RE: File / Registration 97492/ 747294

Dear PATIENT Z TEST :

The back of this letter is your Oregon Medical Marijuana Program (OMMP) registry identification card. Please remove the perforated card from the bottom of the letter and carry it with you to show OMMP registration.

If you designated a caregiver or grower the OMMP will mail their card directly to them. If your grower needs to pay the grow site registration fee their card will be mailed after this fee is received. If the grower does not pay the fee by the due date your grower and grow site will not be registered.

If there are any errors on the card, please contact the OMMP. Any changes to your registration after your cards have been issued will require changes submitted in writing along with the appropriate fee.

This letter contains a QR code on the back that can be used to verify if this card is valid or not. Scan the QR to open the website, <https://ommpsystem.oregon.gov/home/validatecard>, and enter the card number to confirm validity. For more information on validation see [www.oregon.gov/OMMPQRCode](http://www.oregon.gov/OMMPQRCode).

The OMMP will send you a renewal letter 90 days before your card expires.

Visit the OMMP homepage to keep up with medical marijuana rules or to sign up for email updates under Quick Links: [www.healthoregon.org/ommp](http://www.healthoregon.org/ommp).

Sincerely,  
Oregon Medical Marijuana Program
