

## Quarterly Progress Report

---

---

**Recipient Name:** \_\_\_\_\_

**Contact Name:** \_\_\_\_\_

**Contact Phone:** \_\_\_\_\_

**Grant #:** \_\_\_\_\_

**Date Submitted:** \_\_\_\_\_

*Please provide the project tracking information for each septic repair and replacement project completed during the past quarter with the associated excel document.*

### Project Description

*Briefly state the purpose of your financial aid program and progress toward your objectives. Has your organization had positive results from outreach, application reviews, and construction funding? Describe your outreach efforts and results.*

**Narrative Response:**

## Challenges and Risks

*Provide a summary of the challenges being experienced by your program. What barriers have arisen and how is the organization responding? What risks have been encountered and how are they being mitigated? Does your organization anticipate these delaying the overall timeline of your project?*

Narrative Response:

## Program Progress

*What is the overall status of your project? Has your organization had positive results from outreach, qualification, and construction?*

Narrative Response:
