Financial Aid Program

Provide a summary of your financial aid program activities and outcomes. This should include total financial aid applications, acceptance rate of applications, financial aid offered, financial aid accepted and any other pertinent information regarding these decisions.

Response:

Environmental and Public Health Outcomes

What are the environmental and public health outcomes of your financial aid program? Include number of systems improved, gallons treated, type of system improvements (such as newer technology or pretreatment), relocation of systems to protect surface or groundwaters, and other relevant factors.

Response:

Promoting Equitable Outcomes

The U.S. Treasury encourages uses of funds that promote strong, equitable growth, including racial equity. Describe efforts to promote equitable outcomes, including how programs were designed with equity in mind. Using the four points below: describe how your project will consider and measure equity at the various stages of your project, describe how your project's use of funds prioritizes economic and racial equity as a goal, describe how you identified specific targets intended to produce meaningful equity results at scale and explain the strategies to achieve those targets.

The information provided in this section will be used in DAS' annual Recovery Plan Performance Report as required in the Compliance and Reporting Guidance in section C.3.

Goals

Are there particular historically underserved, marginalized, or adversely affected groups that you intend to serve within your jurisdiction?

Response:

Awareness

How equal and practical is the ability for residents or businesses to become aware of the services funded by the SLFRF?

Response:

Access and Distribution

Are there differences in levels of access to benefits and services across groups? Are there administrative requirements that result in disparities in ability to complete applications or meet eligibility criteria?

Response:

Outcomes

Are intended outcomes focused on closing gaps, reaching universal levels of service, or disaggregating progress by race, ethnicity, and other equity dimensions where relevant for the policy objective?

Response:

Community Engagement

Describe how your planned or current use of funds incorporates written, oral, and other forms of input that capture diverse feedback from community residents and community-based organizations. Where applicable, this description must include how funds will build the capacity of community organizations to serve people with significant barriers to services, including people of color, people with low incomes, limited English proficient populations, and other traditionally underserved groups. Share your outreach results, plans, and engagement strategies moving forward.

The information provided in this section will be used in DAS' annual Recovery Plan Performance Report as required in the Compliance and Reporting Guidance in section C.4.
