

## Summary of Major Changes

<b>Rule Number</b>	<b>629-044-1005(d)</b>
<b>2-3-2022 version</b>	(d) "Structure" means any building that is at least 400 square feet that required a land use decision, a building permit, or both, regardless of whether a land use decision or a building permit was obtained.
<b>Tracked edits</b>	(d) "Structure" means any building that is at least 400 square feet <del>that required a land use decision, a building permit, or both, regardless of whether a land use decision or a building permit was obtained.</del>
<b>Change for 2-10-2022</b>	(d) "Structure" means any building that is at least 400 square feet.
<b>Reason</b>	Removes any additional quantifier that is not supported in the metadata of the statewide dataset.

<b>Rule Number</b>	<b>629-044-1010(1) and 629-044-1010(2)</b>
<b>2-3-2022 version</b>	<p>(1) The WUI is a geographic area with a minimum of one structure or other human development per 40 acres and:</p> <ul style="list-style-type: none"> <li>(a). A minimum of 50% coverage of wildland or vegetative fuels; or</li> <li>(b) A 1.5-mile buffer from the edge of an area greater than 1 square mile of wildland or vegetative fuels into a community with a minimum of 75% cover of wildland or vegetative fuels; or</li> <li>(c) A planned development, within the urban growth boundary or unincorporated communities, that is not identified in (a) or (b) but that is approved for development that shall meet the criteria in (a) or (b).</li> </ul> <p>(2) WUI also includes occluded geographic areas with a minimum of one structure or other human development per 40-acres within 1.5 miles of an area greater than 1 square mile but less than 2 square miles with a minimum of 75% cover of wildland or vegetative fuels.</p>
<b>Tracked edits</b>	<p>(1) <u>A tax lot will be included in the Wildland-Urban Interface boundary if it includes either:</u><del>The WUI is a geographic area with a minimum of one structure or other human development per 40 acres and:</del></p> <ul style="list-style-type: none"> <li>(a) <u>A minimum of one structure or other human development per 40 acres and either:</u><del>A minimum of 50% coverage of wildland or vegetative fuels; or</del> <ul style="list-style-type: none"> <li><u>(A) A minimum of 50% coverage of wildland or vegetative fuels; or</u></li> <li><u>(B) A 1.5-mile buffer from the edge of an area greater than 1 square mile of wildland or vegetative fuels into a community with a minimum of 75% cover of wildland or vegetative fuels.</u></li> </ul> </li> <li>(b) <u>A planned development, within the urban growth boundary or unincorporated communities, that is not identified in (a) but that is approved for development that meets the criteria in (a); or</u><del>A 1.5-mile buffer from the edge of an area greater than 1 square mile of wildland or vegetative fuels into a community with a minimum of 75% cover of wildland or vegetative fuels; or</del></li> <li>(c) <u>is an occluded geographical area with a minimum of one structure or other human development per 40-acres within 1.5 miles of an area greater than 1</u></li> </ul>

## Summary of Major Changes

	<p style="color: red;"><del>square mile but less than 2 square miles with a minimum of 75% cover of wildland or vegetative fuels. A planned development, within the urban growth boundary or unincorporated communities, that is not identified in (a) or (b) but that is approved for development that shall meet the criteria in (a) or (b).</del></p> <p style="color: red;"><del>(2) WUI also includes occluded geographic areas with a minimum of one structure or other human development per 40-acres within 1.5 miles of an area greater than 1 square mile but less than 2 square miles with a minimum of 75% cover of wildland or vegetative fuels.</del></p>
<b>Change for 2-10-2022</b>	<p>(1) A tax lot will be included in the Wildland-Urban Interface boundary if it includes either:</p> <p style="padding-left: 40px;">(a) a minimum of one structure or other human development per 40 acres and either:</p> <p style="padding-left: 80px;">(A) A minimum of 50% coverage of wildland or vegetative fuels; or</p> <p style="padding-left: 80px;">(B) A 1.5-mile buffer from the edge of an area greater than 1 square mile of wildland or vegetative fuels into a community with a minimum of 75% cover of wildland or vegetative fuels.</p> <p style="padding-left: 40px;">(b) A planned development, within the urban growth boundary or unincorporated communities, that is not identified in (a) but that is approved for development that meets the criteria in (a); or</p> <p style="padding-left: 40px;">(c) is an occluded geographical area with a minimum of one structure or other human development per 40-acres within 1.5 miles of an area greater than 1 square mile but less than 2 square miles with a minimum of 75% cover of wildland or vegetative fuels.</p>
<b>Reason</b>	Edits to rule and sentence structure to clarify “and/or” issue.
<b>Rule Number</b>	<b>629-044-1010(4) and 629-044-1010(5)</b>
<b>2-3-2022 version</b>	<p>(4) If more than 50% of a tax lot is within the Wildland-Urban Interface boundary, then the entire tax lot shall be considered Wildland-Urban Interface, regardless of the locations of the structures or other human development on the property.</p> <p>(5) If less than 50% of a tax lot is within the Wildland-Urban Interface boundary, then the entire tax lot shall not be considered Wildland-Urban Interface, regardless of the locations of the structures or other human development on the property.</p>
<b>Tracked edits</b>	<p><del>(4) If more than 50% of a tax lot is within the Wildland-Urban Interface boundary, then the entire tax lot shall be considered Wildland-Urban Interface, regardless of the locations of the structures or other human development on the property.</del></p> <p><del>(5) If less than 50% of a tax lot is within the Wildland-Urban Interface boundary, then the entire tax lot shall not be considered Wildland-Urban Interface, regardless of the locations of the structures or other human development on the property.</del></p>
<b>Change for 2-10-2022</b>	Removed
<b>Reason</b>	Based on RAC discussion, and examples provided of similar identification zones, such as flood plains, section removed.
