Re: NEWCO Oregon, Inc. (CN #682) – Application Completeness

Dear Mr. Escarda:

The certificate of need application that NEWCO Oregon submitted for a proposed 100 bed inpatient psychiatric facility to be located in Wilsonville is declared complete. Review by the division will begin on March 3. The Agency will let you know if additional information is needed regarding your application.

The Agency expects to issue a draft recommendation on this application within 90 days, subject to extensions permitted under OAR 333-570-0070(1)(c). If you have any questions, please contact me at the above address, by telephone, or my email.

If a public meeting is requested or if the Agency decides to hold a public meeting at its initiative, you will receive a notice of the meeting.

Sincerely,

Matt Gilman
