Seeks monetary relief against a defendant who is immune from a claim for monetary relief.

(3) Upon appeal of any dismissal under this section, the Court of Appeals on its own motion, or on the motion of the respondent, may summarily affirm the judgment of the trial court, with or without submission of briefs and without oral argument, if the Court of Appeals determines that the appeal does not present a substantial question of law. Notwithstanding ORS 2.570, the Chief Judge of the Court of Appeals may deny a respondent's motion for summary affirmance under this subsection or may grant the motion if the petitioner does not oppose the motion. A dismissal of an appeal under this subsection constitutes a decision on the merits of the case.

SECTION 9. ORS 30.648 is amended to read:

30.648. (1)(a) An [inmate] **adult in custody** who brings an action against a public body in a small claims department must serve the notice and claim and all subsequent filings on the public body. If the public body is the Department of Corrections or another state agency, the [inmate] **adult in custody** must also serve the notice and claim and all subsequent filings on the Attorney General.

(b) Notice and claim served under paragraph (a) of this subsection must be served in the manner provided in ORS 46.445 except that the statement required under ORS 46.445 (4) must read "30 DAYS" instead of "14 DAYS."

(2) The public body or Attorney General served under subsection (1) of this section must take action as required under ORS 46.455 except that the public body or Attorney General must admit or deny the claim within 30 days after the date of service.

(3) Notwithstanding ORS 46.405, in an action against a public body brought under this section, the court shall transfer the action to the regular department of the circuit court upon request of the public body or, if the public body is the Department of Corrections or another state agency, or an officer, employee or agent of the Department of Corrections or the state agency, upon request of the public body or the Attorney General.

(4) Notwithstanding ORS 46.415, in an action against a public body brought under this section, if the public body is the Department of Corrections or another state agency, or an officer, employee or agent of the Department of Corrections or the state agency, an attorney or paralegal employed by the Department of Justice may appear and represent the public body.

(5)(a) Notwithstanding ORS 46.475, in an action against a public body brought under this section, notice of intent to apply for an order of default, in the form prescribed by Uniform Trial Court Rule 2.010, must be filed and served on the public body against which an order of default is sought at least 10 days before a court may enter an order of default. If the public body is the Department of Corrections or another state agency, or an officer, employee or agent of the Department of Corrections or the state agency, notice must also be served on the Attorney General.

(b) The court may not enter a default judgment in favor of the [inmate] **adult in custody** unless the [inmate] **adult in custody** submits to the court proof of service by affidavit of the notice and claim required under subsection (1) of this section and the notice of intent to apply for an order of default required under paragraph (a) of this subsection.

SECTION 10. ORS 30.650 is amended to read:

30.650. Noneconomic damages, as defined in ORS 31.710, may not be awarded to an [inmate] **adult in custody** in an action against a public body unless the [inmate] **adult in custody** has established that the [inmate] **adult in custody** suffered economic damages, as defined in ORS 31.710.

SECTION 11. ORS 34.365 is amended to read:

34.365. (1) Any court of the State of Oregon may authorize the filing of a petition for a writ of habeas corpus by or on behalf of any person imprisoned or otherwise restrained of liberty by virtue of a charge or conviction of crime without payment of the filing fees therefor, if such person presents to the court or judge thereof satisfactory proof, by affidavit and as otherwise required by such judge, that the person is unable to pay such fees.

(2) Notwithstanding the fact that a court has authorized the filing of a petition without payment of the filing fee required by ORS 34.340, the fee may be drawn from, or charged against, the plaintiff's trust account if the plaintiff is an [inmate] **adult in custody** in a correctional facility.

SECTION 12. ORS 34.370 is amended to read:

34.370. (1) Except as provided in subsection (6) of this section, the judge to whom the petition for a writ of habeas corpus is presented shall, without delay, issue an order directing the defendant to show cause why the writ should not be allowed.

(2) Upon the issuance of a show cause order under subsection (1) of this section, the following shall apply:

(a) The judge shall order that the defendant appear in writing in opposition to the issuance of the writ as soon as is practicable and not more than 14 days from the date that the show cause order issues.

(b) The judge shall rule on the show cause order within seven days after either the defendant files a written appearance in opposition or the appearance period expires, whichever comes first. Upon making a ruling, the judge shall do one of the following, as appropriate:

(A) If the petition is a meritless petition, issue a judgment denying the petition and ordering the plaintiff to pay the cost of attorney fees incurred by the defendant. In no case shall the award of attorney fees exceed \$100. The fees may be drawn from, or charged against, the [inmate's] trust account **of the adult in custody**.

(B) Issue a judgment granting appropriate habeas corpus relief.

(C) Issue a writ of habeas corpus requiring that a return be made.

(3) Entry of a judgment under subsection (2)(b)(A) or subsection (6) of this section shall be without prejudice. The judgment shall explain to the parties the reason for the denial.

(4) If the court has issued a writ of habeas corpus requiring a return under subsection (2)(b)(C) of this section, the parties may stipulate to a hearing as described in ORS 34.670 without the necessity of a return or a replication. If the court accepts the stipulation, it shall set the matter for hearing in an expedited manner.

(5) Issuance of the writ under subsection (2) of this section shall not bind the court with respect to any subsequent rulings related to the pleadings of the parties or the ultimate disposition of the proceeding.

(6) The court may, on its own motion, enter a judgment denying a meritless petition brought under ORS 34.310 to 34.730.

(7) As used in this section, "meritless petition" means one which, when liberally construed, fails to state a claim upon which habeas corpus relief may be granted.

SECTION 13. ORS 46.405 is amended to read:

46.405. (1) Except as provided in subsection (6) of this section, each circuit court shall have a small claims department.

(2) Except as provided in this section, all actions for the recovery of money, damages, specific personal property, or any penalty or forfeiture must be commenced and prosecuted in the small claims department if the amount or value claimed in the action does not exceed \$750.

(3) Except as provided in this section, an action for the recovery of money, damages, specific personal property, or any penalty or forfeiture may be commenced and prosecuted in the small claims department if the amount or value claimed in the action does not exceed \$10,000.

(4)(a) Class actions may not be commenced and prosecuted in the small claims department.

(b) An action by an [inmate] **adult in custody**, as defined in ORS 30.642, against another [inmate] **adult in custody** may not be commenced and prosecuted in the small claims department.

(5) Actions providing for statutory attorney fees in which the amount or value claimed does not exceed \$750 may be commenced and prosecuted in the small claims department or may be commenced and prosecuted in the regular department of the circuit court. This subsection does not apply to an action based on contract for which attorney fees are authorized under ORS 20.082.

(6) If a circuit court is located in the same city as a justice court, the circuit court need not have a small claims department if the circuit court and the justice court enter into an intergovernmental agreement that provides that only the justice court will operate a small claims department. If an intergovernmental agreement is entered into under this subsection, the agreement must establish appropriate procedures for referring small claims cases to the justice court.

SECTION 14. ORS 51.090 is amended to read:

51.090. The jurisdiction conferred by ORS 51.080 does not extend to:

- (1) An action in which the title to real property shall come in question.
- (2) An action for false imprisonment, libel, slander or malicious prosecution.
- (3) An action brought by an *[inmate]* **adult in custody** as defined in ORS 30.642.

SECTION 15. ORS 135.760 is amended to read:

135.760. (1) Any *[inmate]* **adult** in the custody of the Department of Corrections or of the supervisory authority of a county pursuant to a commitment under ORS 137.124 (2) against whom there is pending at the time of commitment or against whom there is filed at any time during imprisonment, in any court of this state, an indictment, information or criminal complaint charging the *[inmate]* **adult in custody** with the commission of a crime, may give written notice to the district attorney of the county in which the *[inmate]* **adult in custody** is so charged requesting the district attorney to prosecute and bring the *[inmate]* **adult in custody** to trial on the charge forthwith.

(2) The notice provided for in subsection (1) of this section shall be signed by the *[inmate]* **adult in custody** and set forth the place and term of imprisonment. A copy of the notice shall be sent to the court in which the *[inmate]* **adult in custody** has been charged by indictment, information or complaint.

SECTION 16. ORS 135.763 is amended to read:

135.763. (1) The district attorney, after receiving a notice requesting trial under ORS 135.760, shall, within 90 days of receipt of the notice, bring the *[inmate]* **adult in custody** to trial upon the pending charge.

(2) The court shall grant any reasonable continuance with the consent of the defendant. Notwithstanding the defendant's lack of consent, the court may grant a continuance on motion of the district attorney or on its own motion, for good cause shown. The fact of imprisonment is not good cause for the purposes of this subsection.

SECTION 17. ORS 135.765 is amended to read:

135.765. (1) On motion of the defendant or the counsel of the defendant, or on its own motion, the court shall dismiss any criminal proceeding not brought to trial in accordance with ORS 135.763.

(2) This section shall not apply:

(a) When failure to bring the *[inmate]* **adult in custody** to trial within 90 days after the district attorney receives notice under ORS 135.760 was the result of motions filed on behalf of the *[inmate]* **adult in custody**, or of a grant by the court of a continuance on motion of the district attorney or on its own motion, for good cause shown; or

(b) When the *[inmate]* **adult in custody** is unavailable for trial, other than by imprisonment, or because of other pending criminal proceedings against the *[inmate]* **adult in custody**.

SECTION 18. ORS 135.767 is amended to read:

135.767. (1) Whenever the presence of an *[inmate]* **adult** in the custody of the Department of Corrections or of the supervisory authority of a county pursuant to a commitment under ORS 137.124 (2) is necessary in any criminal proceeding under ORS 135.760 to 135.773, the court wherein the *[inmate]* **adult in custody** is charged with the commission of a crime may:

(a) Issue an order directing the Director of the Department of Corrections or the supervisory authority of a county to surrender the *[inmate]* **adult in custody** to the sheriff of the county where the *[inmate]* **adult in custody** is to be tried; or

(b) Ensure that arrangements for the *[inmate]* **adult in custody** to appear by simultaneous electronic transmission as described in ORS 131.045 have been made.

(2) The county where an *[inmate]* **adult in custody** is charged with commission of a crime shall pay the costs of:

(a) Transportation and maintenance of the *[inmate]* **adult in custody** removed under this section; or

(b) Providing for the *[inmate]* **adult in custody** to appear by simultaneous electronic transmission.

(3) If an *[inmate]* **adult in custody** is transported under this section for a criminal proceeding under ORS 135.760 to 135.773, at the conclusion of the proceeding, notwithstanding the provisions of ORS 137.167, the *[inmate]* **adult in custody** shall be returned by the sheriff to the custody of the Department of Corrections or the supervisory authority of the county in which the *[inmate]* **adult in custody** is imprisoned.

(4) The time during which an *[inmate]* **adult** is in the custody of the sheriff under this section is part of and shall be counted as time served under the original sentence.

SECTION 19. ORS 135.770 is amended to read:

135.770. No *[inmate]* **adult** in the custody of a sheriff under ORS 135.767 shall be released pending a criminal proceeding under ORS 135.760 to 135.773 or any appeal therefrom.

SECTION 20. ORS 135.773 is amended to read:

135.773. The district attorney shall, in all proceedings against *[inmates]* **adults in custody** under ORS 135.760 to 135.773, obtain for and furnish to the court a certified copy of the judgment, sentence or commitment order pursuant to which the *[inmate]* **adult in custody** is imprisoned.

SECTION 21. ORS 135.785 is amended to read:

135.785. The official in charge of a Department of Corrections institution in this state shall give over the person of any *[inmate]* **adult in custody** thereof whenever so required by the operation of the Agreement on Detainers.

SECTION 22. ORS 137.124 is amended to read:

137.124. (1) If the court imposes a sentence upon conviction of a felony that includes a term of incarceration that exceeds 12 months:

(a) The court shall not designate the correctional facility in which the defendant is to be confined but shall commit the defendant to the legal and physical custody of the Department of Corrections; and

(b) If the judgment provides that the term of incarceration be served consecutively to a term of incarceration of 12 months or less that was imposed in a previous proceeding by a court of this state upon conviction of a felony, the defendant shall serve any remaining part of the previously imposed term of incarceration in the legal and physical custody of the Department of Corrections.

(2)(a) If the court imposes a sentence upon conviction of a felony that includes a term of incarceration that is 12 months or less, the court shall commit the defendant to the legal and physical custody of the supervisory authority of the county in which the crime of conviction occurred.

(b) Notwithstanding paragraph (a) of this subsection, when the court imposes a sentence upon conviction of a felony that includes a term of incarceration that is 12 months or less, the court shall commit the defendant to the legal and physical custody of the Department of Corrections if the court orders that the term of incarceration be served consecutively to a term of incarceration that exceeds 12 months that was imposed in a previous proceeding or in the same proceeding by a court of this state upon conviction of a felony.

(3) After assuming custody of the convicted person the Department of Corrections may transfer *[inmates]* **adults in custody** from one correctional facility to another such facility for the purposes of diagnosis and study, rehabilitation and treatment, as best seems to fit the needs of the *[inmate]*

adult in custody and for the protection and welfare of the community and the [inmate] **adult in custody**.

(4) If the court imposes a sentence of imprisonment upon conviction of a misdemeanor, it shall commit the defendant to the custody of the supervisory authority of the county in which the crime of conviction occurred.

(5)(a) When a person under 18 years of age at the time of committing the offense and under 20 years of age at the time of sentencing is committed to the Department of Corrections under ORS 137.707, the Department of Corrections shall transfer the physical custody of the person to the Oregon Youth Authority as provided in ORS 420.011 if:

(A) The person will complete the sentence imposed before the person attains 25 years of age;

(B) The Department of Corrections and the Oregon Youth Authority determine that, because of the person's age, immaturity, mental or emotional condition or risk of physical harm to the person, the person should not be incarcerated initially in a Department of Corrections institution; or

(C) The person is under 18 years of age at the time of sentencing and commitment.

(b) A person placed in the custody of the Oregon Youth Authority under this subsection who is at least 18 years of age shall be returned to the physical custody of the Department of Corrections whenever the Director of the Oregon Youth Authority, after consultation with the Department of Corrections, determines that the conditions or circumstances that warranted the transfer of custody under this subsection are no longer present.

(c) Notwithstanding ORS 137.320, the sheriff may by agreement with the Department of Corrections transfer the person described in this subsection directly to a youth correction facility for physical custody without first delivering the person to the Department of Corrections. As part of the agreement with the Department of Corrections, the sheriff may designate the county juvenile department or the Oregon Youth Authority to conduct the direct transfer described in this paragraph if the sheriff has entered into a written agreement with the county juvenile department, the Oregon Youth Authority, or both, to provide the direct transfer.

(6)(a) When a person under 18 years of age at the time of committing the offense and under 20 years of age at the time of sentencing is committed to the legal and physical custody of the Department of Corrections or the supervisory authority of a county following waiver under ORS 419C.349, 419C.352, 419C.364 or 419C.370 or sentencing under ORS 137.707 (5)(b)(A) or (7)(b) or 137.712, the Department of Corrections or the supervisory authority of a county shall transfer the person to the physical custody of the Oregon Youth Authority for placement as provided in ORS 420.011 (3). The terms and conditions of the person's incarceration and custody are governed by ORS 420A.200 to 420A.206. Notwithstanding ORS 137.320, the sheriff may by agreement with the Department of Corrections or the supervisory authority of a county transfer the person described in this subsection directly to a youth correction facility for physical custody without first delivering the person to the Department of Corrections or supervisory authority of the county. As part of the agreement with the Department of Corrections or supervisory authority of the county, the sheriff may designate the county juvenile department or the Oregon Youth Authority to conduct the direct transfer described in this paragraph if the sheriff has entered into a written agreement with the county juvenile department, the Oregon Youth Authority, or both, to provide the direct transfer.

(b) Notwithstanding ORS 137.320, when a person under 16 years of age is waived under ORS 419C.349, 419C.352, 419C.364 or 419C.370 and subsequently is sentenced to a term of imprisonment in the county jail, the sheriff shall transfer the person to a youth correction facility for physical custody as provided in ORS 420.011 (3).

(7) If the Director of the Oregon Youth Authority concurs in the decision, the Department of Corrections or the supervisory authority of a county shall transfer the physical custody of a person committed to the Department of Corrections or the supervisory authority of the county under subsection (1) or (2) of this section to the Oregon Youth Authority as provided in ORS 420.011 (2) if:

(a) The person was at least 18 years of age but under 20 years of age at the time of committing the felony for which the person is being sentenced to a term of incarceration;

(b) The person is under 20 years of age at the time of commitment to the Department of Corrections or the supervisory authority of the county;

(c) The person has not been committed previously to the legal and physical custody of the Department of Corrections or the supervisory authority of a county;

(d) The person has not been convicted and sentenced to a term of incarceration for the commission of a felony in any other state;

(e) The person will complete the term of incarceration imposed before the person attains 25 years of age;

(f) The person is likely in the foreseeable future to benefit from the rehabilitative and treatment programs administered by the Oregon Youth Authority;

(g) The person does not pose a substantial danger to Oregon Youth Authority staff or persons in the custody of the Oregon Youth Authority; and

(h) At the time of the proposed transfer, no more than 50 persons are in the physical custody of the Oregon Youth Authority under this subsection.

(8) Notwithstanding the provisions of subsections (5)(a)(A) or (7) of this section, the department or the supervisory authority of a county may not transfer the physical custody of the person under subsection (5)(a)(A) or (7) of this section if the Director of the Oregon Youth Authority, after consultation with the Department of Corrections or the supervisory authority of a county, determines that, because of the person's age, mental or emotional condition or risk of physical harm to other persons, the person should not be incarcerated in a youth correction facility.

(9) Notwithstanding any other provision of this section, under no circumstances may a person under 18 years of age be incarcerated in a Department of Corrections institution.

SECTION 23. ORS 138.527 is amended to read:

138.527. (1) In addition to any other relief a court may grant or order under ORS 138.510 to 138.680, the court shall award attorney fees to the prevailing party if the court finds that the other party's petition or response was frivolous.

(2) An award of attorney fees under this section may not exceed \$100.

(3) If the party required to pay attorney fees is an *[inmate]* **adult in the custody** of a correctional institution, the fees may be drawn from, or charged against, the *[inmate's]* trust account **of the adult in custody**.

SECTION 24. ORS 138.590 is amended to read:

138.590. (1) Any petitioner who is unable to pay the expenses of a proceeding pursuant to ORS 138.510 to 138.680 or to employ suitable counsel possessing skills and experience commensurate with the nature of the conviction and complexity of the case for the proceeding may proceed as a financially eligible person pursuant to this section upon order of the circuit court in which the petition is filed.

(2) If the petitioner wishes to proceed as a financially eligible person, the person shall file with the petition an affidavit stating inability to pay the expenses of a proceeding pursuant to ORS 138.510 to 138.680, including, but not limited to, the filing fee required by ORS 138.560, or to employ suitable counsel for such a proceeding. The affidavit shall contain a brief statement of the petitioner's assets and liabilities and income during the previous year. If the circuit court is satisfied that the petitioner is unable to pay such expenses or to employ suitable counsel, it shall order that the petitioner proceed as a financially eligible person. If the court finds that a petitioner who has been sentenced to death is not competent to decide whether to accept or reject the appointment of counsel, the court shall appoint counsel to represent the petitioner. However, when a circuit court orders petitioner's case transferred to another circuit court as provided in ORS 138.560 (4), the matter of petitioner's proceeding as a financially eligible person shall be determined by the latter court.

(3) If a petitioner who has been sentenced to death qualifies for the appointment of counsel under this section but rejects the appointment, the court shall determine, after a hearing if necessary, whether the petitioner rejected the offer of counsel and made the decision with an understanding of its legal consequences. The court shall make appropriate findings on the record.

(4) In the order to proceed as a financially eligible person, the circuit court shall appoint suitable counsel to represent petitioner. Counsel so appointed shall represent petitioner throughout the proceedings in the circuit court. The court may not substitute one appointed counsel for another except pursuant to the policies, procedures, standards and guidelines of the Public Defense Services Commission.

(5) If counsel appointed by the circuit court determines that the petition as filed by petitioner is defective, either in form or in substance, or both, counsel may move to amend the petition within 15 days following counsel's appointment, or within a further period as the court may allow. The amendment shall be permitted as of right at any time during this period. If appointed counsel believes that the original petition cannot be construed to state a ground for relief under ORS 138.510 to 138.680, and cannot be amended to state a ground for relief, counsel shall, in lieu of moving to amend the petition, inform the petitioner and notify the circuit court of counsel's belief by filing an affidavit stating the belief and the reasons therefor with the clerk of the circuit court. This affidavit does not constitute a ground for denying the petition prior to a hearing upon its sufficiency, but the circuit court may consider the affidavit in deciding upon the sufficiency of the petition at the hearing.

(6) When a petitioner has been ordered to proceed as a financially eligible person, the expenses which are necessary for the proceedings upon the petition in the circuit court and the compensation to appointed counsel for petitioner as provided in this subsection shall be paid by the public defense services executive director from funds available for the purpose. At the conclusion of proceedings on a petition pursuant to ORS 138.510 to 138.680, the public defense services executive director shall determine and pay, as provided by the policies, procedures, standards and guidelines of the Public Defense Services Commission, the amount of expenses of petitioner and compensation for the services of appointed counsel in the proceedings in the circuit court.

(7) If the public defense services executive director denies, in whole or in part, expenses and compensation submitted for review and payment, the person who submitted the payment request may appeal the decision to the presiding judge of the circuit court. The presiding judge or the designee of the presiding judge shall review the public defense services executive director's decision for abuse of discretion. The decision of the presiding judge or the designee of the presiding judge is final.

(8)(a) When a petitioner has been authorized to proceed as a financially eligible person, all court fees in the circuit court, except for the filing fee required by ORS 138.560, are waived.

(b) When a petitioner is allowed to file a petition without payment of the fee required by ORS 138.560 due to inability to pay, the fee is not waived but may be drawn from, or charged against, the petitioner's trust account if the petitioner is an *[inmate]* **adult in custody** in a correctional facility.

(9) Notwithstanding any other provision of this chapter, a court may not appoint as counsel for a petitioner who has been sentenced to death a counsel who previously represented the petitioner at trial or on automatic and direct review in the case resulting in the death sentence unless the petitioner and the counsel expressly request continued representation.

238.015. (1) No person may become a member of the system unless that person is in the service of a public employer and has completed six months' service uninterrupted by more than 30 consecutive working days during the six months' period. Every employee of a participating employer shall become a member of the system at the beginning of the first full pay period of the employee following the six months' period. Contributions for new members shall first be made for those wages that are attributable to services performed by the employee during the first full pay period following the six months' period, without regard to when those wages are considered earned for other purposes under this chapter. All public employers participating in the Public Employees Retirement System established by chapter 401, Oregon Laws 1945, as amended, at the time of repeal of that chapter, and all school districts of the state, shall participate in, and their employees shall be members of, the system, except as otherwise specifically provided by law.

(2) Any active member of the Public Employees Retirement System who, through the annexation of a political subdivision employing the member or by change of employment, becomes the employee of another political subdivision which is participating in the Public Employees Retirement System and has also a separate retirement system for its employees, shall remain an active member of the Public Employees Retirement System unless, within 60 days after the effective date of the annexation or change of employment or April 8, 1953, the member shall by written notice to the Public Employees Retirement Board and to the administrative body of the new public employer elect to relinquish membership in the Public Employees Retirement System and become a member of the separate retirement system of the employer, if eligible for membership in that retirement system, and the member shall be so carried by the new employer. Immediately upon such annexation of any political subdivision or such change of employment, the new public employer shall inform such employee in writing of the right of the employee to exercise an election as in this section provided.

(3) A political subdivision (other than a school district) not participating in the retirement system established by chapter 401, Oregon Laws 1945, as amended, which employs one or more employees, each of whose position requires 600 hours of service per year, or an agency created by two or more political subdivisions to provide themselves governmental services, which employs one or more employees, each of whose position requires 600 hours of service per year, may, through its

governing body, notify the board in writing, that it elects to include its employees in the system hereby established. Such public employer may request the board to make a study and estimate of the cost of including it and its eligible employees, other than volunteer firefighters, in the system, which the board thereupon shall cause to be made and the cost of which the employer shall bear. Upon completion of the study and estimate the employer may apply for admission to the system, whereupon it shall begin to participate therein and its eligible employees other than volunteer firefighters shall become members of the system. If the employer is an agency created by two or more political subdivisions to provide themselves governmental services and ceases thereafter to transmit to the board contributions for any of its eligible employees, the benefits based upon employer contributions to which such employees would otherwise be entitled shall be reduced accordingly.

(4) No [inmate of] **adult in custody in** a state institution or an alien on a training or educational visa working for any participating employer, even though the [inmate] **adult in custody** or alien received compensation from a participating employer, shall be eligible to become a member of the system. No person employed by a participating employer and defined by such employer as a student employee is eligible to become a member of the system for such student employment.

(5) A person holding an elective office or an appointive office with a fixed term or an office as head of a department to which the person is appointed by the Governor may become a member of the system by giving the board written notice of desire to do so within 30 days after taking the office or, in the event that the officer is not eligible to become a member of the system at the time of taking the office, within 30 days after becoming so eligible. Membership so established shall not be discontinued during the appointive or elective term of the officer except upon separation of the officer from service.

(6) A public employer employing volunteer firefighters may apply to the board at any time for them to become members of the system. Upon receiving the application the board shall fix a wage at which, for purposes of this chapter only, they shall be considered to be employed and which shall be the basis for computing the amounts of the contributions, if any, which they pay into, and of the benefits which they and their beneficiaries receive from, the fund; and if the wage so fixed is satisfactory to the employer, shall include the firefighters in the system.

(7)(a) In the event that an employee enters the service of a public employer which is participating in or later begins to participate in the system and in the event that at the time of entering that service or at the time that the employer begins to participate in the system the employee has commenced to purchase and is continuing to purchase a retirement annuity, if the employer deems the annuity adequate for the purposes of this chapter, it may enter into an agreement with the employee and the board pursuant to which the employee may be exempted from contributing to the Public Employees Retirement Fund, and, if no public funds are being used to purchase the annuity or a corresponding pension, the employer, in lieu of the contributions which it otherwise would make to the fund on account of the employee, may make contributions toward the cost of purchasing the annuity. Such employee otherwise shall be subject to the provisions of this chapter, except that neither the employee nor any person claiming under the employee shall receive any payments from the retirement fund as service or disability allowance.

(b) An employee who enters into an agreement under paragraph (a) of this subsection may elect at any time thereafter to start to participate in the system by giving written notice of desire to participate to the board and to the employer. The employee shall receive no retirement credit for the period during which the employee was exempted from contributing to the fund under the agreement, but the employee shall be considered to have completed the six months' service required for membership in the system. When the employee starts to participate in the system the employer shall start to contribute to the fund on account of the employee in the same manner as the employer contributes on account of other employees who are active members of the system and the employer shall stop making contributions toward the cost of purchasing the retirement annuity.

(8)(a) All new appointees in the Federal Cooperative Extension Service or in any other service in which participation in the Federal Civil Service retirement program is mandatory, who receive

a federal appointment on or after July 1, 1955, may participate in the Public Employees Retirement System only by giving written notice of their election to so participate to the Public Employees Retirement Board within six months after the effective date of their appointment.

(b) All persons employed by the Federal Cooperative Extension Service or by any other service in which participation in the Federal Civil Service retirement program is mandatory, who are under federal appointment as of July 1, 1955, and who are members of the state retirement system, shall continue such membership unless, prior to February 1, 1956, they give written notice to the Public Employees Retirement Board of their desire to cancel their membership.

(c) Any person who is an active member of the Public Employees Retirement System, who, on or after July 1, 1955, is employed by the Federal Cooperative Extension Service or by any other service in which participation in the Federal Civil Service retirement program is mandatory, and who is given a federal appointment, shall continue such membership in the Public Employees Retirement System unless, within six months after the effective date of the appointment, the person gives written notice to the Public Employees Retirement Board of the desire to cancel membership.

(d) A cancellation of membership under paragraph (b) or (c) of this subsection terminates membership in the Public Employees Retirement System and cancels the right to any benefits from, or claims against, that system. Such cancellation prevents the withdrawing member from claiming thereafter any retirement credit for any period of employment before the cancellation. Upon receipt of a notice of cancellation, the Public Employees Retirement Board shall refund the member account of the withdrawing member, regardless of the age of the withdrawing member.

(9) Employees, including managers, of foreign trade offices of the Oregon Business Development Department who live and perform services in foreign countries under the provisions of ORS 285A.075 (1)(g) shall not be members of the system. However, any person who is an active member of the system immediately before becoming an employee of a foreign trade office shall continue to be a member of the system during the period of time the person serves as an employee of the foreign trade office.

(10) An employee who is participating in an alternative retirement program established pursuant to ORS 353.250 or an optional retirement plan established pursuant to ORS 341.551 may not be an active member of the Public Employees Retirement System.

The [*inmate*] **adult in custody** must make written application for an award no later than 180 days following the release of the [*inmate*] **adult in custody** from confinement. The requirements of this subsection may be waived by the department on the ground that, for good and sufficient reason, the claim could not be filed on time.

Liability of the Oregon Department of Administrative Services or the Insurance Fund for the payment of benefits under ORS 655.505 to 655.555 is contingent upon and limited by the availability of reserves in the [inmate] **adult in custody** injury component of the Insurance Fund. In the event that the reserves in the [inmate] **adult in custody** injury component of the Insurance Fund are not sufficient to meet the benefit payments and administration cost for a given period, the expenses of the department shall have precedence over all other claims. (7) Notwithstanding subsections (1) to (4) of this section, an agency may amend a rule without prior notice or hearing if the amendment is solely for the purpose of:

The obligation to meet and negotiate does not compel either party to agree to a proposal or require the making of a concession. This subsection may not be construed to prohibit a public employer and a certified or recognized representative of its employees from discussing or executing written agreements regarding matters other than mandatory subjects of bargaining that are not prohibited by law as long as there is mutual agreement of the parties to discuss these matters, which are permissive subjects of bargaining.

Upon the filing with the board of a petition by 30 percent or more of the employees in an appropriate bargaining unit covered by such union security agreement declaring they desire that the agreement be rescinded, the board shall take a secret ballot of the employees in the unit and certify the results thereof to the recognized or certified bargaining representative and to the public employer. Unless a majority of the votes cast in an election favor the union security agreement, the board shall certify deauthorization of the agreement. A petition for deauthorization of a union security agreement must be filed not more than 90 calendar days after the collective bargaining agreement is executed. C. AGENCY 2021-23 TWO-YEAR STRATEGIC PLANS

Agency Process Improvement Efforts

The Board continually seeks process improvements and efficiencies. Over the past several biennia, there has been a renewed effort to streamline processes in order to help Board members and staff meet the growing workload demands from the new Sex Offender Notification Level Assessments, a growing inmate and offender population, as well as increased requests for victim and stakeholder notification and involvement.

The Board continues to make improvements to the speed and efficiency of risk assessments under the Sex Offender Notification Level (SONL) unit. The Board has partnered with Community Corrections in conducting risk assessments of registered sex offenders. County Community Corrections has agreed to conduct risk assessments of those sex offenders that are currently under their supervision. Using data-based research, the Board SONL unit is now performing a faster assessment on low risk individuals that can be assigned a Level 1. We are proud of our accomplishments this biennium as currently over 8,100 registrants have been assessed. In 2019, four years into assessments, only 4,585 registrants had been assessed.

Efficiencies are expected to continue with improvements to the Parole Board Management Information System (PBMIS), which is the Board's information system that interfaces with the Department of Corrections Information System. The Board has already seen a reduction in agency-produced documents that require printing. Most documents are now stored electronically within PBMIS, and Board members conduct their hearings with electronic documents. Additionally, the agency has moved our Release Planning process toward an electronic records storage and retrieval system. The Board is working with the Department of Corrections, provider of the Board's IT, to research affordable and secure options to transition the agency to an entirely paperless system and electronic storage database.

AGENCY PROGRAM DESCRIPTIONS

Summary of Programs:

The Board of Parole's major functions include setting release dates for individuals who are eligible for parole, establishing community supervision conditions for individuals, and assessing the notification level of individuals who have offended sexually. The Board, functioning as one program, works to:

- Protect the public and reduce the risk of repeat criminal behavior through incarceration and evidence-based community supervision decisions.
- Classify sex offenders to a notification level (SONL) and determine qualifications for reclassification and relief from registration.
- Function as a major partner in the criminal justice system through release decisions, supervisory authority, victim involvement and support, and stakeholder engagement.
- Maintain partnerships with DOC, Criminal Justice Commission, and the Psychiatric Security Review Board.
- Provide training, education, and resource materials to stakeholders including the Department of Justice, district attorneys, defense attorneys, DOC, tribal representatives, Legislators, community correction employees, and other community representatives.
- Establish conditions of community supervision (parole and post-prison supervision) for all offenders being released from prison.
- Issue warrants for absconders and sanction violators of community supervision.
- Notify victims and criminal justice stakeholders of hearings and releases. (This is victim notification only; it does not include notification to district attorney offices, defense attorneys, or other interested parties.)
- Monitor, adjust, and discharge an offender's status on supervision.
- Respond to inmate and offender administrative and judicial appeals.
- Adopt administrative procedures and rules in accordance with statutory and policy changes.
- Provide education, training and resource materials to stakeholders including DOJ attorneys, community corrections, DOC counselors, tribal councils, district attorneys, defense attorneys, and others.
- Hold Morrissey hearings.
- Respond to public, media and offender inquiries.

Parole:

Under the authority of ORS 144 and OAR 255, the Board imposes prison terms and makes parole decisions on certain offenders. The Board of Parole's primary task for most hearings is to determine an individual's efforts towards rehabilitation and the person's current level of risk to reoffend. In the limited circumstances where the Board is tasked to determine an individual's prison term, the Board is bound by strict sentencing rules that were in effect at the time when the crime was committed.

The Board of Parole makes release decisions only for certain individuals with aggravated murder or murder convictions, those who committed their crimes before November of 1989, and those who were designated "dangerous offenders" by the court. Prior to making a release decision, the Board of Parole will order that an individual participate in a psychological evaluation that includes an assessment for risk of reoffending. The Board of Parole evaluates the psychological evaluation and other available information along with experience and professional judgment in making final paroling decisions. Our contracted psychologists utilize multiple validated risk assessments in their evaluations to assess risk of future criminal behavior.

The Board has release authority over approximately 1,000 AICs. The Board holds about 100 hearings a year for AICs eligible for a parole hearing.

Post-Prison Supervision:

The Board of Parole is responsible for setting supervision requirements and conditions for individuals releasing from Oregon prisons. The Board is also responsible for issuing warrants and approving sanctions for violation behavior up to and including a return to prison. The Board is not responsible for the day-to-day supervision of individuals on post-prison supervision or parole. Instead, the Oregon Department of Corrections and local county community correction agencies do that work. However, the Board maintains meaningful partnerships with the Oregon Department of Corrections and local community corrections offices to ensure the best possible chance for success as well as a seamless transition from prison into the community by using sound, evidence-based practices.

As of February 1, 2021, there 12,983 individuals of parole or PPS supervision in Oregon. The Board issues about 300 supervision orders with conditions, 500 warrants, and 600 sanctions a month.

Sex Offenders:

Since 2015, the Board of Parole has been responsible for classifying all adults who have convictions that require them to report as a sex offender into a 3-tier notification level prior to release from the Oregon Department of Correction's custody. Under the authority of ORS 163A.100, et al, and OAR 255, the Board classifies Oregon's registered sex offenders to a risk-based community notification level (Sex Offender Notification Level – SONL): Level I – Low, Level II – Moderate, Level III – High. For all historical registrants who were on the sex offender registry prior to the creation of this program, their classifications are being conducted on a rolling basis. The Board of Parole uses

the Static-99R risk assessment tool as an empirically validated measure of risk to sexually re-offend. Since January of 2019, the Board of Parole holds hearings to determine if a registrant is eligible to be relieved of their requirement to report as a sex offender if they are assessed and placed in the lowest notification level – Level 1. For historical registrants who do not have a level assigned to them yet, they can petition the Board of Parole to initiate the process of assigning them a notification level. If an individual has been assigned a level 2 or 3, in many cases they may petition the Parole Board for a reclassification to a lower level 10 years after being released from supervision for the sex offense.

The Board of Parole uses the Static-99R risk assessment tool to determine the notification level of adult male registrants. The Static-99R is the most widely used sex offender risk assessment tool and is used throughout the United States and around the world. The Static-99R assess the relative risk of an individual to reoffend sexually based on the 10 risk domains most closely related to sexual recidivism. For registrants who do not qualify for the Static-99R risk assessment (i.e. females, juveniles, and certain other registerable offenses) the LS/CMI and an in-person evaluation will be completed to determine a registrant’s notification level.

There are three Sex Offender Notification Levels (I, II, III) that represent the range of people, schools, and businesses in the community who may receive notification about a registrant. This notification is based on the level an individual has been given.

There are currently over 31,000 registered sex offenders in the state of Oregon, with about 100 new registrants added per month. The Board can complete about 2,200 assessments per year based on current staffing level. At current rate, the Board will not meet the 2026 deadline for completing the assessment and leveling of all historical convictions that existed before the program started in 2015.

Victim Services:

The Board of Parole is committed to the rights of victims to play a meaningful role in the criminal justice process, to be treated with dignity and respect, and to receive fair and impartial treatment.

Victims of crime and members of the public may register with the Board of Parole for notification about individuals currently in prison or offenders on parole or post-prison supervision, or for notification about Registered Sex Offenders who may petition the Board for reclassification or relief from registration.

There are approximately 6000 registered victims with the Board and the Board contacts approximately 100 per month.

Administrative Review:

The Board of Parole reviews all legal challenges to Board decisions made by AICs or individuals on supervision. Board decisions are required to be supported by substantial reasoning and evidence. AICs or individuals on supervision may appeal all Board administrative review responses to the Oregon Court of Appeals and be represented by a court-appointed counsel.

The Board conducts about 200 administrative reviews a year.

Organizational Structure:

The Board is currently approved for 5 Board members who are appointed by the Governor and confirmed by the Senate to 4-year terms. The Governor names the chair and vice chair.

The Board currently has 25 FTEs, 20 of which are currently filled. Several positions are held open for budgetary reasons. The Board's organization includes an Executive Director and Operations Manager. The Board has 3 Hearings Officers, an Operations and Policy Analyst, and multiple administrative or office specialists who organize hearings, perform risk assessments, and organizes and issues warrants, sanctions and orders. Additionally, we have 1 Victims' Specialist, a Records Clerk, and a Receptionist.

ENVIRONMENTAL FACTORS:

The following factors have dramatically altered or affected the Board's role and workload in recent years:

- Implementation of HB 2549 (2013), HB 2320 (2015) & SB 76 (2017)
The Board is currently mandated to assess and classify sex offenders to a notification level
- Implementation of HB 3194 (2013)
Changes in process to accommodate short term transitional leave requirements
- Implementation of Measure 11
Made murder convictions with a minimum sentence eligible for parole hearings.
- Implementation of Sentencing Guidelines
Created the post-prison supervision system that replaced the parole system overtime
- Increase in Sex Offender Registrants
The State of Oregon adds 100 offenders to the registry every month, requiring assessment to a notification level.
- Judicial Decisions
Court decisions impact Board decisions and processes
- Victim Responsivity
Increased our efforts to include victims in Board processes and increase our outreach to BIPOC communities
- Fluctuations in Prison Population
Increase in number of individuals on PPS overtime has increased workload

Partnerships to Reduce Duplication of Services and Increase Efficiency:

The Board is working with Community Corrections on sex offender notification level assessments. Community Corrections has agreed to help the Board assess individuals who are under their supervision. The Board also contracts with 9 counties to conduct Morrissey hearings, which are hearings for those who are being revoked or request a hearing for violations of their supervision conditions. The Board partners with local colleges to offer college credit to interns who work for the Board (on hold during pandemic).

The Board does not share programs but works closely with the Department of Corrections and the Criminal Justice Commission. The Board also works closely with the Oregon State Police who maintain and operate the sex offender registry.

Accomplishments and Factors Affecting Caseloads:

- Increasing number of sex offenders eligible for reclass and relief hearings
- Revised OAR 255.085 to allow automatic Level I classification for certain offenders
- Collaborating with community corrections in performing risk assessments of sex offenders under their supervision
- Layoffs – 5 staff were laid-off or resigned during the biennium

Long-Term Vacancies – LWR:

As a small agency with 25 staff members, the Board does not typically incur many long-term vacancies. Due to 2020 budgetary rebalance, there are currently 4 vacancies owing to layoffs and 1 resignation.

- Administrative Specialist 1
- Administrative Specialist 2 - Hearings Coordinator
- Office Specialist 1 - Records
- Office Specialist 1 - Receptionist
- Board Member (resignation)

AGENCY INITIATIVES 2021-27 SIX YEAR PLAN

The Oregon Board of Parole and Post-Prison Supervision has identified the following long-term strategic goals and efforts that will advance the Agency's mission and relate to Oregon Benchmark #64, Adult Recidivism – percentage of paroled offenders convicted of a new felony within three years of initial release. This measure shows the effectiveness of both incarceration and community supervision.

INITIATIVE

A) Protect the Public

- 10-Year Goal: Safety
- KPM #1: Parole Recidivism

STRATEGY

Promote and help develop laws, rules and policies to improve public safety through appropriate release decisions and effective conditions and sanctions for those on supervision in the community. Continue the established partnerships and agreements with the Department of Corrections and Local Supervisory Authorities to return those offenders to custody who are determined to be too dangerous to remain in the community. Continue the practice of carefully screening inmates who are eligible to release from prison, in order to ensure that the inmate is suitable for parole, that adequate community notice has been given, adequate supervision conditions are imposed, and adequate community resources are available. Explore procedures to improve speed and efficiency in assessing sex offenders. Create rules and procedures for relief and reclassification hearings.

B) Reduce the Risk of Repeat Criminal Behavior

- 10-Year Goal: Safety
- KPM #1: Parole Recidivism
- KPM #7: Administrative Review

Continue the partnership with the Department of Corrections and county governments, which maximizes the benefits of combined state and county resources, in order to fully implement the Department's Oregon Accountability Model to improve release planning, transition, and community supervision to manage and shape behavior in pro-social ways. Work in partnership with the Governor, Legislature, Department of Corrections and county governments to develop a criminal justice system that maximizes public safety and encourages longer-term behavior changes in offenders; a system with sufficient flexibility to deal with the diversity of the criminal population and the public safety limitations inherent in releasing offenders to the community. Review and evaluate release decisions and processes to be more consistent with the latest evidence-based practices.

C) Ensure Legal Integrity

Work with the Department of Justice to ensure that Board processes, decisions and actions are in full compliance with all applicable laws.

- Governor's Key Initiative: Excellence in State Government

- KPM #7: Administrative Review
- KPM #8: Customer Service

Work with Secretary of State to ensure proper measures are taken to provide transparency with public records requests.

D) Value Victims Interests

- 10-Year Goal: Safety
- KPM #3: Victim Notification
- KPM #8: Customer Service

Continue to enhance support and communications with victims, co-victims, and victim groups by giving victims a voice in the criminal justice system. Partner with victim advocates to create a system which meets victims' needs from the commission of a crime, and throughout sentencing, incarceration, and community supervision.

Create a less intimidating and safer environment for victims and the general public who wish to participate in Board hearings by developing video conferencing capabilities with state prisons and selected county correction facilities; and enhance communications with victims, co-victims, victim advocates, and victim groups.

E) Value Partnerships with Stakeholders

- KPM #8: Customer Service

Conduct an external survey of the Board's customers evaluating the Board's performance in meeting the needs of our stakeholders in providing information and direct services.

Partner with public safety agencies to develop and use a statewide criminal justice information system with vital offender information accessible to all public safety agencies.

F) Operations Efficiency

- Governor's Key Initiative: Making Government More Effective
- KPM #2: Order of Supervision
- KPM #3: Victim Notification
- KPM #4: Arrest Warrant
- KPM #6: Discharge of Supervision
- KPM #7: Administrative Review
- KPM #8: Customer Service

Work with our projected and existing resources to be a completely paperless agency.

Increase staff positions in order to effectively and efficiently conduct all statutory and administrative duties.

Maintain shared resources with Department of Corrections for continued service and development of the Parole Board Management Information System and continued integration of information between the Board, DOC, Community Corrections, and other public safety partners.

Improve records storage and retrieval system, including implementing an electronic records process, and improve public record request transparency.

Explore procedures to improve speed and efficiency in assessing sex offenders risk to reoffend while maintaining integrity and reliability. Adopt previous assessment scores when assessment performed by partner agency or retrieved from a reliable source. Improve rules and procedures for relief and reclassification hearings.

CRITERIA FOR 2021-23 BUDGET DEVELOPMENT

The FY 2021-23 budget reflects the following objectives developed through the Board's 24-month planning process:

- Resume staffing levels to pre-2020 in order to perform the Board's statutorily traditional required public safety functions.
- Increase sex offender risk assessments and classifications.
- Monitor performance measure data as an indication of agency success in each of its statutory functions.
- Adjust the Board's funding for previously underfunded and rising Personal, Medical, and Professional Services costs, driven by the passage of HB 2549 and the implementation of a sex offender notification level system; an increased need for quality of psychological evaluations and reports for release decisions; as well as a new requirement of sex offender assessments for classification purposes.
- Conduct hearings to determine whether release or re-release to supervision is consistent with the applicable rules and statutes, which reflect principles based on public safety, rehabilitation, and victims' rights. For the approximately 1200 offenders under the Board's release authority, the Board considers both static and dynamic factors in making its decision, including, but not limited to, the nature of the underlying convictions, the offender's criminal history, the history and nature of the offender's supervision in the community including any violations, findings made by a psychologist or psychiatrist, conduct while incarcerated, programs and activities completed or attended while incarcerated or in the community, treatment and supervision available in the community, release plans, victim's statement and statement by the district attorney from the committing jurisdiction, if any, support in the community, and best practices related to discretionary release and offender supervision in the community.
- Conduct reviews of assessment score objections by all registered offenders who are being classified into the sex offender notification level system.
- Create system for hearings on relief from registration and reclassification of sex offenders.
- Continue working closely with the Department of Justice and the Department of Administrative Services Risk Management Division in the management of inmate and offender appeals. Last biennium, legal costs represented 10% of the Board's budget.
- Continue the collaboration and partnership in the management and responsibility of conducting parole violation hearings with county community corrections agencies. Hearings can be conducted at a reduced cost using Intergovernmental Agreements with various county governments.
- Continue to develop and refine business continuity plans to establish direction in performing agency statutory functions under circumstances involving a disaster.
- Continue to pursue an objective of operating more efficiently by establishing a paperless system.

Major Information Technology Projects and Initiatives:

- Board is working with the Department of Corrections to assess and purchase an electronic document software system for the secure storage and retrieval of documents including records.
- This issue was presented to the Board after the Agency Request Budget was submitted and the Governor's Budget had been released. The Department of Corrections IT hosts Board's proprietary software (PBMIS). DOC is no longer able to provide programming time to develop new modules within and fix existing software bugs in our software. The Board may be requesting a limited duration IT position to work at DOC IT.

2021 ORGANIZATION CHART

Oregon Board of Parole & Post-Prison Supervision:

A) Primary Long Term Focus Area: Public Safety/Fostering Safe Communities
Secondary/Tertiary Outcome Area: Excellence in State Government
B) Program Contact: Dylan Arthur, Executive Director 503-945-9009

D) Program Overview:

The Board of Parole and Post-Prison Supervision (the Board) protects the public and reduces the risk of repeat criminal behavior through its incarceration and evidence- and research-based release and community supervision decisions. The Board also classifies registered sex offenders to a community notification level based on their risk to reoffend in the community, and determines qualifications for reclassification and/or relief from registration. This program functions as a major partner in the criminal justice system through its release decisions, supervisory authority, victim involvement and support, and stakeholder involvement. The Board also maintains its partnership with the Department of Corrections through evidence- and research-based supervision and intervention methods, as well as training and community education efforts.

E) Program Funding Request:

This program is requesting **\$9,996,215** general funds plus \$12,184 other funds to continue as the releasing authority for certain inmates and the supervising authority for offenders on parole and post-prison supervision. This includes making release decisions on approximately 1220 inmates in prison and serving as the supervising authority for approximately 13,000 offenders in the community. Additionally, this program is requesting increased funding to complete its statutorily mandated duties pursuant to ORS 163A.100, et seq. for Sex Offender Notification Level classification. This request includes funding for the following Policy Option Packages:

- **100 – Reclassify Staff Positions: \$90,701** This package requests funding to reclassify 5 staff positions to accurately reflect revised job description and the level of responsibility required. This package also includes the cost of Personal Services adjustments, such as pay equity, inflation on non-PICS accounts, STEP differentials, COLA adjustments, unemployment compensation, overtime, differentials, mass transit taxes, normal employee turnover and PERS.
 1. **Reclassification of Victim Specialist Position:** Reclass approved by the Department of Administrative Services. Cost difference for biennium: \$6,114
 2. **Reclassification of Operations and Policy Analyst Position:** Reclass approved by the Department of Administrative Services. Cost difference for biennium: \$0
 3. **Reclassification of Executive Director Position:** Reclass approved by the Department of Administrative Services. Cost difference for biennium: \$55,285
 4. **Reclassification of Operations Manager Position:** Cost difference for biennium: \$0
 5. **Reclassification of Records Executive Support Position:** Position vacant, request is for reclass for 2021-23 biennium. Cost difference for biennium: \$26,878

- **101 – Facilities Management: \$152,519** The package requests funds for Board offices rent. Previously, the Board was located in 2 separate office locations. In 2019, the Department of Corrections needed additional office space, so the Board was unable to continue to enjoy free office space from DOC and a facility was found that can accommodate all Board staff and provide space to hold public hearings.
Increase in Rent – This is the difference between rent for half the staff at the former downtown office with rent for new location.
Cost difference for biennium: \$152,519

- **102 – State Service Charges: \$31,646** This package requests funding for state service charges. These are for new charges not included in previous biennium.

The Board is a small agency and saves state money by using the administrative services of the Department of Corrections (DOC) and Department of Administrative Services (DAS). Previously, all Board administrative services were provided by DOC. Due to growth of the Board and budget constraints, DOC is unable to provide all services. The Board migrated services for payroll, accounts payable, accounts receivable and procurement to DAS. DOC continues to provide human resources and IT. The Board has an agreement for HR services but, due to lack of resources, no agreement for IT. This funding covers the difference between AY19 and AY21. This action will further the agency's mission of improving public safety by ensuring that other mission-critical functions are not negatively impacted to cover the costs of these services.

F) Program Description:

Parole is a period of supervision in the community following release from prison for offenders with convictions that have a crime commitment date before November 1, 1989, as well as those who have been sentenced as 'dangerous offenders', and those convicted of murder or aggravated murder who are eligible for parole. Offenders on parole are released from prison by the Board before their sentences are completed, and serve the remainder of the sentence under community supervision. **Post-Prison Supervision** is a sentence of correctional supervision in the community following a prison or jail sentence for offenders with convictions that have a crime commitment date on or after November 1, 1989. For most of these crimes, the sentencing court and the Department of Corrections establish the length of prison terms using statutory guidelines. The Board determines the conditions of supervision.

The Board of Parole & Post-Prison Supervision has one decision unit and is, therefore, one program. Contained within the agency's statutory authority, this program's listed functions are as follows:

- Set parole dates for inmates committing felony crimes prior to November 1, 1989; determine when, or if, inmates sentenced for murder or aggravated murder, and who are eligible for parole, or those sentenced as "dangerous offenders" should be released from prison, regardless of the date of crime.
- Establish conditions of community supervision for all offenders being released from prison.
- Issue warrants for Board offenders who have absconded and sanction those offenders in violation of community supervision.
- Notify victims and criminal justice stakeholders of Board hearings and inmate releases.
- Monitor, adjust and discharge an offender's status on supervision.
- Respond to inmate and offender administrative and judicial appeals.
- Adopt administrative procedures and rules in accordance with statutory and policy changes. Provide education, training and resource materials to stakeholders, including DOJ, community corrections employees, DOC counselors, tribal representatives, district attorneys, defense attorneys, legislators and others.

- Assess and classify registered sex offenders into community notification levels based on their risk to reoffend in the community. Future processes will include hearings for reclassification and relief from sex offender registration.
- Respond to public, media and offender inquiries.

Post-Prison Supervision:

For most crimes committed on or after November 1, 1989, the sentencing court and the Department of Corrections (using statutory guidelines) establish the length of prison terms. The Board does not determine the release date for these inmates. When these inmates are released to the community, they are ordered to serve a term of post-prison supervision. Post-prison supervision is a sentence of correctional supervision in the community following a prison or jail sentence. A court determines how long the sentence will be and the Board, or local jurisdiction, determines the conditions which must be met by the offender during the sentence. In almost all cases, offenders who violate post-prison supervision are not returned to prison. The maximum sanction for a post-prison supervision violation is six months in jail. Under SB 1145, these sanctions must be served in a local jail because the sanction is less than one year. Discharge from post-prison supervision for offenders sentenced under sentencing guidelines occurs automatically upon expiration of the statutory period of post-prison supervision.

Risk Assessments of Sex Offenders:

Under the authority of ORS 163A.100, et al, and OAR 255, the Board classifies Oregon's registered sex offenders to a risk-based community notification level (Sex Offender Notification Level – SONL): Level I – Low, Level II – Moderate, Level III – High. As of January 2021, there were over 31,000 registered sex offenders in the Oregon State Police sex offender database. The Board is responsible for classifying approximately 23,000 registrants. Registrant populations are separated by specific demographics in order to complete accurate and meaningful risk assessments, which are performed by specially trained Board staff and certified or licensed evaluators. For any registrant whose first reporting event was prior to January 1, 2014 (“existing registrants”), the Board must classify them to an SONL by December 1, 2022. For registrants whose first reporting event is on or after January 1, 2014 (“new registrants”), the Board must classify them to an SONL before their release from DOC, or within 90 days of their triggering event to register. Since January 2019, the Board has conducted hearings to determine a registrant's eligibility for reclassification to a lower notification level or for relief from registration.

Program Justification and Link to Long Term Outcomes:

The purpose of the Board of Parole and Post-Prison Supervision is to contribute to the safety of Oregonians by establishing and overseeing the supervision practices on every offender released from the Oregon Department of Corrections. In addition, the Board makes release decisions on Oregon's most dangerous criminals, and does so by utilizing both policies and practices that target only those offenders who are ready for reentry into our communities. The vision described in the Governor's Long Term Outcomes for

Fostering Safe Communities includes managing offenders within local public safety systems rather than in prisons. The Board of Parole & Post-Prison Supervision is essential to the management of these offenders.

The Long Term Outcomes include these strategies:

- **Deter and reduce the amount of crime and dysfunctional behaviors in the community:** The Board responds to violations of supervision in the community with swift and sure sanctions that address the behavior while also considering the criminogenic and rehabilitative needs of the offender.
- **Reduce reliance on prison:** The Board reserves the option of returning offenders to prison for only the most serious behavioral violations which directly threaten the public's safety.
- **Evidence-based supervision strategies:** The Board collaborates with its Department of Corrections and Community Corrections partners to establish supervision conditions that adhere to the risk-need principle, which places the offender in the best situation for successful reintegration into the community.
- **Communications systems:** The Board has policies and practices in place for responses to warrant requests from the community corrections field. These communication protocols result in our warrants being completely processed through the law enforcement communication systems, and, therefore, enabling our law enforcement partners to respond swiftly to violation matters.
- **Improve citizen access to justice:** The Board notifies community corrections partners, individual victims, and district attorney offices of upcoming hearings to allow each access to represent how the offender's criminal behaviors have impacted them and the public's safety.

These functions of the Board strengthen the local supervision of offenders, as well as the swiftness and certainty of punishment in county jails; they reduce the likelihood for offenders to commit future crime and promote re-entry into the community; develop and coordinate shared public safety data and real-time communication systems to increase responsiveness to protect citizens; and improves citizen access to justice and the ability to exercise their rights.

Program Performance:

Performance in this program is measured in a number of ways. The most significant measure is the rate at which offenders remain out of prison upon release, which is the inverse of the recidivism rate. According to statistics pulled from the Department of Corrections, offenders who released to parole or post-prison supervision between 2015 and 2018 have maintained an 88.6% success rate.

Performance Measures

2017-2018

2019-2020

Enabling Legislation/Program Authorization:

The statutory authority of the Oregon Board of Parole & Post-Prison Supervision is in Oregon Revised Statutes, Chapter 144 and Chapter 163A.100 et seq.; Oregon Administrative Rules, Divisions 255 and 213; and the Oregon Constitution, Article 1 Bill of Rights, establishes the Fundamental Principles of Oregon's Criminal Justice System, Section 15.

Proposing KPM Target Changes

In order to make the Board's Key Performance Measures fairer and more realistic, the Board is proposing the following changes to the target measures:

- KPM 1: Parole Recidivism – We are requesting to change this measure's target from 8.5% to 15%.
- KPM 2: Orders of Supervision – We are requesting to change this measure's target from 99% to 95%.
- KPM 8: Customer Satisfaction – We are requesting to change this measure's target from 100% to 95%.

Significant Proposed Program Changes for 2021-23:

None.

PROGRAM UNIT NARRATIVE

The Board of Parole & Post-Prison Supervision has one decision unit and is, therefore, one program.

While the Board's **release** authority has dwindled over the years to approximately 1,221 inmates, its supervisory authority over offenders on Post-Prison Supervision in the community has risen to approximately 13,000 offenders. The Board reviews and votes on every release plan submitted by inmates preparing for their departure from the Department of Corrections, ensuring they will have the most successful re-entry, based on available housing and resources. The Board also determines the conditions of supervision prior to an inmate's release, which initiates future action for reviewing and voting every warrant request and sanction or revocation report submitted by a supervising officer for violations of those conditions.

Pursuant to HB2320 (2015), the Board is responsible for assessing and classifying Oregon's registered sex offenders to a Sex Offender Notification Level (SONL). Nearly 23,000 registered sex offenders are to be classified by December 1, 2026. The Board must also assess and classify new releases from DOC and any out-of-state registrants. At the current rate, the Board will be unable to complete all assessments by the deadline.

The Board's primary funding source is the General Fund, supporting Agency operations and 25 full-time employees. The Board submitted Policy Option Packages (POPs) in 2021 for 3 POPs: reclassifications of existing positions and personal services adjustments, \$90,701; facilities management, \$387,067; and state service charges, \$31,646. The request for funding of \$90,701 is to reclassify 6 staff positions to accurately reflect revised job description and the level of responsibility required. This package also includes the cost of Personal Services adjustments, such as pay equity, inflation on non-PICS accounts, STEP differentials, COLA adjustments, unemployment compensation, overtime, differentials, mass transit taxes, normal employee turnover and PERS. The request for \$387,067 of facilities management for Board offices rent, security and custodial services. The request for funding of \$31,646 for state services charges is to cover additional state service charges that are currently covered by professional services. **Total funding requested by agency in policy packages is: \$509,414.**

The main source of Other Funds revenue for the Board is from the sale of documents and hearing tapes to members of the public and inmates/offenders, and by collection of court-ordered restitution owed to the Board from appellate decisions. **The current projection for 2021-23 OF revenues is \$12,184.** No significant changes are proposed.

The Board's base budget of \$9,594,803 is increased to a modified essential budget of \$10,194,693. This amount includes **\$453,009** in Essential Packages plus **\$186,294** in modified Policy Packages. **The total recommended Governor's Budget is \$9,996,215 general funds plus \$12,184 other funds.**

In addition, the Records Tech serves as secretary to an administrative team, answers questions from the public, stakeholders and partnering agencies to clarify agency services, rules, policies and procedures; schedules appointments and conferences, takes minutes at staff meetings, and develops and revises office procedures as needed. The VS collects data and prepares reports outlining impacts of legislation or changes in procedures on agency program, and compiles information related to Key Performance Measures.

3)The OPA position has been assigned additional duties, authority and responsibility permanently when the Executive Director resigned. These duties increased the analytical complexity and scope and effect of the position's work. The duties, independence and authority for the position now meet the requirements for an Operations and Policy Analyst 4. OPA manages the budget, writes budget

reports and requests. OPA coordinates reviews of existing administrative rules and regulations; evaluates for alignment with current policy strategies; recommends and formulates plans to change policy direction based on results of research; evaluates the quality and effectiveness of programs; recommends strategic changes and priorities for allocating agency resources; recommends policy strategies and options and legislative position to senior managers and develop policy to mitigate state risk or enhance policy strategies. This lessens the need for more frequent review by the Department of Justice. Additionally, OPA defines system requirements by working with stakeholders from different state agencies, the legislative and fiscal office and legislators; analyze user needs against systems functions; validates data and system functioning by applying state policy and procedures to system functioning; develops documentation, manuals and training; recommends operating policy and procedures and implementation strategy to bring into effect system enhancements.

Facilities Management – Package 101

PURPOSE

Request for \$387,067 of general fund for Board offices rent, security and custodial services.

Previously, the Board was located in 2 separate office locations: the “Dome Building” with DOC, and downtown Salem. In 2019, the Department of Corrections needed additional office space, so the Board was unable to continue to enjoy free office space from DOC and a facility was found that can accommodate all Board staff and also provide space to hold public hearings. In January 2019, the Board became responsible for holding hearings for sex offenders who petition for relief from the obligation to register or for reclassification of their risk notification level. These hearings are attended by offenders, victims, attorneys and additional support people. This requires that the Board have onsite security to maintain safety of staff and hearing attendees. The new office is located at 1321 Tandem Avenue NE in Salem and was purpose renovated to meet the needs of the Board. It is an appropriate size for staff and current needs with the ability for expansion should the Board grow in the future. The Board intends to remain in this office space for the long term.

1) Increase in Rent – This is the difference between rent for half the staff at the former downtown office with rent for new location.

Cost difference for biennium: \$152,519

2) Custodial Contract – The Board contracts with Willamette Valley Rehabilitation Center, Inc. for custodial services.

Cost for biennium: \$63,741

3) Security Contract – The Board contracts with DePaul Security Services to provide a security officer for the Board offices.

Cost for biennium: \$170,807

1) Rent: Previous rent amount was for approximately half the staff. Once it was determined that the Board needed to vacate the Dome offices, the Board worked with DAS real estate and found an appropriate location near Cherry road by OSHA and AFSCME offices. The Board was able to get release from the downtown Salem location by turning that lease over to Oregon Public Defenders. The Board then signed a new lease for 1321 Tandem Ave, NE, Salem.

2) Custodial Services provides cleaning of entire office facility including recycling. This is a new cost.

3) Security Services provides building security and screening and security for in-person hearings. This is a new cost but would have been required regardless of where the Board offices are located.

Benchmarks facilitated will include:

- KPM #1: Parole Recidivism** - the percentage adults eligible for parole who are convicted of a new felony within three years of initial release.

Description of 3 Policy Option Packages in GRB

POP 100 – Reclassify Staff Positions

Request for funding of \$90,701 to reclassify 6 staff positions to accurately reflect revised job description and the level of responsibility required. This package also includes the cost of Personal Services adjustments, such as pay equity, inflation on non-PICS accounts, STEP differentials, COLA adjustments, unemployment compensation, overtime, differentials, mass transit taxes, normal employee turnover and PERS.

- 1. Reclassification of Victim Specialist Position:** Reclass approved by the Department of Administrative Services. Cost difference for biennium: \$6,114
- 2. Reclassification of Operations and Policy Analyst Position:** Reclass approved by the Department of Administrative Services. Cost difference for biennium: \$0
- 3. Reclassification of Executive Director Position:** Reclass approved by the Department of Administrative Services. Cost difference for biennium: \$55,285
- 4. Reclassification of Operations Manager Position:** Cost difference for biennium: \$0
- 5. Reclassification of Records Executive Support Position:** Position vacant, request is for reclass for 2021-23 biennium. Cost difference for biennium: \$26,878

POP 101 – Facilities Management

Request for \$152,519 of general fund for Board offices rent.

Previously, the Board was in 2 separate office locations. In 2019, the Department of Corrections needed additional office space, so the Board was unable to continue to enjoy free office space from DOC and a facility was found that can accommodate all Board staff and provide space to hold public hearings.

1) Increase in Rent – This is the difference between rent for half the staff at the former downtown office with rent for new location. Cost difference for biennium: \$152,519

POP 102 – State Service Charges

Request for funding of \$31,646 for state service charges. These are for new charges not included in previous biennium.

The Board is a small agency and saves state money by using the administrative services of the Department of Corrections (DOC) and Department of Administrative Services (DAS). Previously, all Board administrative services were provided by DOC. Due to growth of the Board and budget constraints, DOC is unable to provide all services. The Board migrated services for payroll, accounts payable, accounts receivable and procurement to DAS. DOC continues to provide human resources and IT. The Board has an agreement for HR services but, due to lack of resources, no agreement for IT. This funding covers the difference between AY19 and AY21. This action will further the agency's mission of improving public safety by ensuring that other mission-critical functions are not negatively impacted to cover the costs of these services.

PAROLE RECIDIVISM					
Actual	No Data	17%	15.80%	17%	16.20%
Target	8.50%	8.50%	8.50%	8.50%	8.50%

How Are We Doing

Not meeting expectations but lower than last year. It should be noted that of the 16.20%, none recidivated with a violent crime or even a person crime.

Factors Affecting Results

This statistic looks back 3 years for recidivism at the specific group of people in the description.

Target is not realistic when compared to national averages.

The Board will apply for a change in target as the national average is approximately 43% for all people under supervision (<https://www.pewtrusts.org/en/research-and-analysis/issue-briefs/2018/09/probation-and-parole-systems-marked-by-high-stakes-missed-opportunities>).

The Board is considering a request for change in how this KPM is calculated, meaning who's recidivism is counted, and will research other states before filing a request.

KPM #2	ORDER OF SUPERVISION - Percentage of offenders being released from prison where the Board's order of supervision has been received by the community corrections office on or before the offender's release date from prison.
	Data Collection Period: Jul 01 - Jun 30

Target	99%	99%	99%	99%	99%

How Are We Doing

Slightly under our target.

Factors Affecting Results

When people enter into DOC with all their time credits already served in local jail or the adult in custody is resentenced, DOC is then required to release them immediately. In those cases, orders may not be issued by the time they are released. In addition, some short delays occurred while the Board moved offices in the autumn of 2019 and during COVID-19 transition to working from home. Presently, orders of supervision are being issued on-time and efficiently.

announcements to DAS and to protected class applicants with a goal of increasing employment of veterans, disabled and people of color. Applicants certified as severely disabled receive a copy of the position description, describing the essential functions of the position. Reasonable accommodations for persons with disabilities are made upon request.

The Board has a comprehensive retention “strategy” in the fair and respectful treatment of all employees, applicants, and other stakeholders. Employees feel valued and respected as an individual and as a member of the agency team. This is one of the great strengths of the Board. Our low turnover rate has been a blessing, as staff have grown and developed as part of the team.

The Board did not identify generations of employees within the agency, but has identified no challenges related to staffing, including recruitment, retention or promotion. All promotional opportunities are monitored for equal access.

The Board did not directly participate in any job fairs in the last biennium, but did provide materials and announcements to its sister agency, Department of Corrections, which assists the Board in all recruitment efforts.

Diversity, Equity, and Inclusion

The Board created a Diversity, Equity, and Inclusion Workgroup in 2019. The goals of the group are to increase trainings related implicit bias and culturally responsive practices, promote staff inclusiveness by creating opportunities for staff to share personal perspectives and insights, collect demographic data on victims and individuals on supervision, and highlight the successes and rehabilitation of individuals we serve.

Steps taken to reduce costs

The Board is exploring free or low-cost programming options for programming. We are working with DOC to promote restorative justice dialogue opportunities for victims who wish to participate. We are exploring offering creative incentives for staff who explore DEI learning opportunities.

I. Description of Agency

A. Mission and objectives

We support a safe and just Oregon by protecting citizens' rights and promoting positive offender change while maintaining accountability. Through engagement of partners, development of efficient policies, and respect for diversity, our strong, valued workforce strives for a better future for our state.

The mission of the Board of Parole & Post-Prison Supervision (Board).

The full-time Board was authorized in 1969. The Governor appoints the five full-time members for four-year terms and also appoints the chair and vice-chair.

The Board's decisions are based on applicable laws, victims' interests, public safety and the recognized principles of offender behavioral change.

The Board imposes prison terms and makes release decisions for offenders whose criminal conduct occurred prior to November 1, 1989. The Board also makes release decisions for offenders convicted of murder, aggravated murder, or convicted as a dangerous offender, whose criminal conduct occurred after November 1, 1989.

The Board sets conditions of supervision for all offenders being released from prison; imposes sanctions for violations of supervision; issues warrants; and determines whether discharge from parole supervision is compatible with public safety. Discharge from supervision for offenders sentenced under sentencing guidelines occurs automatically upon expiration of the statutory period of post-prison supervision.

The Board is responsible for assessing and classifying registered sex offenders to a sex offender notification level (SONL) based on their risk to reoffend in the community. The Board is also responsible for conducting hearings for those registrants who will be eligible to petition for reclassification to a lower SONL or relief from registration.

II. Affirmative Action Plan

A. Agency Affirmative Action Policy Statement

The Board is committed to a program of affirmative action for fair and equal opportunity regardless of race, creed, color, natural origin, sexual orientation, age, marital status, veteran status, or the presence of any sensory or physical disability.

Board management actively works to create and promote a work environment that is free of sexual advances, sexual or racial harassment, or discrimination of any type. It is the Board's policy to investigate any complaint alleging discrimination immediately and to take action to resolve the issue. The Board acknowledges the right of a complainant to file formal charges with appropriate agencies, both state and federal. No employee will be retaliated or discriminated against in any manner because the person opposed discrimination or filed a complaint.

This policy is enforced through full commitment to adhering to all applicable laws, rules and procedures of the Oregon Board of Parole and Post-Prison Supervision, the Oregon Department of Administrative Services, the Oregon Governor's office, the State of Oregon and the federal government.

Staff receives updated copies of this report and understands their rights to file complaints of discrimination and harassment. These are investigated fairly and resolved by the agency Affirmative Action Representative (AAR) according to State of Oregon policy, with assistance and guidance available from the Human Resources Division of the Oregon Department of Corrections and the Department of Administrative Services. The AAR is responsible for disseminating the policy to all employees by hard copy or e-mail, and through access to the original file on the agency shared computer drive. The AAR will be accountable to report annually to the Board Chairperson any increase in discrimination or harassment claims and for carrying out the plan.

If an employee is not satisfied with the complaint process within the agency and wishes to appeal to an agency decision, the employee may contact one of the organizations listed below. Nothing in this policy prevents any person from filing a grievance in accordance with the Collective Bargaining Agreement or a formal complaint with the Bureau of Labor and Industries (BOLI) or Equal Employment Opportunity Commission (EEOC). However, some collective bargaining agreements may require an employee to choose between the complaint procedure outlined in the agency's guideline for filing a BOLI or EEOC complaint.

C. Training, Education and Development Plan and Schedule

1. **Employees:** The Board encourages all staff to identify and participate in training to develop their skills to compete successfully for other career opportunities inside and outside the agency. Management actively seeks training opportunities for all staff members and schedules their attendance accordingly. Board sponsorship for fees or tuition is allowed as funds are available. There is also the option of receiving time off with pay or a flexible work schedule to participate in training. The Board conducts staff trainings during monthly staff meetings. Affirmative action updates are circulated to staff as they become available. Plans are available to all employees and updated as needed.
 - The small size of the agency and the highly specialized technical nature of the positions require extensive internal education, coaching and cross-training. All employees have the opportunity to pursue advancement both within existing positions and in preparation for moving to other positions within the agency or to our partner agency, the Department of Corrections.
2. **Volunteers:** The Board currently has an internship program with local colleges and universities. Interns are required to agency affirmative action policy, workplace expectations and complaint procedures.
3. **Contractors & Vendors:** The Board awarded personal services contracts during the 2017-19 biennium for the purpose of conducting offender evaluations at the request of the Board, as well as sex offender risk assessments pursuant to ORS 163A.100. The Board posts all competitive contracts on the State's ORPIN system to ensure that the pool of responders is as varied as possible. Qualified women- and minority-owned businesses are selected when available.

1. **Respectful Leadership Training (Diversity, Equity & Inclusion):** Board supervisory and management staff provides diversity information and/or training as it becomes available. This may be included during monthly staff meetings or conducted by outside resources and/or agencies. The Board ensures the ARR attends the annual Oregon Diversity Conference.

2. **Statewide Exit Interview Survey:** The Board runs periodic reports to review the results collected and perform a data analysis. The data analysis provides an understanding of how much of the voluntary turnover is preventable and how much is non-preventable. This data represents an essential piece of information that is fundamental in the data analysis. If the analysis identifies a negative opinion regarding the agency's workplace environment, the Board uses this information as an opportunity to make changes to improve the work environment for the current employees, and improve job satisfaction.

Note: The Board is utilizing the Statewide Exit Interview Survey; however, there is so little turnover in personnel, and employees who have left the agency between June 2014 and June 2018 that the Board opted to not complete the survey. Therefore, the Board does not have any data to reflect a trend analysis or positive/negative results.

3. **Performance Evaluations of All Management Personnel:** Currently, the Board has two permanent management positions, the Executive Director and Supervising Executive Assistant. Current incumbents have not yet received performance evaluations.

F. Status of Contracts to Minority Businesses (Ors 659A.015)

2. **Managers and Supervisors:** The Executive Director and Executive Assistant are accountable to the Chairperson for carrying out the Affirmative Action Plan.
