### Subcommittee Updates

- Training
  - Status report review
  - Recommendations
    - Who will conduct training? What are the associated costs? Is additional personnel needed?
    - Training offered in-person locally throughout state
    - ODF exploring coursework and trainer options for wildfire portion of training
    - Consider including federal partners in local trainings
    - Consider how to include all hazards, ODOT and DPSST are good resources
- Credentialing
  - Status report review
  - Recommendations
    - Who will distribute credentials?
    - Who will maintain list of media who have completed training? Can SPJ do this?
    - Where will list live? Needs to be accessible to incident commanders.
    - What will credentials look like? Digital or hard copy? Print at home? Consider parking permits.
    - Can we require a hold harmless agreement or waiver be signed?
- PPE
  - Status report review
  - Recommendations
    - Have two lists of required PPE. Need to figure out how to incorporate it into training.
    - One list is required for all hazards, the other is required for wildfires
    - Lists will include where you can buy PPE
