Re: Oregon Agricultural Heritage Commission

On November 29, 2018, the State Board of Agriculture met and discussed the commissioner appointments to the OAHC.

It is our understanding the first term for the Farmer/Rancher representative position currently held by Mr. Ken Bailey from The Dalles will expire in 2019.

The State Board of Agriculture voted to recommend the re-appointment of Mr. Bailey for a second term.

If you have any questions, please contact me or our staff at the Oregon Department of Agriculture.

Sincerely,

Tyson Raymond, Chair  
State Board of Agriculture
