

January 2019 CN Update

The Certificate of Need process is the state's only regulatory mechanism aimed at controlling the development of new health care facilities and services. The purpose of the law is to see that health services are adequately distributed around the state without unnecessary duplication of services or excessive costs to patients.

Applications Under Review

Encompass Health Rehabilitation Hospital of Oregon, LLC. proposes to develop a new 50-bed freestanding inpatient rehabilitation hospital in Hillsboro. On November 16, 2018, the application was ruled to be incomplete.

Post-Acute Medical – PAM Squared at Portland, LLC. proposes to develop a new 50-bed freestanding inpatient rehabilitation hospital in Tigard. On January 2, 2019, the application was ruled to be incomplete.

Decisions

Salem Health Oregon proposes to expand at their existing hospital location. The expansion will involve the construction of an addition to an existing building and will add 150 general medical and intensive care unit beds. On December 7, 2018, the proposal was found not to be subject to certificate of need review.

Letters of Intent

St. Charles Health System proposes to expand their radiation oncology services with a new clinic and linear accelerator. The new clinic will be located in Redmond, Oregon. The deadline for ruling on this letter of intent is February 6, 2019.

July 2019 CN Update

The Certificate of Need process is the state's only regulatory mechanism aimed at controlling the development of new health care facilities and services. The purpose of the law is to ensure that health services are adequately distributed around the state without unnecessary duplication of services or excessive costs to patients.

Applications Under Review:

Encompass Health Rehabilitation Hospital of Oregon, LLC.

Proposes to develop a new 50-bed freestanding inpatient rehabilitation hospital in Hillsboro.

Post-Acute Medical – PAM Squared at Portland, LLC. Proposed to develop a new 50-bed freestanding inpatient rehabilitation hospital in Tigard.

NEWCO Oregon, Inc., proposes to construct and operate a freestanding 100-bed psychiatric hospital for adolescent, adult, and geriatric voluntary and involuntary patients in Wilsonville.

Decisions:

Partners in Care, Inc. proposes to replace their existing six bed facility with a new 12 bed facility on the current campus in Bend. The proposal was found to be subject to the certificate of need law and is eligible for abbreviated review pursuant to OAR 333-560-0010 and 333-560-0020.

Simultaneous Review Ruling has been issued concluding there may be a reasonable expectation that neither inpatient rehabilitation hospital application under review will meet OAR 333-560-0030 (2) and therefore are they not subject to simultaneous review.
