Review and Award Decisions

- Addresses funding priorities

- Quality and completeness of application

- Use of dollars to meet Standards

- Demonstration of need

- Number of participants relative to funding request

- Past compliance with CJC grants (as appropriate)

Application Structure

- General Information
- Specialty Court Operating Profile
- Budget Detail
- Sustainability Plan
- Exception Request (as needed)
- Letter of support from Oregon Judicial Department

General Information

- Applications will come through the LPSCCs
- General program and fiscal contact information
- Type of specialty court program (i.e. adult drug, mental health, etc.)
 - Primary
 - Secondary
- NEW: Contact for “day-of” Review Committee questions

Specialty Court Operating Profile

- Objective review of data points instead of narrative
- Learn more about functionality
- Focus on Standards
- Instant look into the specialty court
- Does not require grant writing experience

Specialty Court Operating Profile

- Participant count for 2018 quarterly (SCOP p. 2 of 12)
- Team member identification (SCOP pp. 3-4 of 12)
- Assessments (SCOP p. 4 of 12)
- Specialty court structure (SCOP pp. 5-6 of 12)
- Treatment services (SCOP pp. 6-8, 10 of 12)
- Drug testing type and process (SCOP pp. 8-10 of 12)

Budget Detail

- Ask for what the specialty court needs within the categories
- Other funding sources
- Shared resources among specialty courts within counties
- Cost per participant
 - CJC Specialty Court Grant
 - Overall (all funding sources)
- Budget priority determined by specialty court

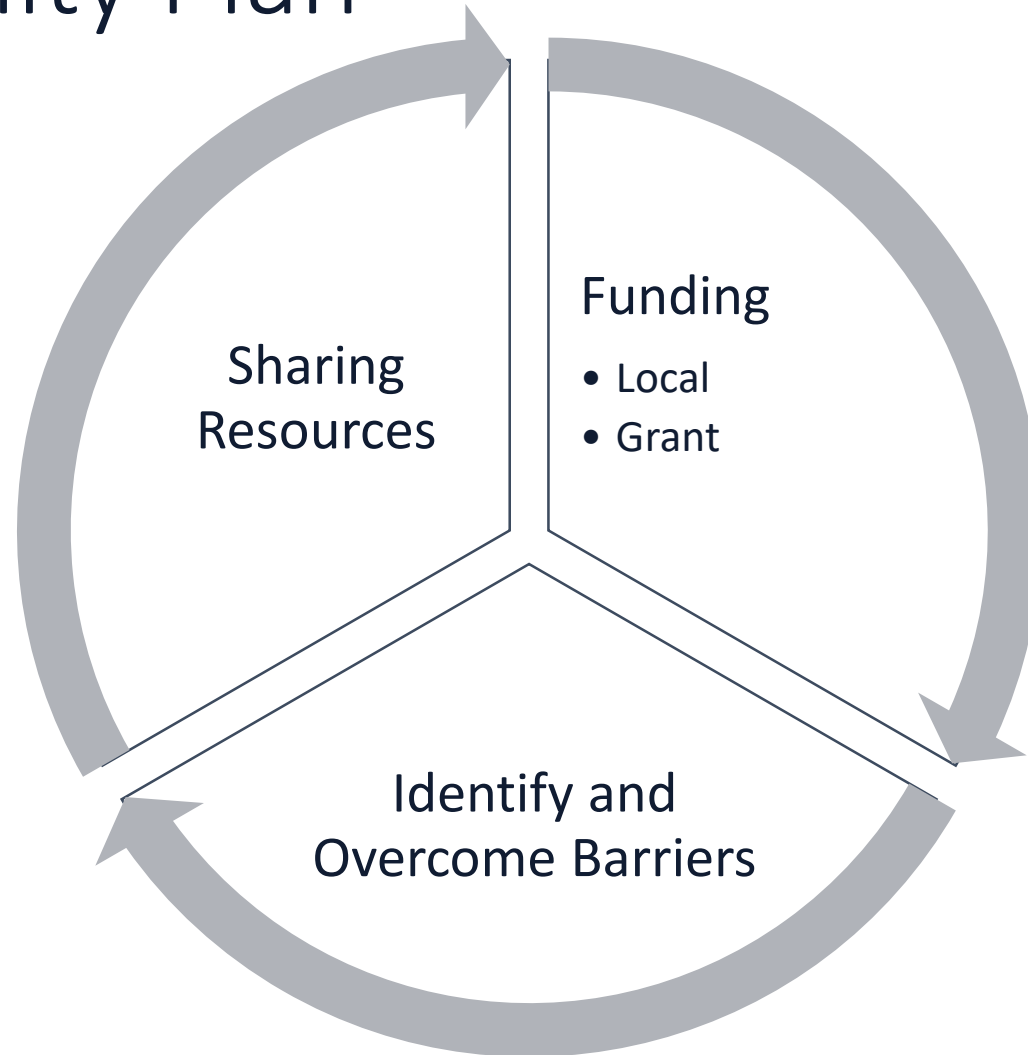

Budget Detail

- Personnel + Fringe
- Contractual Personnel Services (no fringe)
- Drug Testing
- Medical Needs
- Other Participant Supports
- Sanction Costs
- Training and Travel (in- and out-of-state)
- Evaluation
- Up to 10% Indirect Costs (Administrative)

Budget Detail

- **Contractual Personnel Services (no fringe)** (BD p.4 of 13)
 - Treatment providers, case managers, medical professionals, lab techs, peer mentors
 - Per hour or Per Session or Per Participant
 - Fee-for-service structure rather than FTE
- **Other Participant Supports** (BD p.7 of 13)
- **Out-of-State Training and Travel** (BD p.9 of 13)
 - NADCP (4 slots) or NCJFCJ (4 slots) in 2020
 - Role based training through NDCI (2 slots)
- **In-State Training and Travel** (BD p.10 of 13)
- **Unallowable Costs** (Solicitation p.8 of 10)

Sustainability Plan

Exception Requests (as needed)

- Opportunity to request an exception to eligibility clauses
- Exception request must be submitted through the online application
- Requires explanation detailing the reason for the exception
- Considerations including, but not limited to:
 - Increased number of participants from 2018 reports
 - Dedicated funding
 - Local circuit court
 - “New” specialty court
 - Budget limitations
