

Oregon Wetland Land Use Notification Statutes

Counties (under ORS 215.418) and cities (under ORS 227.350) provide notice to the Department of State Lands when they receive development applications in or near wetlands, waters or certain soils as mapped on the Statewide Wetlands Inventory, or as mapped on approved Local Wetlands Inventory maps, or on approved Wetland Delineation maps. The full text of the statutes follows:

215.418 Approval of development on wetlands; notice; approval by county

(1) After the Department of State Lands has provided the county with a copy of the applicable portions of the Statewide Wetlands Inventory, the county shall provide notice to the department, the applicant and the owner of record, within five working days of the acceptance of any complete application for the following that are wholly or partially within areas identified as wetlands on the Statewide Wetlands Inventory:

- (a) Subdivisions;
- (b) Building permits for new structures;
- (c) Other development permits and approvals that allow physical alteration of the land involving excavation and grading, including permits for removal or fill, or both, or development in floodplains and floodways;
- (d) Conditional use permits and variances that involve physical alterations to the land or construction of new structures; and
- (e) Planned unit development approvals.

(2) The provisions of subsection (1) of this section do not apply if a permit from the department has been issued for the proposed activity.

(3) Approval of any activity described in subsection (1) of this section shall include one of the following notice statements:

- (a) Issuance of a permit under ORS 196.665 and 196.800 to 196.900 by the department required for the project before any physical alteration takes place within the wetlands;
- (b) Notice from the department that no permit is required; or
- (c) Notice from the department that no permit is required until specific proposals to remove, fill or alter the wetlands are submitted.

(4) If the department fails to respond to any notice provided under subsection (1) of this section within 30 days of notice, the county approval may be issued with written notice to the applicant and the owner of record that the proposed action may require state or federal permits.

(5) The county may issue local approval for parcels identified as or including wetlands on the Statewide Wetlands Inventory upon providing to the applicant and the owner of record of the affected parcel a written notice of the possible presence of wetlands and the potential need for state and federal permits and providing the department with a copy of the notification of comprehensive plan map or zoning map amendments for specific properties.

(6) Notice of activities authorized within an approved wetland conservation plan shall be provided to the department within five days following local approval.

(7) Failure by the county to provide notice as required in this section will not invalidate county approval. [1989 c.837 §29; 1991 c.763 §24]

227.350 Notice of proposed wetlands development; exception; approval by city

(1) After the Department of State Lands has provided the city with a copy of the applicable portions of the Statewide Wetlands Inventory, the city shall provide notice to the department, the applicant and the owner of record, within five working days of the acceptance of any complete application for the following activities that are wholly or partially within areas identified as wetlands on the Statewide Wetlands Inventory:

- (a) Subdivisions;
- (b) Building permits for new structures;
- (c) Other development permits and approvals that allow physical alteration of the land involving excavation and grading, including permits for removal or fill, or both, or development in floodplains and floodways;
- (d) Conditional use permits and variances that involve physical alterations to the land or construction of new structures; and
- (e) Planned unit development approvals.

(2) The provisions of subsection (1) of this section do not apply if a permit from the department has been issued for the proposed activity.

(3) Approval of any activity described in subsection (1) of this section shall include one of the following notice statements:

- (a) Issuance of a permit under ORS 196.600 to 196.921 by the department required for the project before any physical alteration takes place within the wetlands;
- (b) Notice from the department that no permit is required; or
- (c) Notice from the department that no permit is required until specific proposals to remove, fill or alter the wetlands are submitted.

(4) If the department fails to respond to any notice provided under subsection (1) of this section within 30 days of notice, the city approval may be issued with written notice to the applicant and the owner of record that the proposed action may require state or federal permits.

(5) The city may issue local approval for parcels identified as or including wetlands on the Statewide Wetlands Inventory upon providing to the applicant and the owner of record of the affected parcel a written notice of the possible presence of wetlands and the potential need for state and federal permits and providing the department with a copy of the notification of comprehensive plan map or zoning map amendments for specific properties.

(6) Notice of activities authorized within an approved wetland conservation plan shall be provided to the department within five days following local approval.

(7) Failure by the city to provide notice as required in this section will not invalidate city approval. [1989 c.837 §31; 1991 c.763 §26]

196.676 Response to notices from local governments.

The Department of State Lands shall respond to the notice received from local governments pursuant to ORS 215.418 (1) and 227.350 (1) within 30 days of receipt of the notice. The response shall state whether a permit is or in the future will be required or whether a permit has been issued by the department for the activity which is subject to notice. [1989 c.837 §7]
