Plan for Reviewing Information

1. OHA will share materials and a set of questions before each meeting.
2. Before each meeting Workgroup members will review materials and answer questions as applicable to produce points, additional questions, and/or feedback to consider.
3. Points/questions/feedback will be discussed during the meeting and will be recorded.

Foundational Reading Discussion

1. Initial thoughts
2. What recommendations do you believe are missing?
3. Which recommendations do you believe are a priority?
4. Which recommendations can be expanded on for use within the scope of this workgroup?
5. Additional questions the workgroup may consider
