**GENERAL ADMINISTRATION**

**331-405-0020**

**Definitions**

The following definitions apply to OAR chapter 331, divisions 405 through 430:

- (1) "Affidavit of Licensure" has the meaning set forth in OAR 331-030-0040.
- (2) "Board" means the State Board of Denture Technology.
- (3) "Direct supervision" means the supervisor is immediately accessible and onsite at the business when denture technology services are performed.
- (4) "High level disinfectant" means a chemical agent, which has demonstrated tuberculocidal activity and is registered with the Environmental Protection Agency.
- (5) "Indirect supervision" means the supervisor is available by phone or by other means of electronic communication. The supervisor must be able to reasonably oversee the work of the individual being supervised, and be available for questions and assistance when needed.
- (6) "Informed Consent" means the written consent obtained following a thorough and easily understood explanation to the patient, or patient's guardian, of the proposed procedures, any available alternative procedures and any risks associated with the procedures. Following the explanation, the licensee must ask the patient, or the patient's guardian, if there are any questions. The licensee must provide thorough and easily understood answers to questions asked.
- (7) "Office" means Health Licensing Office.
- (8) "Official transcript" means an original document authorized by the appropriate office in the Higher Education Coordinating Commission and certified by a college, university or private career school indicating applicant identity information, hours and types of course work, examinations and scores that the student has completed. Original documents must be submitted directly to the Office from the college, university or private career school by United States Postal Service mail, or other recognized mail service providers, in a sealed envelope.
- (9) "1,000 hours of supervised clinical practice in denture technology" means engaging in clinical and laboratory training in denture technology within an Office approved education or work experience program. The program must include:
  - (a) Clinical: a minimum of 400 hours in patient care under direct supervision; and
  - (b) Laboratory: construction of a minimum of 40 removable dentures, on 40 different patients under indirect supervision. Each removable denture will be counted as one denture; an upper and a lower removable denture counts as two removable dentures.

**331-415-0010**

**Continuing Education Requirements**

- (1) To maintain licensure, a denturist must complete a minimum of 10 hours of continuing education every year.
- (2) A licensee must document compliance with the continuing education requirement through attestation on the license renewal application. A licensee is subject to provisions of OAR 331-415-0020 pertaining to periodic audit of continuing education.
- (3) Continuing education must be obtained by participation in or attendance at a course provided by an institution of higher education accredited by the Northwest Association of Accredited Schools, the Northwest Commission on Colleges and Universities, or the State Board of Higher Education, a course or program approved by the Oregon State Denturist Association, or the National Denturist Association, or other professional organizations or associations that conduct educational meetings, workshops, symposiums, and seminars where continuing education credit is offered and where subject matter meets the requirements under subsection (4) of this rule.
- (4) Continuing education must address subject matter related specifically to denture technology as set forth in ORS 680.515(1)(a), the rules regulating licensed denturists, related dental practices, health care professional concerns such as infection control or medical emergencies, ethics, and business practices.
- (5) Continuing education may include teaching a course sponsored by a CE provider listed in subsection (3) of this rule and where the subject matter meets the requirements under subsection (4) of this rule (provided that no more than half the required hours be in teaching).
- (6) Notwithstanding any other continuing education requirements, in order to be eligible to renew a license, an authorization holder must obtain 1 unit of continuing education in cultural competency (CCCE) every other time the authorization is subject to renewal. The requirement of this paragraph is effective on and after July 1, 2021. The CCCE must be either:
  - (a) Approved by the Oregon Health Authority; or
  - (b) Meet the skills requirements established by the Oregon Health Authority by rule; or
  - (c) One of the educational institutions or organizations listed in subsection (3) of this rule which are in compliance with one of the requirements listed in subsection (7) of this rule.
- (7) The Board encourages completion of required CCCE from the approved list promulgated by the Oregon Health Authority, available on the Board's website. The Board shall also accept CCCE that is not obtained from the Oregon Health Authority's approved list, to the extent the Board determines the CCCE meets the skills requirements established by the Oregon Health authority in rules that are effective at the time the CCCE is obtained.

(8) Section (6) does not apply to authorization holders who are:

- (a) Retired and not practicing the profession in any state;
- (b) Not practicing the profession in this state; or
- (c) Residing in this state, but not practicing in the profession in any state.

(9) Proof of participation in required continuing education is the responsibility of the dentist, to ensure that adequate proof of completion of required continuing education is available for audit or investigation by the Office.

(10) Documentation supporting compliance with continuing education requirements must be maintained for a period of two years following renewal, and must be available to the Office upon request.

(11) For the purpose of this rule continuing education hours mean actual academic, classroom, or course work time, including but not limited to workshops, symposiums, or seminars. Continuing education hours do not include travel time to or from the training site, registration or check-in periods, breaks or lunch periods.

**PRACTICE STANDARDS**

**331-420-0000**

**Practice Standards**

Licensed denturists must adhere to the following practice standards:

(1) Oral Health Certificate. Denturists must either have an oral pathology endorsement on their license, or if they have not qualified for and received the endorsement, must comply with requirements for obtaining an Oral Health Certificate as described in ORS 680.545 and OAR 331-410-0080.

(2) Patient Record. A licensed denturist must record, update and maintain documentation for each patient relevant to health history, clinical examinations and treatment, and financial data. Documentation must be written or computerized. Records must include but are not limited to the following:

- (a) Patient data, including name, address, date and description of examination;
- (b) Evidence of informed consent (may be in the form of an acronym such as "PARQ" to denote procedure, alternatives, risks and questions);
- (c) Date and description of treatment or services rendered, and any treatment complications;
- (d) Health history as applicable; and
- (e) Any other information deemed appropriate to patient care.

(3) Clinical Examination. Licensed denturists must conduct and record a clinical examination of each patient that will include at a minimum, information relative to:

- (a) Appearance of gingiva, oral mucosal membranes, pharynx, tongue and all other oral soft tissue; and
- (b) Oral conditions that may affect successful denture construction and use.

(4) Record Retention. Patient documentation, written or archived electronically by computer, must be retained for a minimum of seven years and available upon request by the Office.

(5) Minimum Standards of Acceptable Patient Care. Licensees must adhere to the following practice standards in rendering acceptable patient care:

- (a) Maintain accurate patient records;
- (b) Seek consultation/referral if indicated;
- (c) Make accurate representation to the patient on services provided;
- (d) Provide or arrange for continuity of care or emergency treatment for a patient currently receiving treatment;

- (c) Maintain washing accommodations in a clean and sanitary condition;
  - (d) Ensure all floors, walls and procedure surfaces where services are provided including counters, tables, and chairs are easily cleanable, nonabsorbent and nonporous;
  - (e) Ensure pets or other animals are not on the business premises. This does not apply to service animals recognized by the Americans with Disabilities Act;
  - (f) Ensure all disinfecting solutions or agents be kept at adequate strengths according to manufacturer's instructions to maintain effectiveness, be free of foreign material and be available for immediate use at all times the business is open;
  - (g) Use equipment and instruments in a manner described in the manufacturer's instructions which is consistent with the manufacturer's intended use of the device by the FDA;
  - (h) Ensure chemicals are stored in labeled, closed containers;
  - (i) Ensure all waste material contaminated with blood or other potentially infectious materials, with exception of sharps, are deposited in a covered container following service for each patient; and
  - (j) Ensure all sharps are discarded in a sharps container that is a puncture-resistant, leak-proof container that can be closed for handling, storage, transportation, and disposal. The container must be labeled with the "biohazard" symbol.
- (2) The licensee must comply with all applicable rules and regulations of the Office and other federal, state, county and local agencies. This includes the following:
- (a) Building, fire, plumbing and electrical codes, and with exit and fire standards established by the Oregon Building Codes Division, and the Oregon Office of State Fire Marshal;
  - (b) Oregon Indoor Clean Air Act as it appears in ORS 433.835 through 433.875;
  - (c) Occupational Safety and Health Act Blood Borne Pathogens Standards, Universal Precautions and Exposure Control Plan under 29 CFR 1910.1030;
  - (d) Oregon Safe Employment Act pursuant to ORS Chapter 654 if an employee/employer relationship exists; and
  - (e) All applicable Occupational Safety and Health Act standards if an employee/employer relationship exists.
  - (f) All applicable recommendations from the Centers for Disease Control and Prevention including Guidelines for Infection Control in Dental Health Care Settings available at <http://www.cdc.gov/oralhealth/Infectioncontrol/guidelines/index.htm>.
- (3) For the purpose of this rule, "sharps" means any object that can penetrate the skin, including but not limited to needles or scalpel blades.
- (4) A licensee must ensure all procedures performed are done in a manner to avoid cross contamination of blood-borne pathogens.

**Division 430**  
**DISCIPLINE; CIVIL PENALTIES**

**331-430-0000**

**Disciplinary Action**

- (1) The Office may refuse to issue, suspend or revoke a license, or place a licensed person on probation for the causes stated in ORS 680.535.
- (2) The Office shall have grounds for a determination of incompetency in the practice of denture technology pursuant to ORS 680.535, upon evidence of the use of any controlled substance, dangerous or illegal drug, intoxicating liquor, or any emotional or physical impairment of a dentist, to the extent that such use or condition impairs or prevents the dentist's ability to perform competently.
- (3) The Office shall have grounds for a determination of fraud or misrepresentation in the practice of denture technology pursuant to ORS 680.535, upon evidence of any advertising statements of a nature that would deceive or mislead the public or that are untruthful, such as:
  - (a) Incorrect use of a title; or
  - (b) Claiming or implying a qualification, competency or specialty in connection with the practice of denture technology to which the person is not entitled, or which is untrue.
- (4) The specific identification of grounds for disciplinary action stated in sections (2) and (3) of this rule are intended to be descriptive of some, but not limited to, those causes for which disciplinary action may be taken as stated in ORS 680.535.
- (5) Failure to cooperate with the Office or its agent is considered unprofessional conduct and is subject to discipline, which may include license suspension, revocation and/or assessment of civil fines. Unprofessional conduct includes, but is not limited to, the following:
  - (a) Failing to respond to an inquiry from the Office regarding a complaint;
  - (b) Failing to provide information to the Office in response to a written inquiry, or provide written response within specified time allotted by notice of intended action;
  - (c) Failing to temporarily surrender custody of original client records to the Office upon request, which includes treatment charts, models, health histories, billing documents, correspondence and memoranda;
  - (d) Interference, use of threats or harassment that delays or obstructs any person in providing evidence in any investigation, contested case, or other legal action instituted by the Office;
  - (e) Interference, use of threats or harassment which obstructs or delays the Office in carrying out its functions under ORS 680.500 to 680.535 and rules adopted thereunder;
  - (f) Deceiving or attempting to deceive the Board or Office concerning any matter under investigation including altering or destroying any records.
