### FIRE-RESISTANT PLANTS

---POST---

**(IMAGE: Salvia)**

Fire-resistant plants are a thing! If taken care of properly, these plants can add some beauty to your home and help in your defensible space plan. Today, meet Salvia. #DefensibleSpace #MeetTheFireResistantPlants #Plants #Oregon #WildfireAwarenessMonth

**(IMAGE: Carol Mackie)**

Day 2 of #MeetTheFireResistantPlants: Check out Carol Mackie, an evergreen shrub! Remember fire resistant doesn't mean fireproof. Even fire-resistant plants will burn if not well maintained. #DefensibleSpace #Plants #Oregon #WildfireAwarenessMonth

---POST---

**(IMAGE: Mockorange)**

Day 3 of #MeetTheFireResistantPlants: Mockorange is on the list. This plant has a sweet-smelling flower. If taken care of properly, fire resistant plants can add some beauty and help in your defensible space plan. #DefensibleSpace #Plants #Oregon #WildfireAwarenessMonth

---POST---

**(IMAGE: Crabapple)**

Day 4 of #MeetTheFireResistantPlants: Believe it or not, you can have trees in your defensible space plan. An option, the Crabapple tree. Make sure to keep trees limbed up and not touching your home or other buildings. #DefensibleSpace #Trees #Oregon #WildfireAwarenessMonth

---POST---

**(IMAGE: Ponderosa Pine)**

Day 5 of #MeetTheFireResistantPlants: A real staple in parts of Oregon, the Ponderosa Pine. Properly spaced and limbed these beautiful trees can be a part of your defensible space plan. #DefensibleSpace #Trees #Oregon #WildfireAwarenessMonth

---POST---

**(IMAGE: Iceplant)**

Day 6 of #MeetTheFireResistantPlants: Meet the Iceplant, a ground cover succulent that is low maintenance and doesn't need a lot of water. #DefensibleSpace #Plants #Oregon #WildfireAwarenessMonth

---POST---

**(IMAGE: Coneflower)**

Day 7 of #MeetTheFireResistantPlants: Give the Coneflower a look! The plants we shared this week are just a few fire-resistant plants. [LEARN MORE HERE:](#)
