

# Key Federal Grant Opportunities in Process or Consideration by ODOE

 = ODOE is lead applicant

 = ODOE is not/may not be lead applicant

Normal font = Formula grants

*Italicized font* = Competitive grants

Last updated 4-25-2024

**Note:** Timelines include application time and do not indicate availability of funds or rebates are currently available for all programs. Similarly, some of the opportunities are competitive, and there is no guarantee ODOE will receive an award. All dates presented in the table are subject to change. This slide will be updated on a periodic basis as new information becomes available.

Stage	Grant name	Grant acronym (if applicable)	Lead grant applicant	State of Oregon award amount	Current ODOE award amount	Pass-through amount (if applicable)
Awarded	Grid Resilience		ODOE	\$50 million	\$19.9 million	\$47.5 million
