Registration Tips:

- Call the school to ask about the registration process, when the school's office is open, and if online registration is an option.
- Don't hesitate to ask for translation support if English is not your home language.
- Remember necessary paperwork is required for registration. Don't forget proof of the child's age (such as a birth certificate, passport, or similar document), proof of address (such as a utility bill), and immunization records.
- Ask about ways you can connect to your new school community, including possible playground meet-ups, meal programs, and summer programs.
