

# Employment Related Day Care (ERDC) Provider Rate Change Effective January 1, 2024

## New ERDC maximum rates

- The new rates apply to child care provided in the month of January 2024 and later.
- ERDC will pay up to the maximum rate. Providers cannot bill ERDC families more than they typically charge private pay families.
- ERDC cannot cover any monthly amount above the rates. Providers with rates higher than the ERDC maximum rates will need to work with the ERDC family regarding payment of any overage amounts.
- Reminder – ERDC cannot cover private school tuition.

## New Additional payments

- ERDC can now pay an additional 9% for payment that is processed late.
- A payment is considered late under the following conditions:
  - For Home-Based Providers: A payment is considered late when a legible and complete billing form is processed more than 4 business days after it was received by the Direct Pay Unit (DPU).
  - For Center-Based Providers: A payment is considered late when a legible and complete billing form is processed more than 7 business days after it was received by DPU.
- Providers will need to request the additional payment by completing the online request form found here: [Employment Related Day Care Additional Provider Payment Form \(smartsheet.com\)](https://smartsheet.com) or by contacting DPU. Requests must be made within 30 days of receiving the payment. Once the request has been reviewed, DPU will determine if a payment was issued late and the additional payment can be made. Payment will be made in the same manner as the provider receives their regular ERDC payments, by check or direct deposit.
