IMAGE - CHECK LOCAL RESTRICTIONS

This Fourth of July be sure to check local regulations. Some communities have firework restrictions in place. #KeepItLegalKeepItSafe

IMAGE – Common Injuries

If not used properly, fireworks could land you in the emergency department. Children under 15 make up 36% of estimated firework related injuries. #KeepItLegalKeepItSafe

IMAGE – Keep It Legal. Keep It Safe.

Retail fireworks in Oregon can only be sold between June 23 and July 6. If using them for your celebration, be prepared, be responsible, be safe and be aware. #FireworkSafety

IMAGE Soak Fireworks in Water

Ready to celebrate the holiday? If fireworks are a part of the plan, have water on hand, light fireworks one at a time, never relight fireworks, dispose of fireworks properly, and only use legal fireworks.

IMAGE Beaches & State Parks

#BeSmart when using fireworks in your #4thOfJuly celebrations. Be #WildfireAware and know the conditions where you live before using fireworks.

IMAGE Only Use Legal Fireworks

Not sure which fireworks are legal or illegal in the state of Oregon? Any firework that flies into the air explodes or behaves uncontrollably or unpredictably. #BePrepared #BeResponsible #BeSafe #BeAware

IMAGE Dispose of Fireworks

Spent fireworks should always be soaked in water. Dispose of fireworks properly and never relight a dud. #KeepItLegalKeepItSafe
