

Interim Therapeutic Restorations (ITR)

Upon completion of a Board-approved curriculum, an Expanded Practice Permit Dental Hygienist may perform interim therapeutic restorations as allowed by ORS 680.205. Verification of completion of an approved curriculum must be sent by the program directly to the Board. A collaborative agreement with a licensed dentist is required and must set forth the agreed upon scope of practice regarding interim therapeutic restorations.

Currently approved ITR Curriculums:

Pacific University

Approval date: June 2022

Forest Grove, OR

(503) 352-6151

Oregon Health Sciences University

Approval date: August 2021
