

Private Investigator Listing

ATTENTION:

It is recommended that consumers review the licensure status of individual private investigators through DPSST's on-line public records system, I.R.I.S.

To review a private investigator's licensure status, click on the I.R.I.S icon below and search by name or PI-ID number. Click on the investigator's name, then view the individual's licensure status by clicking on the Certificates tab. The expiration date of the individual's license will be listed on the right under the Expiration Date column. Please note, an Active Status does not indicate an individual's license is active.
